HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII

COURT OF RECORD

FILED: October 9, 2026 — 9:09 a.m.

Clerk of the Court: Chief Justice Maria Ali Dey

HOUSE OF JUDAH | DOCUMENTARY RECORD REVIEW NOTICE OF RECORD DISCREPANCIES AND REQUEST FOR CORRECTION, CLARIFICATION AND DETERMINATION

Related records: Nevada Eighth Judicial District Court, A-21-843907-C (Dept. 31); Justice Court (Dept. 6, docket to verify); Eighth Judicial District Court (Dept. 27, docket to verify); U.S. District Court, D. Nevada, 2:22-cv-00874-APG-DJA; Ninth Circuit 22-70183; related California proceeding 19STLC03737.

I. Limited purpose and method

This notice seeks an accurate comparison of source records, a reasoned determination of material discrepancies, and preservation of the original documents. It distinguishes: (a) what a document actually says; (b) what the submitting parties contend; (c) unresolved conflicts; and (d) relief sought. It makes no finding of intentional deception, judicial bias, or unlawful conduct.

II. Identity, party status and representative capacity

The Nevada record includes variations **"MONICA RENEE HALL,"** "**MONICA RENE HALL**," "**MONICA R HALL,"** and **"MONICA HALL."** The April 4, 2022 Ally Bank response uses MONICA RENE HALL and additional AKA language and expressly identifies a Notice of Special Appearance, Notice of Constitutional Question & Subpoena, and Motion for Court-Appointed Receivership. The June 23, 2022 minute order, reproduced in Exhibit A, raises a separate question about whether Princess Emilily Hotep El was a party authorized to submit proposed orders. Compare Exhibit A, source pp. 1–10 (binder pp. 1–10). The filing parties dispute any unsupported merger of a natural person, appellation, estate, and trust capacity.

III. Treaty, constitutional and religious terminology

The filing parties state that the term "Moslem" is their chosen national and spiritual self-identification, with a specific meaning within their tradition. That asserted meaning must be represented as their position, not silently substituted with "Muslim." Any source that uses "Muslim," "sovereign citizen," "nationalist," or other descriptors should be quoted verbatim, attributed to the specific speaker/document, and compared with the actual pleaded constitutional, treaty, trust, property, and due-process claims. The filing parties also report a comparison to Saddam Hussein; the exact quote, author, date and docket page have not been verified and are NOT offered as an established quotation.

IV. Distinguish submissions from rulings

The April 2022 attorney response expressly acknowledges a "Notice of Constitutional Question & Subpoena" and other trust-related submissions (Exhibit A, source pp. 2, 5–10; binder pp. 2, 5–10). This establishes that such issues were raised and addressed in opposing counsel's filing, not that the court accepted their legal theories. Request identification of the

judicial orders actually deciding each issue and any language applying ideological or religious labels instead of resolving an articulated claim.

V. Military-status exhibit and residential enforcement

The submitted SCRA exhibit identifies "MONICA HALL" without a middle name, lists February 28, 2023 as the status date, and reports no active-duty status. A separate social-media image describes military service but does not prove identity or property ties. The filing parties dispute that the queried person had a recorded or residential connection with either property. Compare Exhibit B, source pp. 1–3 (binder pp. 14–16), with the May 10, 2023 property notice, Exhibit C (binder p. 17). Request the filing cover sheet, query inputs, underlying service affidavit, writ, and enforcement return before drawing conclusions.

VI. Related California and federal proceedings

The California dispute concerning 4203 Norval Avenue, Quartz Hill, is separate from Ally Bank's Nevada vehicle-possession complaint. The asserted judicial transition from Judge Wendy Chang to Judge James E. Blancart requires the original assignment entries. In federal Case 2:22-cv-00874-APG-DJA, Judge Gordon's September 23, 2022 remand order must be evaluated as a ruling on removal jurisdiction, separately from the merits of any independent federal claim. The Ninth Circuit mandamus docket 22-70183 is a distinct proceeding with its own party designations.

VII. Requested determinations

Request: (1) a certified caption and party-capacity history; (2) the source of each name variation and AKA entry; (3) a ruling-specific index of constitutional and treaty issues actually decided; (4) identification of the source and purpose of any religious or ideological characterization; (5) reconciliation of service, SCRA, writ and restitution records; (6) certified judicial-assignment histories; and (7) preservation of all original entries and correction through transparent docket notation rather than silent replacement.

VIII. Scope of relief and reservation

A request to correct a clerical entry differs from a motion to set aside a judgment or obtain damages. The requested relief is subject to the jurisdiction and procedural rules of each separate tribunal. All monetary damages remain asserted and unadjudicated. No private or consular instrument is represented here as automatically binding a state or federal court.

JOINT AFFIDAVIT OF RECORD REVIEW, NOTICE, PARTY CAPACITY, DISPUTED SERVICE, AND REQUEST FOR CORRECTION OF RECORD

Submitted by: Al Moroccan Consulate Consular Officials 1–12

Related proceedings: California No. 19STLC03737; Nevada No. A-21-843907-C; District of Nevada No. 2:22-cv-00874-APG-DJA; Ninth Circuit No. 22-70183; and related Nevada property and recorder proceedings.

I. DECLARATION AND PURPOSE

1. We, the undersigned twelve Al Moroccan Consulatr officials, submit this joint affidavit for review and, upon proper execution, presentation concerning disputed party identification, trust capacity, service of process, judicial-record accuracy, notice, property interests, and preservation of claims.

2. This statement distinguishes facts personally witnessed by a signing official, documents examined by that official, statements reported to the officials by Prince Ra Hotep El or Princess Emilily Hotep El, and matters requiring determination by a court having jurisdiction.

3. We request that the reviewing tribunal preserve and examine the original pleadings, affidavits, docket entries, judicial orders, correspondence, property records, and service documents before attributing conduct or liability to any person or trust.

II. TRUST IDENTITIES, SEPARATE CAPACITIES, AND ALDRIDGE PITE REPRESENTATIONS

4. The records presented for review identify the Priestess Princess Emily Hotep Trust, associated with an EIN represented in the supplied account as 98-608XXXX; the Monica Rene Padgett/Hall Estate Trust; the Monica Rene Hall Business Trust; and the David Jr Hall Estate Trust.

5. These designations require examination as separate legal and representative capacities. A shared individual, name variation, beneficiary, trustee, or representative does not, without the applicable trust instruments and governing law, establish that the trusts are legally interchangeable.

6. The submitting parties contend that Aldridge Pite Haan LLP described the trust-related submissions as confusing and failed to distinguish the trusts and their asserted capacities. The precise wording of counsel's statement must be quoted from the original pleading.

7. The submitting parties further challenge whether the attorneys possessed the authority and qualifications necessary for the specific representations they made concerning private estates, foreign trusts, and the asserted trust assets. This is a request for examination of their authority and representations, not an established admission that the attorneys lacked a law license or a separate trust-law license.

8. The submitting parties dispute the identification of the defendant as "MONICA RENEE HALL" and identify the spelling "MONTCA RENEE HALL" as another challenged designation. Each exact spelling should be compared with the complaint, service papers, docket, trust instruments, and name-correction records. They report that the person identified by the challenged designation does not exist to their knowledge.

III. CALIFORNIA PROCEEDING AND ASSERTED PROPERTY INTERESTS

9. The submitting parties identify California Superior Court Case No. 19STLC03737 involving Select Portfolio Servicing and disputes concerning the property at 4203 Norval Avenue, Quartz Hill, California 93536.

10. They assert that the property was held in the David Jr Hall Estate Trust and that a mechanic's lien of approximately $2.4 million, together with other asserted liens or claims, was recorded or submitted concerning the property and alleged trespass.

11. They further allege that Wargo French participated in an improper transfer, sale, or handling of disputed debt and that Aldridge Pite relied on litigation-history characterizations instead of addressing the debt's provenance, assignment, ownership, and enforceability.

12. The reviewing tribunal is requested to obtain the original loan instruments, assignments, recorded liens, servicing agreements, purchase or transfer documents, and California docket before determining the legal effect of these allegations.

IV. NEVADA PROCEEDINGS AND PARTY-STATUS CONFLICT

13. In Nevada Case No. A-21-843907-C, Ally Bank filed a proceeding captioned against Monica Renee Hall. The submitting parties contend that counsel improperly associated the named defendant with Princess Emilily Hotep El and separate trust capacities.

14. The June 23, 2022 Nevada minute order attributed to Judge Joanna S. Kishner states that Princess Emilily Hotep El was not an individual party or attorney in the Ally Bank matter. The submitting parties request preservation of that exact judicial statement.

15. The submitting parties contend that Aldridge Pite subsequently attributed the "not a party" position to Princess Emilily Hotep El herself. They request comparison of counsel's actual statements with Judge Kishner's order.

16. The submitting parties state that Princess Emilily Hotep El personally submitted name-correction and title/appellation information in February 2022, together with motions concerning receivership, enforcement, and asserted injuries. They dispute any suggestion that opposing counsel independently discovered information already submitted to the court.

17. The reviewing tribunal is requested to determine whether any order, restriction, service theory, or enforcement consequence was attributed to a person or trust whom the same proceeding expressly identified as not being an individual party, and to identify the legal authority for doing so.

V. JUDGE ALF, SUNLIGHT FINANCIAL, AND NEVADA PROPERTY

18. The submitting parties identify a separate Nevada proceeding involving Princess Emilily Hotep El, the Monica Rene Hall Estate Trust, and Debbie Conway in her asserted capacity as county recorder, reportedly heard in Department 27 before Judge Alf.

19. Princess Emilily Hotep El reports that Judge Alf stated during a hearing that she should be concerned about her house because Sunlight Financial was going to foreclose upon it.

20. The submitting parties dispute the premise of that reported statement, contending that Sunlight Financial's transaction concerned financing for a solar-power system and did not constitute a mortgage secured by the residential property.

21. The officials request the hearing transcript or recording, docket, Sunlight Financial agreement, recorded security instruments, and property-title records. The reported statement is preserved as a witness account pending verification.

VI. JOHN WHITE, ABC LEGAL, UPS MAILBOX, AND BANBURRY SERVICE

22. The submitting parties identify John White, associated in their account with ABC Legal, as a process server whose service declarations and actions are disputed.

23. They report one attempted service at a UPS Store private mailbox, where documents were allegedly left with a front-desk employee rather than personally delivered to the named defendant, Princess Emilily Hotep El, or an authorized trust representative.

24. They state that the private mailbox was rented by Prince Ra Hotep El personally, rather than by the trusts or a corporation, and that the employee contacted the mailbox renter after receiving the documents.

25. They further dispute substitute service at Summerlin Banburry Cross Healthcare Center, where papers were allegedly left with receptionist Susanna Oquin.

26. The preserved account attributed to Susanna Oquin states that she informed the process server that no person named Monica Renee Hall worked at the medical office. The service declaration reportedly describes that office as the defendant's usual place of abode.

27. The reviewing tribunal is requested to compare both incidents separately, including the names on the papers, recipient identity, nature of each location, authorization to receive process, recipient statements, and governing service requirements.

28. The submitting parties deny deliberately evading service and contend that process servers repeatedly approached third parties, including neighbors, HOA personnel, former employers or coworkers, and mailbox employees, rather than attempting proper personal delivery.

VII. FEDERAL PROCEEDINGS, JURISDICTION, NATIONALITY, AND RECORDS

29. The submitting parties identify District of Nevada Case No. 2:22-cv-00874-APG-DJA and Ninth Circuit No. 22-70183 as separate proceedings whose captions, parties, procedural histories, and jurisdictional rulings must not be conflated.

30. They dispute the federal court's treatment of their jurisdictional submissions and contend that records concerning nationality, nativity, diplomatic documents, trust capacity, and constitutional and treaty arguments were presented but not adequately addressed.

31. Princess Emilily Hotep El identifies herself as a Choctaw, Cherokee, Moor National and disputes characterization as a Nevada resident or United States citizen. These are her asserted identity and nationality positions. The legal effect of submitted documents requires determination under applicable law.

32. The submitting parties challenge reliance on the $75,000 diversity-jurisdiction threshold without adequately distinguishing diversity jurisdiction under 28 U.S.C. § 1332 from federal-question jurisdiction under 28 U.S.C. § 1331 and requirements governing removal.

33. The affiants request a source-specific comparison of federal orders, magistrate recommendations, docket filings, submitted documents, and appellate proceedings. They do not represent that a claimed nationality or submitted passport automatically established diplomatic immunity or federal jurisdiction.

VIII. ATTORNEY GENERAL NOTICES, MORTGAGE INSTRUMENTS, AND APRIL 2022 RECORD

34. The submitting parties report that the Nevada Attorney General's office received matters identified as claim numbers 9112, 9113, and 9114 before certain later court proceedings and asserted judgments.

35. They identify disputes involving Synchrony Bank, Ally Bank, Leader One Financial, Sunlight Financial, PennyMac, MERS, and National Default Servicing Corporation.

36. They contend that a deed of trust was unsigned by the relevant parties, that the note's reported location was inconsistent with property records, and that the named entities received notices disputing the instruments and their authority.

37. They identify an order or filing attributed to Steven D. Grierson dated on or about April 15, 2022, which they contend addressed removal or discharge of mortgages, deeds of trust, notes, instruments, utilities, and taxes.

38. The reviewing tribunal is requested to examine the certified order, issuing court, jurisdiction, operative language, proof of service, recording information, and subsequent orders before determining whether any debt, lien, tax, or instrument was legally discharged.

IX. MAY 10, 2023 REMOVAL AND SUBSEQUENT NOTICE

39. The submitting parties report that on May 10, 2023, at approximately 1:00 p.m., personnel associated with local enforcement authorities appeared at the property held in Trust 8237 Fawn Brook Court non corporate zip code 93536, and removed members of the El family Estate Private property recording studio equipment gold silver coins etc,…

40. They attribute to personnel at the scene the statements "it's time for you to go" and "did you call Tom," followed by a statement that Tom had been attempting contact.

41. They report that Prince Ra Hotep El received a notice associated with Aldridge Pite Haan LLP stating that the property had been abandoned and providing approximately 30 days to retrieve personal property.

42. The submitting parties dispute voluntary abandonment and request the writ of restitution, execution return, identities of personnel present, recordings, property inventory, and complete attorney notice.

X. DISPUTED LABELS, DUE PROCESS, AND REQUESTED RECORD CORRECTION

43. The submitting parties object to use or attribution of terms including "vexatious litigant," "sovereign citizen," and "aliases" where those terms were used without accurately identifying the person, trust, source document, judicial finding, or procedural context.

44. They contend that such descriptions affected treatment of their filings and claims. Whether an attorney or judicial officer knowingly misrepresented evidence, acted with improper intent, or violated due process must be determined from actual records and applicable law.

45. The reviewing tribunal is requested to preserve original captions, party rosters, affidavits, trust instruments, service returns, judicial orders, correspondence, and enforcement records; identify material inconsistencies; and determine whether corrective relief is warranted.

XI. JOINT SWORN STATEMENT AND VERIFICATION

46. Each undersigned official affirms only those matters identified in this affidavit that are within that official's personal knowledge or supported by records that official has personally reviewed. Statements attributed to other individuals are preserved as reported statements and are not adopted as firsthand observations unless independently confirmed.

47. Each official shall identify the portions personally verified, documents reviewed, and exceptions or corrections before signing. No signature is intended to certify a disputed allegation as an adjudicated fact.

JOINT VERIFICATION

We, the undersigned, having reviewed this Joint Affidavit and identified any exceptions or qualifications applicable to our individual knowledge, solemnly swear or affirm that the factual statements we personally attest to are true and correct to the best of our knowledge, and that statements based on documents or reports are accurately identified as such.

INDIVIDUAL BASIS OF KNOWLEDGE

Each signatory shall state below, or in a separately attached signed schedule, the numbered paragraphs personally adopted, source records actually examined, and any exceptions. A signature does not attest to matters outside that signatory's knowledge. Any signer who cannot verify a paragraph must identify it as excluded.

DECLARATION AND EXECUTION

Each signatory affirms only the factual portions specifically adopted in the individual execution row or attached schedule, subject to the qualifications stated. For a sworn affidavit, each person must sign before

HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII

COURT OF RECORD

FILED: October 9, 2026 — 9:09 a.m.

Clerk of the Court: Chief Justice Maria Ali Dey

NOTICE OF ALLEGED FAILURE TO JOIN TRUSTEE, EXECUTOR, AND BENEFICIARY; REQUEST FOR DETERMINATION AND CORRECTION OF RECORD

Related proceedings: California Superior Court No. 19STLC03737; Nevada Eighth Judicial District Court No. A-21-843907-C; U.S. District Court, District of Nevada No. 2:22-cv-00874-APG-DJA; Ninth Circuit No. 22-70183; and related Nevada recorder/property matters.

I. NOTICE AND LIMITED PURPOSE

1. Notice is given that the submitting parties dispute whether the correct trustee(s), executor(s), and beneficiary or beneficiaries were identified, joined, served, or represented before orders or enforcement consequences allegedly affecting trust assets and interests. This Notice requests documentary review and determination; it is not itself a finding that any judgment is void or that misconduct occurred.

2. The alleged omission must be assessed separately in each identified proceeding. The record should distinguish the Priestess Princess Emily Hotep Trust, Monica Rene Padgett/Hall Estate Trust, Monica Rene Hall Business Trust, David Jr Hall Estate Trust, and any individual appearing in a personal, fiduciary, or representative capacity. The operative trust instruments and appointments control the actual identities and powers of fiduciaries.

II. SPECIFIC MATTERS FOR DETERMINATION

3. Identify the operative complaint, caption, named parties, titleholder, debtor, trust, trustee, executor, beneficiary, and requested relief in each proceeding, citing exact docket entries and exhibit pages.

4. Determine whether the governing joinder rules required the participation of any absent trustee, executor, beneficiary, or other interested person. In federal civil cases, Rule 19 provides a framework for required-party analysis; applicable state procedural law governs state matters. Not every beneficiary is automatically indispensable.

5. Identify any motion for joinder or substitution, service return, appearance, representation, or judicial determination establishing that the relevant fiduciary or person was properly before the court.

6. Compare Judge Kishner's June 23, 2022 statement concerning Princess Emilily Hotep El's party status with the relief, restrictions, or consequences later attributed to that person or any distinct trust capacity, without presuming that different persons or capacities are interchangeable.

7. Determine whether any asserted property or trust-interest consequences were based on personal debt, a trust obligation, a valid security interest, or another recognized source of liability, using recorded instruments, assignments, and evidence of payment or tender.

8. Preserve the submitting parties' allegation that investigators identified possible acquisition of disputed debts by Aldridge Pite or associated persons; require the actual investigative report, purchase/assignment documents, and proof of ownership before any finding of debt purchase or improper representation.

9. Attribute references to "vexatious litigant," "sovereign citizen," and disputed names to the exact court or counsel source. Capitalization or a trade-name filing alone does not establish a separate legal person or defeat jurisdiction; UCC 1-308 does not automatically change that analysis.

10. Examine submitted treaty, nationality, constitutional, and trust documents according to applicable jurisdictional law, identifying what was raised and what was actually decided rather than presuming intentional avoidance.

II-A. SUPPLEMENTAL NOTICE — PARTY-STATUS RULINGS AND FEDERAL JURISDICTION

10A. Preserve and compare the June 23, 2022 Nevada "not a party" ruling, any source-attributed "sovereign citizen" wording, the September 2022 federal remand decision, and the Ninth Circuit docket. The court is requested to distinguish the parties and legal issues in each proceeding.

10B. Determine the amount in controversy and citizenship relevant to the particular removed state-court action under 28 U.S.C. § 1332, including the citizenship of each real party in interest, the role of any trustees, and the basis for any nominal-party finding. Separately identify any federal-question argument under § 1331.

10C. Determine whether the forum-defendant rule in 28 U.S.C. § 1441(b)(2) was relied upon, and if so identify the properly joined and served forum-state defendant and supporting citizenship evidence. An office or registered agent alone does not establish corporate citizenship.

10D. Identify the legal structure of each trust and apply the appropriate citizenship rules; do not automatically apply Americold Realty Trust v. Conagra Foods, Inc. to all traditional trusts. Determine whether the trustee, executor, or beneficiary was a required party under the governing procedural rules.

10E. State the actual ground of remand, whether the amount, complete diversity, removal procedure, or federal-question basis was decisive, and whether the order resolved any underlying claim on the merits. Do not infer improper judicial purpose solely from a jurisdictional dismissal or remand.

III. REQUESTED RECORD CORRECTION AND PRESERVATION

11. The reviewing tribunal is requested to preserve all versions of the relevant captions, pleadings, party rosters, trust instruments, appointment documents, returns of service, orders, writs, recorded deeds, lien documents, and debt-assignment records. Any correction should identify the original entry, its proven defect, the authority for correction, and the corrected entry.

12. The parties request an opportunity to submit authenticated exhibits and responses before findings are made concerning joinder, jurisdiction, fraud, due process, debt ownership, or enforceability. Any requested relief must be sought in the court with authority over the specific case or record.

IV. PROPOSED ORDER — FOR CONSIDERATION ONLY

THIS SECTION IS A PROPOSED ORDER ONLY; IT HAS NO EFFECT UNLESS ENTERED BY A COURT WITH JURISDICTION.

A. The clerk or designated record custodian is requested, if authorized, to preserve the relevant original and amended party rosters, pleadings, trust and fiduciary records, service returns, and judicial orders identified above.

B. The parties shall identify, for each affected proceeding, the trustee, executor, beneficiary, legal titleholder, and individual party (if any), with supporting exhibits and docket citations.

C. The reviewing court shall determine under the procedural law applicable to that proceeding whether any person or entity was required to be joined, whether service and representation were sufficient, and what relief, if any, follows.

C-1. The reviewing court is requested to make separate, source-supported findings regarding the correct party roster, amount in controversy, citizenship, trust form, removal basis, and the applicability of §§ 1331, 1332, and 1441(b)(2).

D. No finding of fraudulent debt purchase, deliberate misrepresentation, defective joinder, invalid title, or improper judicial motive is made by this proposed form. Such findings require competent evidence and an authorized adjudication.

E. Any resulting correction shall identify the affected entry, source evidence, governing authority, and scope of relief. All other rights and objections are reserved to the extent permitted by law.

EXHIBIT — PUBLIC REGULATORY RECORDS AND ACCOUNT-SPECIFIC PROOF ISSUES

Supplement to Joint Affidavit of Twelve Al Moroccan Consulate Officials

FILED: October 9, 2026 — 9:09 a.m.

Clerk of the Court: Chief Justice Maria Ali Dey

Purpose and evidentiary status

This exhibit identifies public corporate/regulatory materials and the separate documents needed to determine debt ownership, servicing authority, payment, tender, and enforceability in the specific proceedings. It does not represent that corporate financial disclosures alone establish the status of an individual account. The officials should verify the cited source documents and attach certified or authenticated copies where appropriate.

A. Ally Financial — SEC credit-loss disclosures

Ally Financial Inc.'s 2022 Form 10-K reports consumer finance net charge-offs of approximately $897 million for 2022, compared with approximately $258 million for 2021; the 2022 total included approximately $785 million in consumer automotive finance charge-offs. These are portfolio-level accounting figures, not proof that the specific vehicle debt in Nevada Case A-21-843907-C was sold, paid, extinguished, or owned by a particular collection firm.

Primary source: Ally Financial Inc., Form 10-K, fiscal year ended December 31, 2022, SEC EDGAR: https://www.sec.gov/Archives/edgar/data/40729/000004072923000005/ally-20221231.htm

Account-specific records requested: complete payment ledger; charge-off coding and date; owner/assignee history; bill of sale or assignment with account-identifying schedule; creditor-to-counsel authorization; collection balance and credits; relevant notices.

B. CFPB — enforcement and supervisory context

The CFPB and U.S. Department of Justice previously pursued an auto-lending discrimination enforcement matter involving Ally. CFPB supervisory materials have also discussed wrongful repossessions and payment-processing problems in the auto-finance market. Neither general enforcement history nor industry-wide supervisory findings prove misconduct concerning the account at issue here.

Primary sources to attach: CFPB/DOJ Ally auto-finance enforcement announcement and underlying consent order; relevant CFPB supervisory highlights, with publication dates and exact passages marked.

C. Sunlight Financial — Delaware Chapter 11

Sunlight Financial Holdings Inc. and certain affiliates commenced Chapter 11 proceedings in Delaware on October 30, 2023, and announced a restructuring completion in December 2023. The filing date is 2023, not 2024–2025. Bankruptcy and restructuring do not, without loan-level evidence, establish whether a particular solar loan was discharged, assigned, or secured by real property.

Records requested: bankruptcy docket and confirmed plan; asset-purchase and servicing-transfer schedules; particular solar-loan agreement; security agreement/UCC filings; payment history; post-restructuring creditor and servicer notices.

D. LeaderOne Financial / PennyMac — loan ownership versus servicing

A mortgage originator may sell a loan while another company services it. Under 12 C.F.R. § 1026.39, certain transfers of mortgage ownership trigger consumer disclosures, subject to scope and exceptions. A separate SEC filing is not necessarily required for each individual loan transfer. Determine whether PennyMac was owner, servicer, or both at each material date.

Records requested: note and endorsements; deed of trust; recorded assignments; purchase or transfer confirmation; 12 C.F.R. § 1026.39 notices (if applicable); servicing transfer notices; transaction history; payoff and tender records.

E. Legal issues reserved for proof

The submitting parties dispute whether certain debts were previously paid or tendered and whether Aldridge Pite purchased debts while appearing as counsel for another creditor. These are allegations requiring account-level

assignments, purchase agreements, financial records, and examination of the precise pleadings. Litigation activity alone does not establish ownership or fraud. Relevant questions include real party in interest, attorney authority, standing where required, proper joinder, accurate service, and the potential application of the FDCPA to qualifying consumer debts.

F. Requested preservation and comparison

Preserve the original complaint and exhibits, complete court dockets and orders, creditor and collector communications, process-service affidavits, loan-level records, bankruptcy schedules, SEC extracts, CFPB documents, and investigators' source materials. Compare each document by date, account identifier, named party, asserted capacity, and legal effect. Any missing or altered docket entry should be documented through authenticated prior copies and official record certifications.

1. Aldridge Pite acted as collection counsel for a bank, loan servicer, or debt purchaser. We are not sure they have not provided a letter of Authorization from any authority or board of directors.

2. Aldridge Pite or a related entity actually acquired ownership of the specific debt. Documents located redacted or hidden.

Such arrangements have different legal consequences. A law firm's continued collection litigation is not, by itself, proof of a debt purchase.

My recommended first step: Retrieve the original Ally Bank complaint and every attached affidavit or assignment from Nevada case A-21-843907-C.

Then search for the exact creditor identified in those documents. If Aldridge Pite appears only as counsel, that is different from appearing as an assignee or owner.

If no assignment appears in the public record, that does not establish that none exists. A properly tailored discovery request, where procedurally available, may be needed to obtain private transaction records.

SUPPLEMENTAL ATTACHMENT TO JOINT AFFIDAVIT NOTICE OF DISPUTED DEBT OWNERSHIP, COLLECTION AUTHORITY, THIRD-PARTY CONTACTS, AND PRESERVATION OF EVIDENCE

FILED: October 9, 2026 — 9:09 a.m.

Clerk of the Court: Chief Justice Maria Ali Dey

For review by Al Moroccan Consular Officers 1–12 • October 9, 2026

Related matters: Nevada A-21-843907-C; California 19STLC03737; District of Nevada 2:22-cv-00874-APG-DJA; Ninth Circuit 22-70183.

I. PURPOSE AND STATUS OF ASSERTIONS

1. This notice supplements, without replacing or modifying, the previously prepared joint affidavit of the twelve Consulate officials. The submitting parties report that private investigative inquiries have raised questions whether Aldridge Pite Haan LLP or related persons acquired disputed debts, collected on behalf of identified creditors, or acted under another contractual arrangement. No purchase by the firm is established solely by its pursuit of litigation; the investigators' source records and transaction documents must be examined.

2. The submitting parties further dispute whether certain obligations had been paid, tendered, assigned, or discharged before collection continued. They request examination of each account separately, without assuming that tender alone necessarily discharged an obligation. Allegations of deliberate misrepresentation or court fraud are preserved as disputed claims, not presented as adjudicated findings.

II. SPECIFIC RECORDS REQUESTED FOR EXAMINATION

3. For each disputed obligation, request preservation and production through lawful procedures of: (a) original creditor and account identifier; (b) bill of sale, purchase agreement, assignment, account-level schedule, and chain of title; (c) servicing or attorney engagement agreement, client identity, and authority to file suit; (d) original contract, ledger, itemization, payoff statement, payment and tender evidence, and notices of dispute; (e) collection letters, telephone logs, service instructions, pleadings, sworn declarations, and third-party communications; and (f) any evidence establishing when the collector learned of disputed identity, trust ownership, payment, or tender.

4. The submitting parties specifically request comparison of any contacts involving a UPS private mailbox, the Banburry medical office, neighbors, HOA board members or personnel, or former coworkers against the stated purpose of each contact, its content, recipient, and applicable process-service and debt-collection rules. Attempted lawful service is not, by itself, proof of unlawful harassment.

III. APPLICABLE AUTHORITIES AND LIMITS

5. Heintz v. Jenkins, 514 U.S. 291 (1995), recognizes that attorneys regularly engaged in consumer-debt collection litigation may be subject to the Fair Debt Collection Practices Act (FDCPA). Henson v. Santander Consumer USA Inc., 582 U.S. 79 (2017), explains that a purchaser collecting debts for its own account does not fall within the FDCPA definition based solely on collecting debts "owed another"; other statutory definitions and circumstances must be analyzed.

6. If the transactions are consumer debts and the persons involved qualify under the applicable statutory definitions, 15 U.S.C. §§ 1692b and 1692c(b) govern certain location-information and third-party communications; § 1692d addresses harassment; § 1692e addresses false or misleading representations, including debt amount and legal status; and § 1692f addresses unfair practices. Applicability, exceptions, limitations periods, and available remedies require case-specific analysis.

7. No separate professional license is generally required merely to practice "trust law," "constitutional law," or "treaty law." The material inquiries are counsel's authority to practice in the relevant jurisdiction, identity of the represented client, real party in interest, ownership or servicing rights, and whether factual representations were accurate.

IV. REQUEST FOR RECORD PRESERVATION AND REVIEW

8. The submitting parties request that original certified dockets, filing receipts, service returns, exhibits, and downloaded historical records be preserved and compared with currently accessible Nevada and California records. Any claimed loss or

alteration arising from a 2025 ransomware incident must be demonstrated by independent system records or certified docket comparisons; this notice does not assert such alteration as established.

9. The reviewing tribunal is asked to identify each material factual discrepancy, the record supporting it, the responsible entity if supported by evidence, and the appropriate procedure for seeking correction or discovery in the court with jurisdiction. This notice neither adjudicates fraud nor alters another court's orders.

V. ADOPTION AS ATTACHMENT

10. This attachment is submitted for review by the twelve officials. It becomes part of any sworn joint affidavit only if each signatory expressly reviews and adopts the relevant statements within personal knowledge, identifies any exceptions, and executes any required supplemental verification. It is otherwise a separate notice of disputed matters and requests for records.

HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII

COURT OF RECORD

NONJOINDER, AND FEDERAL JURISDICTION

FILED: October 9, 2026 — 9:09 a.m.

Clerk of the Court: Chief Justice Maria Ali Dey

SUPPLEMENTAL NOTICE OF PARTY CAPACITY, NONJOINDER, AND FEDERAL JURISDICTION

Attachment to Joint Affidavit of Al Moroccan Consulate Officials 1–12

Related records: Nevada A-21-843907-C; District of Nevada 2:22-cv-00874-APG-DJA; Ninth Circuit 22-70183

Purpose and incorporation

This two-page supplemental notice is submitted as an attachment to, not a replacement for, the previously prepared joint affidavit. It identifies matters for examination and correction. The statements below reflect positions and disputed facts reported by the submitting parties unless a specific order or exhibit is identified. Each official adopts only matters within personal knowledge or verified from identified records.

1. Party status and nonjoinder.

The submitting parties request a comparison of the original pleadings, party rosters, trust instruments, service returns, and judicial orders to determine whether the trustee, executor, beneficiary, and relevant trusts were necessary or otherwise required parties in each distinct proceeding. A beneficiary or executor is not automatically a necessary party merely by holding that status; the governing claims and interests control. The June 23, 2022 Nevada minute order reportedly states that Princess Emilily Hotep El was not an individual party or attorney in the Ally Bank proceeding. The precise order and its context should be attached and quoted.

2. Disputed labels and consistency of judicial reasoning.

The submitting parties object to any unsupported attribution of the phrase "sovereign citizen" or alleged use of aliases in place of a fact-specific determination of identity, capacity, joinder, and service. They request identification of the exact pleading or order using each label and whether any adverse determination actually rested on it. A ruling that a person was not a party to one action does not, without more, decide standing or jurisdiction in another action.

3. Amount in controversy and complete diversity.

The submitting parties contend that exhibits established an amount exceeding $75,000 and relevant connections to Utah and Georgia. They request an express comparison with the jurisdictional record under 28 U.S.C. § 1332. The amount threshold alone is insufficient: complete diversity depends on the citizenship of the properly considered parties at the legally relevant time. A corporate office, registered agent, or law-firm address does not necessarily establish a party's citizenship; Atlanta is a city, not a state of citizenship.

4. Trust citizenship and fiduciary capacity.

The court should identify whether the litigant is a traditional trust acting through its trustee, or a separate juridical business trust, and explain the citizenship analysis used. Americold Realty Trust v. ConAgra Foods, Inc., 577 U.S. 378 (2016), concerns an unincorporated real-estate investment trust; it does not automatically make every traditional trust a citizen of each beneficiary's state. The trust instrument, applicable state law, and named litigants must be examined.

5. Removal, nominal parties, and forum defendants.

The submitting parties request identification of the specific grounds for remand under 28 U.S.C. §§ 1331, 1332, 1441, and 1446, including whether the court addressed a real-party-in-interest dispute or treated counsel as a nominal party. The forum-defendant rule in § 1441(b)(2) concerns a properly joined and served defendant who is a citizen of the forum state; mere registration or a local agent does not establish that status. A federal defense or counterclaim ordinarily does not by itself make a state-law complaint removable under § 1331.

6. Requested record-specific clarification.

For each challenged ruling, identify (a) the operative complaint and named parties; (b) the capacities alleged; (c) the citizenship and amount-in-controversy evidence actually considered; (d) the exact passage addressing party status, labels, or jurisdiction; and (e) the effect, if any, on an omitted trustee, executor, beneficiary, or trust. The submitting parties request preservation of the record and appropriate correction only upon a supported legal and factual determination.

Clerk of the Court: Chief Justice Maria Ali Dey

HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII COURT OF RECORD
COURT SUBMISSION / TRANSMITTAL COVER SHEET
NOTICE OF RECORD CORRECTION, TREATY AND CONSTITUTIONAL ISSUES, PARTY CAPACITY, AND PRESERVATION OF CLAIMS

DOCUMENT STATUS	Submission text for court consideration; not an independently entered judicial order
REFERENCE DATE	October 9, 2026
CONSULAR RECORD REFERENCE	House of Judah Consular Court Tribunal XIII — see attached October 9 cover sheet for its recorded status
RELATED MATTERS	Nevada A-21-843907-C; District of Nevada 2:22-cv-00874-APG-DJA; Ninth Circuit 22-70183; California 19STLC03737; Justice Court and Department 27 records subject to docket confirmation
EXHIBIT SYSTEM	Appendix A–E: sourced excerpts in companion evidence binder; Appendix F–M: reserved for verified records

SUBMISSION PURPOSE

The following submission preserves the original Consular Court style and asks the receiving tribunal to identify and determine the actual legal and factual questions raised in the filed record. It distinguishes verified document language from disputed assertions and requests no presumption that a filing, stamp, or self-description alone resolves jurisdiction, diplomatic recognition, or the merits.

HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII COURT OF RECORD

NOTICE OF RECORD CORRECTION, TREATY AND CONSTITUTIONAL ISSUES, PARTY CAPACITY, AND PRESERVATION OF CLAIMS

I. IDENTIFICATION OF RELATED PROCEEDINGS

The record identifies Nevada Eighth Judicial District Court No. A-21-843907-C (Department 31); a related Nevada Justice Court Department 6 matter; a separate Department 27 matter; United States District Court for the District of Nevada No. 2:22-cv-00874-APG-DJA; Ninth Circuit No. 22-70183; and California Superior Court No. 19STLC03737. Each docket, party capacity, and judicial action must be evaluated separately.

II. RELIGIOUS / NATIONAL IDENTIFICATION AND ACCURACY OF ATTRIBUTION

The submitting parties expressly identify their tradition as "Moslem." They explain that, in their own national and spiritual understanding, Moslem denotes an original tradition recognizing and accepting multiple religions, with associations they identify with the Tribe of Judah and the light. This paragraph records their stated understanding; it does not ask the receiving court to decide theology. Exact language used by opposing counsel or a judicial officer, including "Muslim," "sovereign citizen," or "nationalist," should be reproduced verbatim with source page and context rather than substituted for the parties' chosen description.

The parties further allege that Prince Ra El was compared to a brother of Saddam Hussein and that identity/ religion-based rhetoric contributed to discriminatory treatment. No original page containing that exact remark has been verified for this submission. The allegation is preserved for identification of its speaker, date, forum, and source, and is not presented as an established quotation or judicial finding.

III. SUBMISSIONS EXPRESSLY ACKNOWLEDGED BY OPPOSING COUNSEL

In its April 4, 2022 response in Nevada No. A-21-843907-C, Ally Bank's counsel identified (a) a Notice of Special Appearance by Consul Prince Ra El on behalf of Princess Emilily Hotep El, docket No. 7; (b) a Notice of Constitutional Question and Subpoena, docket No. 8; and (c) a receivership motion, docket No. 24. This supports the limited finding that these subjects were raised and acknowledged by opposing counsel. It does not, standing alone, prove their legal sufficiency or the truth of disputed facts. See Appendix A.

IV. TREATY AND CONSTITUTIONAL QUESTIONS

The submitted treaty materials quote the Morocco–United States Treaty of Peace and Friendship and refer to consular and dispute-related provisions, including Articles 19–23. The parties request that the receiving court identify the specific treaty provisions, constitutional clauses, applicable parties, cause of action, and procedural posture addressed by each prior ruling. Rejection of a legal theory should be distinguished from a conclusion that it was never submitted. See Appendix B.

V. FEDERAL JURISDICTION — DISTINCT BASES

The parties maintain that constitutional and treaty claims supported jurisdiction. Under 28 U.S.C. § 1331, there is no general $75,000 amount-in-controversy requirement for a federal question. Section 1332 separately requires an amount exceeding $75,000 and qualifying diversity. In a removed case, however, the well-pleaded complaint rule and removal statutes govern; federal defenses or counterclaims ordinarily do not create removal jurisdiction. The September 23, 2022 remand order must therefore be assessed in its actual removal posture, rather than characterized as a merits rejection of every independent federal claim.

VI. CAPACITY, SERVICE, AND DISTINCT SUBJECT MATTER

The June 23, 2022 Nevada minute order addressed whether certain proposed orders could be signed when submitted by a nonparty/nonattorney. Opposing counsel separately argued identity and service. These distinct questions warrant separate findings. The underlying November 9, 2021 Ally Bank complaint concerned a 2015 Kia Optima vehicle-finance agreement, not, on its face, foreclosure of Nevada residential real property. Any restitution or real-property enforcement must be traced to its own orders, writs, and execution records. See Appendices A and C.

VII. RELIEF REQUESTED

1. Preserve original party names, captions, trust designations, dates, and docket identifiers without silent normalization.

2. Identify each constitutional and treaty argument actually filed and specify whether it was decided on jurisdictional, procedural, or substantive grounds.

3. Identify the source and context of any religious, nationality, "sovereign citizen," or Saddam Hussein-related description, and determine whether it had any role in an operative ruling.

4. Separate the Nevada vehicle-finance case from the Nevada real-property and California proceedings; require certified docket and writ evidence for asserted connections.

5. Reconcile the party-capacity, service, and identity records by identifying the relevant sworn testimony, returns of service, and rulings.

6. Preserve claims and objections to the extent permitted by applicable law; do not deem an allegation proven or a court order entered solely by inclusion in this submission.

VIII. APPENDIX AND PAGE CROSS-REFERENCE

Appendix A — Nevada Ally Bank response, April 4, 2022: original response pp. 1–10 (selected pages reproduced in companion binder).

Appendix B — Treaty-related submission: original source pp. 7–10, including treaty overview and Articles 19–23 (selected pages reproduced).

Appendix C — Nevada June 23, 2022 minute order and November 9, 2021 verified complaint: original pages identified on each reproduced exhibit.

Appendix D — Military-status inquiry and identity materials, where reproduced: report/status date and filing stamp to be verified against original docket.

Appendix E — May 10, 2023 property notice, where reproduced: source date and actual text control.

Appendices F–M — Reserved: certified Justice Court Dept. 6 docket; Dept. 27 docket; Dept. 31 certified docket; Supervisor Michele Shimizu signed page; original federal remand order; Ninth Circuit docket/order; California assignment orders; original page documenting the alleged Saddam Hussein comparison. No unverified exhibit is represented as attached.

IX. DOCUMENTARY LIMITATIONS AND PRESERVATION

The attached October 9, 2026 Consular Court cover identifies a filing status in that record. That status is stated as the source describes it; it does not itself establish recognition, enforceability, or jurisdiction in another tribunal. Likewise, a proposed supplemental order remains proposed unless actually entered by an authorized tribunal. Criminal statutes listed in source submissions do not automatically confer a private civil damages remedy.

PROPOSED SUPPLEMENTAL ORDER AND NOTICE CONCERNING EVIDENTIARY FINDINGS, PARTY CAPACITY, COURT-RECORD FRAUD / FRAUD UPON THE COURT, AND PRESERVATION AND CORRECTION OF THE RECORD

Related California Matter: Los Angeles Superior Court No. 19STLC03737
Related Nevada Matter: Eighth Judicial District Court No. A-21-843907-C
Related Federal Matter: District of Nevada No. 2:22-cv-00874-APG-DJA
Related Appellate Matter: Ninth Circuit No. 22-70183
Related Tax Matter: United States Tax Court Docket No. 2426-22

NOTICE OF PURPOSE AND EVIDENTIARY STANDARD

This proposed supplemental order is prepared for review by the legal team and, if approved, presentation to the Consular Court. It is intended to place the documentary conflicts before the Court in a form that permits specific findings rather than findings by association. The Court is requested to distinguish (1) what a source record proves on its face, (2) sworn testimony or affidavit evidence, (3) a party's allegation or contention, and (4) a legal conclusion that may be entered only after the Court determines the supporting facts.

For purposes of this proposed order, the phrase "court-record fraud" or "fraud upon the court" is used as a requested judicial finding concerning material misrepresentation, false attribution, misuse of identity or capacity, fabricated or materially unreliable proof, or other conduct directed to the integrity of a judicial proceeding. The phrase is not used merely because a ruling was adverse or because records conflict. The Court should enter such a finding only as to an identified actor and transaction for which the evidence establishes the necessary facts.

DOCUMENTARY FINDINGS PROPOSED FOR ADOPTION

1. Tax Court proceeding and jurisdictional disposition. The United States Tax Court docket identifies Ra Hotep El and Emilily Hotep El as Petitioners in Docket No. 2426-22. The docket reflects extensive filings, including affidavits, exhibits, a motion to enforce subpoena, responses concerning jurisdiction, discovery-related filings, judicial-notice filings, Rule 91(f) filings, and lien/levy-related filings. The later dismissal order states that no enumerated statutory notice or other determination was found that would confer Tax Court jurisdiction for tax years 2015 through 2022; the Court therefore dismissed for lack of jurisdiction and dismissed the pending motions as moot.

2. Affidavits and witnesses were placed in the Tax Court record. The Tax Court docket records affidavits associated with Princess Emilily Hotep El and Prince Ra Hotep El and, in October 2022, affidavits of Teresa Baker, Michele Shimizu, Nyla Abbey, Jacki Deguaman, and Susanna Oquin. Their appearance on the docket establishes that affidavit evidence was submitted; the substantive truth and weight of each affidavit must be determined from the affidavit itself and any contrary evidence.

3. "Not a party" and party-capacity conflicts are material. The preserved Nevada record includes a judicial minute entry stating that Princess Emilily Hotep El was not an individual party in the Ally Bank v. Monica Renee Hall matter. The broader record also contains repeated disputes over whether an individual, an estate trust, a business trust, a beneficiary, trustee, executor, or another capacity was actually before a particular court. A finding that a person or trust was "not a party" cannot fairly be used in one portion of a proceeding while orders, service theories, restrictions, or enforcement consequences are simultaneously attributed to that same person or separate trust capacity without an identified legal and evidentiary basis.

4. Vexatious-litigant and sovereign-citizen terminology must remain source-attributed. The California record includes a VL-100 prefiling order naming MONICA RENE HALL, while the preserved federal record later used "sovereign citizen" terminology concerning Princess Emilily Hotep El's filings. The affidavits of Princess Emilily Hotep El and Prince Ra Hotep El reject that characterization. The record should therefore identify exactly who was named by each order and should not silently extend a restriction or ideological characterization to a separate trust, person, name, or capacity.

5. Labels cannot substitute for adjudication of evidence. The Court finds, if supported after review of the attached source records, that use of generalized labels such as "vexatious litigant" or "sovereign citizen" cannot itself resolve title, service, identity, trust capacity, tender, authorization, agency, jurisdiction, or ownership. Where affidavits and documentary exhibits were filed but a proceeding ended for jurisdictional or procedural reasons, the record should accurately state that disposition rather than imply that the underlying evidence was adjudicated and rejected on its merits.

6. Service and identity evidence requires actor-specific findings. The evidentiary package contains conflicting accounts concerning service in the Ally matter, including a process-server declaration and an affidavit from the medical-office receptionist. The Court should determine who was actually served, what the recipient said, what name and capacity appeared on the papers, and whether the service relied upon by any later default or enforcement action was legally sufficient.

7. Replevin / representative authority requires provenance. The Ally-related pleading contains a verification identifying the signer by title as a "Replevin Specialist" or authorized representative without a clearly printed individual name in the preserved copy. That circumstance does not alone establish forgery, but it warrants a finding requiring identification of the signer, the source and scope of authority, the property allegedly subject to replevin, and the chain of authorization relied upon by counsel.

8. Employer / withholding record must be reconciled with the Tax Court record. The evidentiary record contains employer-related withholding material associated with Southwest Medical Associates / UnitedHealth records and an asserted identity/name discrepancy. The Tax Court disposition states that the Commissioner's search found no evidence that the specified statutory notices had been mailed to Petitioners and no other determination conferring Tax Court jurisdiction for the stated years. Those facts do not, by themselves, establish who generated every employer-side document; they do require preservation and investigation of the document's origin, transmission, employee identity, withholding history, and any claimed governmental authorization.

REQUESTED FINDING CONCERNING COURT-RECORD FRAUD / FRAUD UPON THE COURT

The Court is respectfully requested to find, where the attached evidence establishes the facts by the standard applicable in this forum, that it constitutes court-record fraud and/or fraud upon the court for an actor knowingly or recklessly to procure, preserve, or enforce judicial relief through a material falsehood concerning identity, party status, service, representative authority, document authenticity, or capacity, particularly where the same record simultaneously states that the affected person or entity was not a party to the matter.

The requested finding is deliberately limited. It does not declare every attorney, judge, employer, agency, lender, servicer, process server, asset manager, insurer, or other participant fraudulent merely because that participant appears in the history of the dispute. Each finding must identify the actor, statement or document, the material falsity or omission, the proceeding affected, the evidence establishing knowledge or recklessness where required, and the resulting effect upon the integrity of the adjudicative process.

Subject to those safeguards, the Court is further requested to find that a judicial system may not fairly use a party-exclusion theory - "not a party to the matter" - to deny a person or trust an opportunity to be heard, while at the same time using a different identity, capacity, generalized ideological label, or derivative record to impose restrictions, default consequences, property consequences, or credibility determinations upon that person or trust without a traceable adjudicative basis. If proven in the identified proceedings, such conduct is not a harmless clerical discrepancy; it is a material integrity-of-the-record issue requiring correction and appropriate relief.

ORDERED RELIEF REQUESTED

1. Every relevant California, Nevada, federal, appellate, Tax Court, and related consular/private record shall remain separately identified by case number, caption, party roster, judicial assignment, jurisdictional basis, and date.

2. No person, trust, estate, beneficiary, trustee, executor, or other capacity shall be treated as interchangeable solely because a similar name appears in another record.

3. Any historical use of "vexatious litigant" or "sovereign citizen" terminology shall be attributed to the exact source in which it appears and shall not be presented as an uncontested identity fact or organizational affiliation.

4. Any record relying upon a default, service return, replevin verification, representative signature, or attorney authority shall identify the source document and the person or entity whose authority is asserted.

5. Where a source record states that a person or trust was not a party, any later act imposing consequences upon that person or trust shall identify the order, service, joinder, substitution, agency theory, capacity ruling, or other authority supporting that result.

6. Conflicting records shall not be silently reconciled. Both versions shall be preserved and the later correction, amendment, or source authority shall be identified.

7. Any finding of court-record fraud or fraud upon the court shall be entered actor-by-actor and transaction-by-transaction, based upon the exhibits and testimony actually supporting that finding.

8. Nothing in this proposed order shall be construed as a finding against an actor for whom the present evidentiary record establishes only association, representation, employment, or appearance in a proceeding.

SUPPLEMENTAL FINDINGS - EMPLOYER / PHYSICIAN NOTICE, DISPUTED SERVICE, AND SOURCE-PROVENANCE

A. Preexisting written notice and claimed injuries. The evidentiary record includes a written Affidavit of Truth / Notice containing a disclosures and fee-schedule section setting out asserted injuries, rights, objections, and stated monetary consequences. The document is offered to show that the positions and claimed injuries were reduced to writing and communicated before later disputed events. The amounts stated in that notice remain asserted amounts unless independently established by judgment, contract, statute, competent damages evidence, or other enforceable authority.

B. Dr. M. Shimizu stamp and medical-office notice. The face of the preserved notice bears a visible stamp identifying Dr. M. Shimizu, M.D., together with an office address shown on that stamp as 10100 W. Charleston Blvd., Las Vegas, Nevada, and telephone/fax information. The stamp is relevant to receipt, possession, office notice, or acknowledgment, but the precise meaning of the stamp - including who placed it, when, and whether it reflects personal receipt by Dr. Shimizu or administrative receipt by an office - must be determined from the original document and testimony.

C. Related physician affidavit and Banburry Cross medical office. A separate affidavit preserved in the record identifies a lead physician at 10105 Banburry Cross Dr., Suite 150, Las Vegas, Nevada, describes that location as a medical office rather than an abode, and addresses Princess Emilily Hotep El's employment/ medical circumstances. The record therefore contains evidence connecting the supervising-physician/ employment environment to the Banburry Cross medical office. The Court should preserve the distinction between the 10100 W. Charleston address visible on the stamp and the 10105 Banburry Cross address appearing in the physician and service records; they should not be described as the same street address without additional proof.

D. Process-server declaration. The filed declaration of service in Ally Bank v. Monica Rene Hall states that John White purported to serve MONICA RENE HALL by substitute service at Summerlin Banburry Cross Healthcare Center, 10105 Banburry Cross Dr., Suite 150, Las Vegas, Nevada. The declaration characterizes that medical-office location as the defendant's usual place of abode and states that the papers were left with a person identified in the declaration as 'Saban Okuin,' who allegedly confirmed that the defendant resided there and was an employee.

E. Susanna Oquin affidavit creates a direct factual conflict. Susanna Oquin's sworn affidavit states that she was a front-desk receptionist at SMA, 10105 Banburry Cross Dr., Suite 150; that she was not related to Princess Emilily Hotep El; that John White appeared seeking to serve a person named MONICA RENEE HALL; that she told him no person by that name worked there; and that he left envelope documents on her desk before Princess arrived for work. The Court is requested to compare this sworn account directly with the process-server declaration and make a specific finding concerning the identity of the recipient, the character of the premises, what the recipient actually stated, and whether the service representation was accurate.

F. Nevada court's separate party-status statement. The June 23, 2022 Nevada minute order states that Princess Emilily Hotep El was not an individual party to Ally Bank v. Monica Renee Hall and was not listed as an attorney in that case. That statement must be preserved alongside the disputed service evidence. If judicial consequences were later imposed upon Princess, a trust, or another separately identified capacity, the source of jurisdiction, joinder, service, substitution, agency, or other authority should be identified.

G. Material integrity-of-the-record issue. If the Court finds from the original return of service, Susanna Oquin affidavit, physician evidence, employment records, party-status order, and other exhibits that a medical office was knowingly or recklessly represented as an abode, that the recipient's statements were materially misstated, or that service upon one identity was used to obtain consequences against another person or trust without lawful basis, the Court is requested to determine whether the proven conduct constitutes court-record fraud, fraud upon the court, defective service, misrepresentation, or other misconduct under the law governing

the proceeding. Such a finding must identify the actor, false or misleading representation, materiality, evidence, and resulting judicial consequence.

H. Employer / executive-authority theory. Petitioners further contend that employer-side withholding and identity events involved misuse of corporate or executive authority and may constitute an executive-impersonation, business-email-compromise, or 'CEO fraud' type of scheme if the evidence establishes impersonation or deceptive use of executive authority. The Court should not apply that label merely because an employer or executive was involved. It should determine the origin and authenticity of the purported governmental instruction, who generated or transmitted it, what payroll action followed, what funds were withheld, and what governmental records corroborate or contradict the asserted authorization.

I. Notice chronology. The Court is requested to evaluate notice chronologically, including earlier police reports, FTC/CFPB or other agency claims, identity-theft records, written affidavits/notices, employer/ physician-office evidence, court filings, attorney and bank notices, Consular Court proceedings, asserted defaults and judgments, writ/enforcement activity, and later challenged conduct. Chronology and notice may support an inference, but retaliatory or coordinated intent should be found only where evidence connects the identified actor's knowledge to the later act.

SUPPLEMENTAL ORDER REQUESTED

1. The original process-server declaration, Susanna Oquin affidavit, physician/employer evidence, and June 23, 2022 Nevada minute order shall be reviewed together rather than in isolation.

2. The record shall expressly distinguish 10100 W. Charleston Blvd. from 10105 Banburry Cross Dr., Suite 150. Any asserted relationship between those locations shall be established by competent evidence rather than assumed from the presence of the same physician or employer network.

3. The Court shall determine whether the Banburry Cross medical office was an abode, workplace, or other type of premises at the time of attempted service and whether the recipient had the relationship to the named defendant required by the governing service rule.

4. The Court shall determine whether the person whom the process server identified as 'Saban Okuin' is the same person as affiant Susanna Oquin and, if so, resolve the material conflicts between the declaration of service and her sworn affidavit.

5. No default, enforcement consequence, identity attribution, or capacity determination shall be treated as validated by the disputed service record without the Court first resolving the material factual conflicts identified above.

6. Any finding of court-record fraud or fraud upon the court arising from these events shall state the specific actor, representation, evidence of falsity or material unreliability, knowledge or recklessness where required, materiality, and effect upon the judicial proceeding.

APPENDIX C - SUPPLEMENTAL EXHIBIT INDEX

Exhibit N - Preexisting Affidavit of Truth / Notice and Disclosures bearing the visible Dr. M. Shimizu, M.D. office stamp; offered for notice, chronology, and source-provenance purposes.

Exhibit O - Declaration of Service of Summons and Complaint by John White in Ally Bank v. Monica Rene Hall, Case No. A-21-843907-C, identifying purported substitute service at Summerlin Banburry Cross Healthcare Center, 10105 Banburry Cross Dr., Suite 150.

Exhibit P - Affidavit of Susanna Oquin concerning the January 2022 service attempt at SMA / Banburry Cross and her statement that no person named Monica Renee Hall worked there.

Exhibit Q - Physician affidavit identifying the medical office at 10105 Banburry Cross Dr., Suite 150 as a medical office rather than an abode and addressing Princess Emilily Hotep El's employment/medical circumstances.

Exhibit R - Nevada June 23, 2022 Minute Order in Case No. A-21-843907-C stating that Princess Emilily Hotep El was not an individual party to the case.

Exhibit S - United States Tax Court Docket No. 2426-22, including docketed affidavits of Michele Shimizu, Susanna Oquin, and other witnesses and the jurisdictional record.

Exhibit T - Employer / withholding and identity records, together with any authenticated payroll records, IRS correspondence, FTC/CFPB materials, police reports, and related source documents relied upon by the Affiants.

Exhibit U - Prior notice, Consular Court VIII, asserted default/judgment, Wayne County Sheriff's Office writ/ service, and related enforcement records, to be included only in the form supported by the original source documents.

EVIDENTIARY LIMITATION: Inclusion of an exhibit establishes that the document is being presented for review. It does not, by itself, establish the truth of every assertion contained in the exhibit or the legal effect claimed for it.

SUPPLEMENTAL FINDINGS - PREEXISTING NOTICE, PAYROLL / WITHHOLDING, PROPERTY OWNERSHIP, RECORDER NOTICE, AND ALLEGED DESTABILIZATION EVENTS

A. Payroll / withholding records. The record includes payroll statements identifying Robert B. McBeath, M.D. II PC and Princess Emilily Hotep El and reflecting payroll deductions, including federal withholding, Medicare/OASDI, and other deductions. These records are offered as contemporaneous evidence of the employment/payroll relationship and the deductions actually reflected on the pay statements. The payroll statements, standing alone, do not establish the ultimate recipient or disposition of every withheld amount. Any finding concerning diversion, non-remittance, unauthorized withholding, or executive responsibility shall therefore be tied to authenticated payroll, employer, IRS, banking, or other transmission records.

B. Preexisting employer / IRS notice. The record contains a 2020 written notice directed to CEO Dr. Robert McBeath, Southwest Medical Associates, and third parties disputing the reporting and handling of Princess Emilily Hotep El's identifying and tax-related information. The notice demonstrates that the dispute was reduced to writing before the later state-court, property, service, and enforcement events. Allegations contained in that notice remain allegations unless independently established by admissible evidence or a competent adjudication.

C. HOA and property-ownership notice. The record contains written notice to Nevada Community Management and HOA counsel stating that the property was held within the Monica Rene Hall Estate Trust and identifying Princess Emilily Hotep El as beneficiary. The notice also demanded cessation of alleged invasion, trespass, harassment, and related conduct. The evidentiary significance is notice and source provenance: the reviewing Court should determine what the HOA, management company, and counsel actually received, when they received it, and what actions followed.

D. HOA counsel's documented knowledge. The preserved January 5, 2021 HOA-counsel record identifies counsel for the Timberlake Street and Landscape Maintenance Association, addresses Princess Emilily Hotep El and Prince Ra Hotep El, references the prior November 11, 2020 communication supplied by the Board, and discusses the Clark County property record. This evidence should be used to determine the knowledge and

notice actually attributable to the Association, management, and counsel, without presuming that every later actor possessed the same information.

E. Recorder / Debbie Conway notice and property-record dispute. The record contains a later notice directed to Debbie Conway, D.B.A. Clerk County Recorder, challenging the Recorder's treatment of Trust and property documents and demanding a stated legal basis for refusing, blocking, or otherwise declining recordation or public inspection. This document is offered to establish the submitting parties' notice, objections, requested corrections, and chronology. Its allegations are not treated as independent proof of misconduct unless corroborated by the Recorder's records, orders, testimony, or other competent evidence.

F. Claimed pattern of destabilization and resulting harm. Petitioners contend that later events affected their names, credibility, business relationships, bank and credit-union accounts, property interests, employment, and other economic relationships. They further identify additional incidents involving an alleged fraudulent dog-sale transaction, an NFT / website-marketing transaction in which the represented smart-contract or marketing arrangement allegedly did not become operational, publication of disputed property information, and alleged interference with private or governmental records. These matters shall be maintained as separate incidents unless and until evidence establishes common actors, communications, agency, coordination, knowledge, ratification, or another legally sufficient causal connection.

G. Newspaper publication and subsequent removal. Petitioners contend that a Nevada legal publication reported that the home had been foreclosed upon and that 'squatters' occupied the property, and that the material was later removed after challenge and the filing of a lien or claim. The publication, removal, identity of the publisher, date, source of the underlying information, and any notice received by the publisher should be proved through the original publication, archive, correspondence, filing, and publisher records before any finding of defamation, libel, fraud, or coordinated conduct is entered.

H. Additional fraud / scam incidents. The alleged poodle-sale and NFT / website incidents should be preserved as independent fraud or misrepresentation allegations. For each incident the record should identify the speaker or seller, phone number or email used, payment recipient, representations made, payment method, promised performance, subsequent communications, and any police, FTC, CFPB, banking, platform, or other complaint record. No connection to the employer, HOA, attorneys, banks, courts, governmental actors, or other respondents shall be presumed without evidence.

I. Causation and actor-by-actor findings. The Court is requested to distinguish: (1) established source facts; (2) statements made in affidavits or notices; (3) disputed allegations; (4) authenticated third-party records; and (5) requested legal findings. Any finding of retaliation, malicious prosecution, slander, defamation, libel, fraud, court-record fraud, fraud upon the court, unlawful search or seizure, or coordinated destabilization shall identify the particular actor, act, date, affected person or trust, evidence of knowledge or intent where required, causal connection, and resulting injury.

APPENDIX D - EXPANDED NOTICE / HARM / CAUSATION EXHIBIT INDEX

Exhibit V-10 - Employer payroll/pay-stub records for Princess Emilily Hotep El showing the employer/payroll identity and deductions reflected on the statements.

Exhibit V-11 - 2020 employer / IRS notice directed to CEO Dr. Robert McBeath, Southwest Medical Associates, and related recipients, offered to establish preexisting notice and chronology.

Exhibit V-12 - HOA / Nevada Community Management / counsel notice concerning the Monica Rene Hall Estate Trust, Princess Emilily Hotep El, property ownership/capacity, and demanded corrections or cessation of challenged conduct.

Exhibit V-13 - Notice to Debbie Conway / Clark County Recorder concerning Trust and property records, recordation, inspection, and requested legal basis for challenged Recorder conduct.

Exhibit V-14 - Original or archived Nevada legal-publication material, together with any challenge, removal correspondence, lien/claim filing, and publisher response, if authenticated.

Exhibit V-15 - Dog-sale transaction evidence: advertisement, communications, payment record, represented Denver location, recipient information, and complaint/report records, if available.

Exhibit V-16 - NFT / website-marketing transaction evidence: phone/email communications, agreement, payment records, smart-contract records, website-development representations, wallet/platform records, and complaint materials, if available.

Exhibit V-17 - Bank and credit-union records offered to establish specific account restrictions, closures, inquiries, communications, or other claimed interference, with dates and institutional source records.

Exhibit V-18 - Governmental or state-record evidence offered to establish any specific deletion, alteration, rejection, disappearance, or later restoration of documents, including audit logs or custodian records where obtainable.

EVIDENTIARY LIMITATION: Placement of an item in this index means that it is identified for preservation and review. It does not by itself establish that a crime, tort, conspiracy, governmental participation, agency relationship, retaliatory purpose, or coordinated scheme occurred. Those findings must be made from the underlying authenticated records and testimony, actor-by-actor and transaction-by-transaction.

FINAL DISPOSITION

Subject to the jurisdictional and evidentiary limitations stated above, the record is ORDERED clarified and preserved in accordance with this Judgment. Any legal team presenting this proposed form may modify the findings and relief to conform to authenticated exhibits, governing law, service, jurisdiction, and the specific relief sought.

IT IS SO ORDERED.

HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII

COURT OF RECORD

FILED: October 9, 2026 — 9:09 a.m.

Clerk of the Court: Chief Justice Maria Ali Dey

NOTICE OF RECORD INCONSISTENCY AND REQUEST FOR DETERMINATION

Party identity • service • restitution chronology • judicial assignment • separate federal records

Prepared for legal-team review • October 9, 2026 • Not a judicial determination

I. Proceedings and purpose

Nevada: Eighth Judicial District Court, Clark County, No. A-21-843907-C (Ally Bank v. Monica Renee Hall). Related Nevada restitution matter: Justice Court No. 23C006611 (exact writ date and case linkage to be confirmed from certified docket). Federal: District of Nevada No. 2:22-cv-00874-APG-DJA. Appellate: Ninth Circuit No. 22-70183. California: related real-property proceeding involving Judge Wendy Chang and substituted Judge James E. Blancart (19STLC03737).

This Notice asks for preservation, side-by-side comparison, and determination of material record discrepancies. It does not ask the reviewer to infer motive, fabrication, improper reassignment, or an invalid judgment merely from differences in descriptions or dates.

II. Source-supported facts and disputed assertions

Nevada caption and early objection

The March 7, 2022 stamped filing in A-21-843907-C captions the defendant "MONICA RENEE HALL" and expressly objects that another default record used "MONICA RENE HALL." The asserted further sequence "MONICA R HALL" and "MONICA HALL" must be mapped to each particular dated filing before being described as a verified chronology.

Party capacity and service

The prior draft identifies a June 23, 2022 minute order describing Princess Emilily Hotep El as not individually a party or attorney in the Nevada case; it also identifies Ally Bank's contrary assertion that Monica Rene Hall and Princess Emilily Hotep El were the same person. The service declaration and Susanna Oquin affidavit are identified as conflicting sources concerning substitute service at Summerlin Banburry Cross Healthcare Center. Obtain and compare the complete originals.

Military-status inquiry

A Defense Manpower Data Center SCRA status report names MONICA HALL with no middle name, uses February 28, 2023 as the status date, and reports "No" for active duty. The exhibit bears an April 8, 2023 electronic filing stamp. The report does not affirmatively identify Army Reserve service, property ownership, residence, or the person's identity beyond the query fields.

Military-related profile

A separate screenshot in the same seven-page exhibit displays a LinkedIn profile for "Monica Hall," describing a military professional and Army National Guard experience. Its identity, authenticity, and connection to the litigant or real property are not established by the screenshot alone. The submitting party and purpose should be confirmed from the docket filing and accompanying motion.

Property and restitution

Petitioners state that the military-related identity did not belong to a person residing at, named on the deeds of, or otherwise tied to the California or Nevada property, and that the documentation preceded a May 2023 writ/restoration process. These are asserted facts pending comparison with title, occupancy, writ, and service records. The May 4 writ date and May 10 removal date should be checked against certified documents.

California judicial assignment

Petitioners question the change in judicial handling from Judge Wendy Chang to Judge James E. Blancart. The issue is the existence, date, notice, and authority of any assignment or reassignment; no adverse inference is requested absent the actual docket and orders.

Federal opinion and provenance

The September 2022 District of Nevada materials, subsequent trial-court-opinion publication, and September 21 correspondence should be compared as separate sources. A website publication or retrieval date is not by itself evidence that an original order was created or changed later. Attribute any "sovereign citizen" wording only to a source that actually contains it.

Separate proceedings

District of Nevada No. 2:22-cv-00874-APG-DJA and Ninth Circuit No. 22-70183 must retain their own captions, parties, capacities, and jurisdictional histories. Do not import the Nevada Ally Bank caption or party roster into either proceeding.

III. Requested documentary determinations

• Identify the precise docket entry and filing party for each MONICA RENEE HALL / MONICA RENE HALL / MONICA R HALL / MONICA HALL designation.

• Identify who requested the February 28, 2023 SCRA inquiry, the identifying fields provided, and whether any motion represented the named individual as an Army Reserve or National Guard member.

• Identify the court ruling, if any, relying on the status report or profile to determine identity, service, default, title, or restitution.

• Reconcile the substitute-service declaration with the receptionist affidavit and the differing party-status positions.

• Produce the dated writ, proof of service, and judicial record for Justice Court No. 23C006611, distinguishing issuance from execution or physical removal.

• Identify the California assignment/reassignment entries and any notice or order authorizing Judge Blancart to act after Judge Chang.

• Preserve the original federal docket order, Ninth Circuit communications, later online opinion versions, and associated metadata without presuming alteration.

IV. Proposed exhibit index and verification status

A — Stamped Nevada motion in A-21-843907-C (March 7, 2022 caption and objection; available).

B — Seven-page military-status and property exhibit (February 28 inquiry; April 8 filing stamp; available).

C — June 23, 2022 minute order; Ally Bank response; declaration of service; Susanna Oquin affidavit (identified in prior draft; originals required).

D — Justice Court No. 23C006611 writ, issuance and execution records (required).

E — California docket and reassignment records for Judges Chang and Blancart (required).

F — Original September 2022 federal order, docket sheet, later published opinion and appellate correspondence (required).

G — Certified deeds, chain-of-title, and occupancy evidence for the two properties (required).

V. Preservation of issues

No finding is requested on fraud, intent, judicial misconduct, valid service, jurisdiction, title, or entitlement to damages without competent evidence and a legally authorized adjudication. Petitioners preserve their positions concerning identity, service, notice, party capacity, due process, property loss, business loss, and claimed damages, subject to proof of causation and applicable law.

PROPOSED ORDER CONCERNING RECORD PRESERVATION AND DETERMINATION

Party status • service • defendant identification • related proceedings

Prepared for legal-team review • October 8, 2026 • Not a judicial determination

PROPOSED FORM ONLY — NOT EFFECTIVE UNLESS ENTERED BY A COURT WITH JURISDICTION

Recitals

Upon consideration of the Notice of Record Inconsistency and Request for Determination, any verified docket extracts, declarations, title records, service documents, and responses properly submitted, the Court makes only findings supported by competent evidence. The following provisions are proposed, not adjudicated.

Proposed findings limited to documentary descriptions

1. The March 7, 2022 Nevada filing captions the defendant MONICA RENEE HALL and raises an objection to the separate designation MONICA RENE HALL & MONICA R HALL.

2. The Defense Manpower Data Center report in the submitted exhibit identifies MONICA HALL, without a middle name, and records a "No" active-duty result as of February 28, 2023; the exhibit is stamped electronically filed April 8, 2023.

3. The separate LinkedIn screenshot depicts a Monica Hall profile with an Army National Guard description; the screenshot alone does not establish that the person is the defendant, a titleholder, or an occupant.

4. The submitted materials identify competing accounts concerning party status and substitute service. The Court makes no service-validity finding without reviewing the full declaration, affidavit, and applicable rules.

5. The federal district court action No. 2:22-cv-00874-APG-DJA and Ninth Circuit proceeding No. 22-70183 are separate records; neither is automatically governed by the Nevada caption.

6. The asserted California judicial assignment transition from Judge Wendy Chang to Judge James E. Blancart requires verification through the California court's docket and orders.

Proposed directions / relief

IT IS PROPOSED THAT: Preserve the original docket captions and all variations without silently substituting one for another.

IT IS PROPOSED THAT: Direct that the party submitting the SCRA report identify the purpose of its submission and the basis, if any, for associating the queried identity with the defendant.

HOUSE OF JUDAH CONSULAR COURT TRIBUNAL XIII | RECORD REVIEW

IT IS PROPOSED THAT: Consider the declaration of substitute service together with the Susanna Oquin affidavit, and state the legal and factual basis of any resulting service determination.

IT IS PROPOSED THAT: Require any finding of party identity, title, or residency to identify the documents supporting that finding.

IT IS PROPOSED THAT: Preserve the Justice Court No. 23C006611 writ chronology separately from the date of any physical removal.

IT IS PROPOSED THAT: Maintain the California judicial-assignment inquiry as a distinct issue, to be determined from authenticated docket and assignment records.

IT IS PROPOSED THAT: Preserve the original September 2022 federal order, later publication, and appellate correspondence as distinct sources; attribute any ideological description only to its actual source.

IT IS PROPOSED THAT: Reserve all questions of fraud, misconduct, invalidity, causation, damages, and other substantive relief for a properly noticed proceeding with jurisdiction and admissible proof.

Limits and execution

Nothing in this proposed order purports to amend a state or federal court docket, vacate a judgment, adjudicate title, compel an independent court, or establish damages absent proper jurisdiction and process.

Any adopted relief must be tailored to the issuing tribunal's authority.

Case No[s]. A-21-843907-C (Ally Bank v. Monica Renee Hall). Related Nevada restitution matter: Justice Court No. 23C006611 (exact writ date and case linkage to be confirmed from certified docket). Federal: District of Nevada No. 2:22-cv-00874-APG-DJA. Appellate: Ninth Circuit No. 22-70183.

AFFIDAVIT OF FACTS AND EVIDENCE

princess emilily hotep el

Identity, Capacity, Documentary Notice, Record Provenance, Property and Evidence Preservation

I, Princess Emilily Hotep El, being competent to testify concerning matters within my personal knowledge, declare as follows. Where I refer to court, governmental, trust, tax, employment, insurance, property, or other documentary records, I rely upon the source documents preserved with the related record and exhibits.

1. I am Princess Emilily Hotep El. I submit this Affidavit to preserve the factual and documentary record concerning my identity, trust and beneficiary capacities, property interests, court access, identity discrepancies, insurance claims, and characterizations attributed to me by courts, attorneys, financial institutions, insurers, agencies, and other third parties.

2. I expressly reject the characterization 'sovereign citizen.' I do not adopt that expression as my identity, nationality, political affiliation, religious affiliation, trust capacity, or legal status. I request that any use of that characterization be traced to its originating filing, order, author, date, evidence, and asserted legal relevance.

3. I contend that the use of vexatious-litigant and later 'sovereign citizen' terminology materially harmed the credibility of my filings and impeded individualized consideration of identity, capacity, jurisdiction, service, title, trust interests, tender, foreclosure, repossession, insurance, and due-process issues. I state the claimed effect and motive as my contention; I request that any tribunal determine intent from admissible evidence.

4. The California record concerning Case No. 19STLC03737 should be examined source by source. The preserved docket identifies the parties and reflects an April 18, 2019 assignment to Hon. Wendy Chang in Department 94. A later VL-100 prefiling order dated December 17, 2019 identifies Monica Rene Hall as the person subject to that order and bears the name of Judicial Officer James E. Blancarte. I request that no restriction applicable to one named person be silently extended to a separately identified trust, estate, beneficiary, trustee, executor, or later name/capacity without an identified source order and legal basis.

5. Documents concerning the Priestess Princess Emilily Hotep Trust, tax status, identity, and asserted foreign-status documentation were submitted or relied upon in the related matters. I identify those materials to establish notice and provenance, not to assert that filing a document automatically compelled a court to accept every legal conclusion stated within it.

6. My records contain significant name discrepancies. Among the records preserved is an IRS withholding-compliance document associated with Southwest Medical Associates in which the mailing envelope identifies Princess Emilily El while the employee copy identifies Monica Hall. I request source-by-source treatment of these identity variations rather than an assumption that every variation, alias, trade name, trust, estate, or capacity is interchangeable.

7. I have raised identity-theft concerns and relied upon governmental identity-theft records. I request that any court or agency evaluating those concerns rely upon the actual California DOJ, NCIC, FTC, police, agency, and other source documentation and identify what each document actually establishes.

8. I contend that during the relevant California and Nevada property disputes, including the COVID-19 period, I was attempting to protect property and interests claimed to be held in trust. I request a proceeding-by-

proceeding determination of who was a party, in what capacity, what property was implicated, what service occurred, what judicial officer exercised authority, and what legal authority supported each adverse action.

9. I contend that foreclosure, collection, possession, and related activity continued while disputes existed concerning identity, trust capacity, standing, debt-collection authority, title, service, tender, and access to judicial review. I request that those issues be determined from the original contracts, assignments, licenses, exemptions, title records, service records, court orders, and other authenticated source evidence.

10. I further contend that confidential records maintained in the home office relating to the original members and development of the Indigenous Peoples Federal Credit Union were lost or removed during the property events. Those materials included names, addresses, Social Security information, and other private organizational records. I state from personal knowledge that such records were maintained as confidential materials; attribution of their physical removal to any particular actor should be based upon evidence of access, possession, removal, transfer, or receipt.

11. I contend that third-party collection, repossession, asset-recovery, foreclosure, towing, or related communications reached family members and other persons, including persons in Denver, Colorado and Detroit, Michigan, and that statements concerning us subsequently reached friends and associates. Each such communication should be evaluated from preserved calls, messages, declarations, business cards, emails, and other source evidence before any ultimate finding of defamation or unlawful collection conduct.

12. I request that the records involving Aldridge Pite Haan LLP/Aldridge Pite LLP, Ally Bank, Ally Financial, Fannie Mae, PennyMac, Select Portfolio Servicing, National Default Servicing Corporation, Fidelity National Title, LeaderOne, HOA/management actors, asset managers, towing/recovery actors, debt collectors, and other identified participants be preserved separately according to each actor's documented role rather than merged into a single unsupported conclusion.

13. I further request preservation of the State Farm claim history. The relevant record should identify what State Farm received concerning the property events and alleged governmental or municipal participation; what additional information State Farm requested; the status assigned to each claim; any representation that a claim was approved or remained under review; any later closure or denial; and the documentary basis and decision-maker for each change in position.

14. I identify newspaper publications and other public notices as part of the notice history where proof of publication and the actual notice are preserved. Where a stated thirty-day response period expired without a response located in the preserved record, I request that the record state only that no response or challenge has been located during that stated period, rather than treating silence alone as an automatic judgment or judicial admission.

15. I contend that the affected property and economic interests included residential property, a motor vehicle, recording- and film-studio operations and equipment, lighting and production equipment, precious metals, banking and contractual opportunities, intellectual property, NFTs, music and publishing interests, and development of an Indigenous-focused federal-credit-union project. Any dollar amounts I claim for those interests are asserted valuations and claimed damages unless and until supported or adjudicated through appraisals, inventories, contracts, financial records, judgments, or other competent evidence.

16. I request correction by provenance. The original source record should establish who was named, in what capacity, before which tribunal, on what date, and under what order. Where a later docket entry, database, opinion, publication, or summary differs materially from the contemporaneous record, both versions should be preserved and the authority for the later change identified.

DECLARATION AND VERIFICATION

I declare under penalty of perjury under the laws applicable to the forum in which this affidavit is submitted that the foregoing statements concerning my personal identity, my own actions, my own positions, and matters

within my personal knowledge are true and correct. Matters expressly identified as contentions, recollections, valuations, or matters based upon documents are stated as such and are believed by me to be true.

AFFIDAVIT OF FACTS AND EVIDENCE

prince ra hotep el

Identity, Capacity, Documentary Notice, Record Provenance, Property and Evidence Preservation

I, Prince Ra Hotep El, being competent to testify concerning matters within my personal knowledge, declare as follows. Where I refer to court, governmental, trust, tax, employment, insurance, property, or other documentary records, I rely upon the source documents preserved with the related record and exhibits.

1. I am Prince Ra Hotep El. I submit this Affidavit to preserve the factual and documentary record concerning my identity, trust, executor, trustee, beneficiary and representative capacities where applicable, property and business interests, court access, third-party communications, insurance matters, and characterizations attributed to me.

2. The Nevada Secretary of State records concerning the Priest Prince Ra Hotep Trust are relevant to the identity and capacity notice supplied in the related record. I identify those documents to establish what was registered or presented, not to assert that registration automatically determines every jurisdictional or legal question.

3. I expressly reject the characterization 'sovereign citizen.' I do not adopt that expression as my identity, nationality, political affiliation, religious affiliation, trust capacity, or legal status. If that characterization was attributed to me, I request identification of the exact filing, order, database entry, communication, author, evidence, and legal basis from which it originated.

4. I contend that vexatious-litigant and later 'sovereign citizen' terminology was used in a manner that harmed the credibility of our filings and impeded individualized consideration of identity, capacity, jurisdiction, service, title, trust interests, tender, foreclosure, repossession, insurance, and due-process issues. I state claimed motive and effect as my contention and request determination from admissible evidence.

5. My personal identity must be distinguished from any appearance in a representative capacity. A trust, estate, business trust, trade name, beneficiary, trustee, executor, or representative designation should not be silently converted into personal party status without an identified operative pleading, service record, order, amendment, or other source authority.

6. In the Ally-related Nevada record, I understood myself to be communicating concerning trust and property interests rather than holding myself out as a licensed attorney for unrelated persons. Where a court or litigant attributed unauthorized-practice or ideological conclusions to my conduct, I request identification of the exact conduct, capacity, rule, evidence, and ruling supporting that conclusion.

7. I personally recall communications with an individual identifying himself as C. Gonzalez in connection with Ally. I understood him to be associated with Ally and retained the business card associated with that encounter. My recollection is that he made statements concerning whether Aldridge Pite had been retained and concerning the vehicle account, Ally Bank/Ally Financial, and the tender/payment issue. These statements are my firsthand recollection and should not be represented as an authenticated corporate admission unless independently established.

8. I contend that tender and payoff materials were submitted concerning the vehicle and other obligations. I request that the legal effect of each tender be determined from the actual instrument, creditor response,

account ledger, acceptance or rejection, governing agreement, and applicable law rather than from characterization alone.

9. I contend that confidential records maintained in the home office concerning the original members and development of the Indigenous Peoples Federal Credit Union were lost or removed during the property events. These materials included names, addresses, Social Security information, and other private organizational records. I request that responsibility for their physical removal or later possession be determined from evidence of access, custody, removal, transfer, receipt, or use.

10. I contend that collection, repossession, asset-recovery, foreclosure, towing, and related actors communicated with family members and other third parties, including persons in Denver, Colorado and Detroit, Michigan, and that statements concerning us reached friends and associates. Each communication should be identified by recipient, approximate date, caller/company, telephone number if preserved, substance, and supporting evidence before any ultimate finding of defamation or unlawful collection conduct.

11. I request that the roles of Aldridge Pite Haan LLP/Aldridge Pite LLP, Ally Bank, Ally Financial, Fannie Mae, PennyMac, Select Portfolio Servicing, National Default Servicing Corporation, Fidelity National Title, LeaderOne, HOA/management actors, asset managers, towing/recovery actors, debt collectors, insurers, and other identified participants be separately documented according to source evidence.

12. I further request preservation of the State Farm claim history, including what evidence State Farm possessed concerning the property events and alleged municipal or governmental involvement; what information was requested; whether claims were approved, in review, closed, reopened, or denied; who authorized each change; and what new evidence, if any, supported a change from an earlier payment or approval representation.

13. I request that any court orders, subpoenas, or other compulsory process directed to State Farm or other custodians be matched to the recipient's actual response or nonresponse before any finding of noncompliance is made.

14. I identify governmental, tax-exempt, trust, identity, organizational, newspaper, and public-notice documents as part of the historical notice record where their filing, service, publication, or receipt can be established. The existence of those documents establishes notice of the positions asserted; it does not automatically establish every legal conclusion contained within them.

15. I contend that the affected property and economic interests included residential property, a motor vehicle, recording- and film-studio operations and equipment, lighting and production equipment, precious metals, banking and contractual opportunities, intellectual property, NFTs, music and publishing interests, and development of an Indigenous-focused federal-credit-union project. Any monetary figures stated for those interests are asserted valuations and claimed damages unless supported or adjudicated through competent valuation evidence.

16. I request correction by provenance in the California, Nevada, federal, and appellate records. Each record should identify the operative pleading, named parties, capacities, service, judicial assignment, source of any alias or ideological characterization, subsequent amendment or correction, and the authority for any change.

17. Where contemporaneous source records and later summaries materially conflict, I request that both be preserved rather than silently reconciled. No later characterization should be treated as though it appeared in an earlier source document unless the filing, correction, or order establishing that change is identified.

DECLARATION AND VERIFICATION

I declare under penalty of perjury under the laws applicable to the forum in which this affidavit is submitted that the foregoing statements concerning my personal identity, my own actions, my own positions, and matters

"Code of Conduct- At State Farm®, we take our shared value of integrity very seriously. To communicate our Code of Conduct, our Chairman Michael Tipsord shared the following with all associates: Our mission at State Farm is to help people manage the risks of everyday life, recover from the unexpected and realize their dreams. We have thousands of opportunities to build confidence with customers and State Farm associates every day."

We have built a trusted brand by living our values and keeping our promises. Our customers expect us to do the right thing. We depend on each other to do the right thing.
By holding ourselves to the highest standards, we can continue to be there for our customers, helping more people in more ways.

Notice to the Consular Court Tribunal and all venues as to the investigation of "gang stalking" as such we document the following as

possible delays by the insurance company as the climate of today shows many issues listed in the policy as not to approve claim that has nothing to do with the insured as they are not apart of the States nor citizens as to the States involved. The gang stalking ruled illegal by the United States Congress as a form of Terrorism was created by the COPs HOA to get rid of us and take over as us identity theft out of jealousy. As stated in the new document page 4 paragraph 8 Examination Under Oath. It says the I [You] agree: to be examined under oath and subscribe to the same as often as we reasonably require; that employees, members of your household or others will be produced for examination under oath to the extent that it is within your power to do so; to produce, if requested, the remains of the covered property; and d. to produce such records as we may need to verify the claim and its amount, and to permit copies of such records to be made if needed.

Thus this Declaration Agreement and or Contract appears to be newly created as no such communication has been made between the former CEO Chairman[person] and President now President as of March 2024. We are aware of bad faith insurance claims, as such are claims you make when the insurer does not behave in a fair and appropriate way in processing a claim. The Federal and State Laws also say, If an insurer engages in bad faith, we are able to recover compensation for resulting damages I have experienced. In this situations, as due to the amount of tactics taken to stall, delay and deny, the law say that we may be able to obtain additional compensation intended to punish the insurer for its unfair behavior.

The El family has read over the policy and the insurer didn't inform policyholders about the typical negotiation adjustment before they bought their policies. The documents presented as such by the insurer seems to imply that the policy holders known as prince ra hotep el and princess emilily hotep el has never read their policy agreement and as such they have the originals as do the local agency in Las Vegas Nevada Republic [Territory]. The names and positions have been changed upon the recently sent documents as of June 26, 2024. Within the "Liberalization Clause" we have never been given opportunity to a revision which would broaden coverage, change coverage or bring about new signatures under the policy without additional premium within 60 days prior to or during the policy period, the broadened coverage will immediately apply to this policy, as the amount of the monthly payment changed without notice or reason from $162.00 approximately down to $84.00 approximately without notice written notice or therefrom the President as of March 2024.

We have under stress duress and force have done the following ; Performed our duties after the loss. In case a covered loss occurs, we have done everything possible to protect the property [our remaining property] from further loss and have taken all steps possible to minimize any further loss as to the initial loss. Any and all expenses incurred will be borne by you and us proportionate to our respective interests; we have report as soon as practicable in writing to us or our agent any loss or damage which may become a claim under this policy (In case of theft, we've made the police aware); and filed with the company and or our agent or agency located in Las Vegas Nevada Territory, within 90 days after discovery of the loss, and when prompted we signed a sworn proof of loss. As such statement has provided the facts to our knowledge and amount of the loss to the best of our knowledge.

Once again "please be advised" I was never made aware as to the sworn oath raised hand as to whom I was swearing to as to which religion and under what jurisdiction please present this along with a copy of the EUO I am requesting this includes the 20 page document missing or with two blank pages.. Please be advised during the EUO or now called deposition Luke Piatek SUI or Claim Specialist attended then left a few hours or so later.

There was another male voice attending that call and or may was present with Luke Piatek please provide that persons name and position and reason for attending the EUO. It appears that the insurer is delaying and acting improperly in handling your covered claim. This goes beyond simply making a mistake in denying a claim. While the exact definition can vary by state, the insurer generally must have acted unreasonably or egregiously in wrongfully denying coverage you deserve. In some cases, you must also prove the insurer acted intentionally, purposefully preventing you from getting the coverage you paid for.

The Duty of Good Faith - When we entered into the original contract, with the former agent and agency in Las Vegas Nevada Territory there is and was an implied covenant of good faith and fair dealing. This means it is understood that the parties to the contract will act in good faith and behave fairly in attempting to fulfill the terms of the agreement. The insurance policy is the contract.

The Company or the insurer have a number of duties to policyholders including:

- A duty to investigate a claim properly
- A duty to defend if a policyholder had liability insurance that covered the claims arising against

• A duty to indemnify, or pay settlement costs or court-ordered damages when a covered claim is made that the policyholder's liability insurance covers as to the notable bill of exchange provided.

• A duty to settle if a reasonable settlement is on the table and protects the insured from out-of-pocket losses that could result from a lawsuit. If the Company known as the Insurer unfairly fails to fulfill these obligations, the insurer will be in violation of the duty of good faith and fair dealing.

On or about January 5, 2024 the Company canceled the home owners policy claiming that the new owner demanded the property by foreclosure Cancellation. As such has been provided to you by the local agent and Agency - Joanne Cuevas office in Las Vegas Nevada Territory the property was by rule of law canceled all mortgages with court orders for release of liens, notice of entry of judgment abasing instrument[s] 20210527-00001754 as well Sec. 108.2415 Nevada Security Instruments of Public Utilities; Mortgages, Deeds of Trust; and Other Liens etc,.The

policy states that we may cancel this policy at any time by notifying us in writing of the date cancellation is to take effect. Before we could cancel your offices located at : State Farm Investment Management Address: 1 State Farm Plaza, Bloomington, IL 61710. When we requested the information of the cancelation and who was the new owner by way of foreclosure and new ownership the local agent and Agency - Joanne Cuevas office emailed a copy of the Mortgage Cancelation as of January 28, 2020 which is owned by the MRH Estate Trust BT. We may cancel this policy only for the reasons stated in this condition. We will notify you in writing of the date cancellation takes effect.

This cancellation notice may be delivered to you, or mailed to you at your mailing address shown in the Declarations. Proof of mailing will be sufficient proof of notice: According to the new policy presented via email on June 26, 2024, Waiver or Change of Policy Provisions. A waiver or change of any policy provision must be in writing by us to be valid. Our request for an appraisal or examination will not waive any of our rights, as to such will be and was implied we have never nor intend on waiving our rights by way of the Constitution and Treaties. The Law states that if they are said to be acting in bad faith, this can lead to a bad faith insurance claim. Unfair Claims Practice Act establishes a cause of action (or right to sue) an insurer that behaves unfairly towards policyholders. Laws passed by legislatures are called statutory law.

According to the policy which is the agreement and or contract a offer for the claim must be made before a claim or suit is filed unless There is evidence of a "Bad Faith Insurance Claim" - showing behaviors an insurer could engage in that could potentially be considered bad faith.

Misconduct on the part of insurers that results in this type of claim include the following:

- The insurer denies a claim without justification **that clearly should be covered**
- The insurer makes an unreasonably low settlement offer for an obviously covered claim
- The insurer refuses to investigate a claim for no reason

• The insurer conducts an investigation into a claim for no good reason as such there was statements made by agent Luke Piatek SUI or Claim Specialist that this was caused to be examined due to the timing of the filing of the policy and the claims therein for the property. It was said that it the claim[s] appeared suspicious of the timing of the filing of the policy as to the fraudulent foreclosure February 23, 2023, and eviction May 10, 2023, being that the policy was filed as of February 2023 when this is not true or fact. The policy began its initiation or initially in act and origin approximately 2021, but delays began due to there were issues with the underwriters, and the pictures videos photos being sent via emails and text messages to the agency of that the Joanne Cuevas office in Las Vegas Nevada Territory.

• The insurer conducts an investigation into a claim for no good reason as such there was statements made by agent Luke Piatek SUI or Claim Specialist that this was caused to be examined due to the timing of the filing of the policy and the claims therein for the property. The Insurer makes such claims by delays - Suit Against Us. No action will be brought unless: there has been compliance with the policy provisions; and the loss has become payable as specified in the CONDITION entitled "Loss Payment". As such due to the issues at hand during this time there was multiple schedules for the agency to come out and take its own photos videos and writings which was delayed again due to the appraisals and documents as proof of purchase and ownership.

Before this time the el family and the trustee managing trustee's presented documents well before this time as to proof of ownership which states otherwise of a foreclosure held online February 23, 2023 at an online auction or auction.com https://www.auction.com/ whereas

there is no history nor record for said property parcel no. 125-21-311-121.

The alleged eviction [illegal search and seizure] as stated by State Farm agents Chris Pool that the property was seized and therefore not insured for coverage and denied the claim. The property owned by the trust was illegally and unlawfully pressed upon due to the prejudices therein the actions of the parties listed whom openly stated online and publicly they hated the identity names and nationality of the beneficiaries of the property prince ra hotep el and cohort princess emilily hotep el.

The Insurer State Farm also said the El family had more than enough time and opportunities to get their property from the home when this is also false and in error. As to such "The insurer" allegedly refused to consider any evidence suggesting a claim should be approved, instead searching only for justification to deny the claim by stating that the El family had more than enough time and opportunities to get their property from the home, and that they should've signed the HOLD HARMLESS AGREEMENT as it was proven and stated that the El family was facing hate crimes and attempts on their lives. Signing such a document would relieve the bad actors and home owner association whom acted in hate from damages to the home itself, to the property inside the home and to their persons or bodies as stated in the HHA.

Allegedly the insurer refused to settle when it is clear the policyholder not is at fault, on a recorded line for quality assurance leaving the policyholder vulnerable to a lawsuit that could result in a damage award exceeding policy limits. Allegedly In bad faith by the insurance company and thus allows a claim to be filed, as the family whom has paid for years into a umbrella policy and when the claim went in for the legal and lawful umbrella to be activated it was stated once again "you lost your home by foreclosure" and there was nothing to do with the umbrella policy rather they continue taking payments to said policy.

The insurance company stated on a recorded line for quality assurance, that they had done a investigation and found by some way that the aboriginal and indigenous Court claims filed within the local Nevada Courts and signed by the clerk of the court was not a real Court. As the evidence that has been presented many times proves this to not be the case or factual. Alleged Damages in a Bad Faith Case - If you can successfully make a bad faith insurance claim against your insurer, you should be entitled to compensation.

The specifics of your damage award depend on many factors including state laws, common law rules in your jurisdiction, the nature of the insurer's misconduct and the actual types of losses you experienced. In general, if an insurer acts in bad faith, you may be entitled to compensation for the following: The El family endured and continually dealing with financial losses as to loss of investment in their own Indigenous People Federal Credit Union, Crypto Currency Defi investments losing over $100,000.00 each for investment over one year ago which is approximately $1,500,000.00 each investor, caused by the insurer's alleged bad faith refusal to process the claim in a timely and efficient manner.

It has been well over one year now as of May 10, 2023. This also caused loss of employment and loss of pecuniary compensation, loss of valuables and investments in recording studio, film, and other dealings for their culture ministry and or adventures. Loss of peace of mind, as to more stress added to the situation as the Insurer decided to deny claims based upon the information presented stated by them on a recorded line and in writing as which stated two different reasons. Alleged future and further court costs and Consul fees necessary, holding the insurer accountable for bad faith Punitive damages by and for its misconduct. Knowing that the El family was homeless forced to leave their home and their property investments and personal items and or property as well loss of life insurance policies leading to other investments.

The El family left the Republic or Territory of Nevada as they were being followed harassed and as well targeted. Having elderly family and friends therein the Territory they did not want to involve others safety and livelihood so they took what they could and traveled far east on the continent.

Statutory penalties imposed by legislation prohibiting unfair claims practices Interest on insurance money that should have been paid out by that was improperly withheld. As it can be alleged and proven that the Insurer delayed denied knowing the tough circumstances the El family was dealing with leaving by force in apparent hopes that the would be no return to a physical and metal level to pursue these matters. It is alleged that the insurance company has acted with intentional dishonesty act by not fulfilling legal or contractual obligations, misleading, entering into an agreement without the intention or means to fulfill it, or violating basic standards of honesty in dealing with others.

Most Territories or Republics known as States recognize what is called "implied covenant of good faith and fair dealing" which is breached by acts of bad faith, for which a lawsuit may be brought (filed) for the breach (or breach of contract). Any actual financial losses from the insurer's bad faith refusal to process the claim in a timely and efficient manner. The El family chose to walk in their heritage and spirituality as peace for the solution and proceeded within the inclusion thereof the purchase of another property in Florida.

The Insurer knowing of this stated to the El family that they were going through the process of approving allegedly the claim and that they should be feeling good about such process. Weeks later when the family was due to place a deposit upon the property of $10,000.00 and thereafter thirty days place the remaining for said purchase the Insurer told the family as they attempted to make contact with Chris Pool, they were told that she was not in the office as of August 16, 2023 approximately the same time the El family and their Consul filed documents such as a Judgement for the property on August 16, 2023.

Damages for emotional distress - After these events the El family refused to accept the denials after denials from the Insurer though heavy hearted depressed and ailments arising such as stress and placed in a position of poverty but not for long, the family had to scramble borrow and scrape to get a rental home for the past ten [10] months for a yearly contract placing more stress and harm to the family as well separated for six [6] months as they had to make attempts to gain employment and or re-open the recording studio for the public side to make surviving pecuniary compensation rather the damage to the equipment and missing items thereof delays further. A woman named Megan an employee whom stepped in on behalf of Chris Pool, on a recorded line stated that due to the El filing the family would have to use their own money funds finances as

such to proceed with the purchase of their home in Florida. She said that the insurance company would not be approving their claim. This is related allegedly to the filing of the Judgment against parties claiming they have right to the property home abode, as the evidence shows they did not as the same evidence is in the hands of the insurer.

Based upon the case law attached herein as the Class action settlement in the name of Sproull, et al. v. State Farm Fire and Casualty Co., Case No. 16-L-1341, it is apparent that the Insurer will allegedly continue to delay with hopes of no possible lawful or legal response. More over alleged statements in other claims filed against the insurer that they bribed a local judge in the higher court so that they could deny claims and suits filed against them. They have also stated on a recorded line that their Titles Aboriginal Government and Nationality was not real nor equal thereto others and such was fraud without bringing a claim against them as accused, rather a tactic to deny the claims therein causing more damages stress and loss.

Gang Stalking IS Community Oriented Policing - Cc NRS § 200.575 is the Nevada law that prohibits stalking. NRS 202.445 - Acts of terrorism or attempted acts of terrorism prohibited; penalties. Two men in a GMC Four door truck black, two one blond hair bearded and the other black hair bearded males stocky built followed the El family into Tennessee February 2023. When they were noticed they put the truck in reverse and drove off hiding their faces, it is believed to be two men from the Company or the HOA and others.

EXHIBIT A

Many of you have signed non disclosures and hold harmless agreements to stalk and hate on your fellow man and woman and the cost is your own lives your children and now what when they are drafted then what,... go stalk the enemy over there,.....you won't you'll go deep into depression and fall deeper asleep as you signed up for fraudulent activities now karmic to destiny.

Harassment techniques include:

1. Surveillance (being followed, electronic surveillance, computer and phone hacking, monitoring all online activities, and bugging of home)

2.Profiles are built to identify any and all weaknesses and insecurities to be used later. Information often obtained through sexual partners or trusted people in their lives.

3.Conditioning where victims are sensitized to certain stimuli such as everywhere you go someone will cough as they walk past you. The goal is to make you self police and then think anyone who coughs is involved in the harassment. People report of conditioning to include hand gestures, an overt use of color in peoples clothing (like everyone you see wearing red) or cars a certain color or with headlights on (also known as brighting).

4. Anchoring where someone will provide false rationales for the harassment. Often many possible rationales are planted to keep the victim confused and the focus of the harassment cycles from one possible reason to another round and around so as to keep the victim guessing in a self perpetuating guessing game where every scenario you are to blame and causes self doubt, fear, intimidation, and ultimately a cycle of destructive thoughts

5. Mobbing (or true gang stalking) where everywhere you go you will see an overt display of people following you and often use words you have been conditioned to or your name to draw your attention

6. Street theatre where a group will "perform" an overt activity like a fake confrontation or scenarios designed to test your reactions. Often takes the form of a couple who position themselves near you and then have a conversation using many of your conditioned words or pertaining to your particular situation and sensitivities.

7.The use of directional speakers which have the ability to direct sound to a single individual in a crowded room. This particular item is ultimately the most used and is often referred to as V2K or Voice to Skull and is used extensively in the psychological breakdown of the victim. The use initially is to cause the victim to doubt their sanity and drive them into the mental health system, and later to just torment and never give the victim a moment of privacy or peace. If they do enter the mental health system, then harassment escalates dramatically as the victim has now been "discredited" and can be labeled as someone with a mental problem if they do speak out about the harassment.

8.The use of electronics to effect your eyesight and balance which was originally developed for the military and police crowd control called "dazzling" and even the ability to make you vomit.

9. Sound campaigns which is a community harassment technique where abnormal levels of sound are directed at the victim and their home. This includes cars deliberately breaking or accelerating when they pass, people talking excessively loudly at all hours of the night, amplification of sound using directional speakers so that external sounds that previously couldn't be heard now can, garbage trucks and other heavy vehicles, and countless other deliberate tactics

10.Sleep deprivation - this is perhaps one of the most insidious tactics used where victims are woken multiple times a night and can be kept awake for days at a time. The effects are dramatic and completely debilitating effecting concentration, mood, irritability, appearance, and significantly impacts all areas of their life - job performance, relationships, and significantly aids in discrediting the victim as they appear unorganized, disheveled, and sleeping patterns alter so they may sleep during the day

(where noise campaigns are more effective) and be awake at night (where they can be painted as the one making noise and being a disruptive member of the community).

11. Baiting or entrapment where victims are harassed to the point that they lash out and commit a crime such as assault, break and enter or vandalism, as they try and locate the source of the harassment. Harassers will actively try to provoke verbal and physical confrontations especially after a period of sleep deprivation. Or they are prompted into an activity which can then be used as leverage such as affairs, sexuality, drug use, or other criminal activity.

12. Gaslighting which is a form of psychological abuse where someone will actively try undermine victims and to make them doubt themselves so that they lose all self confidence and self esteem and are therefor easier to manipulate and push toward the mental health pathway. It can be as simple as being told something which they then deny, then telling them how silly they are for thinking they said it, and turn the lie around into an attack on the person. It can be incredibly effective coming from a trusted person and before the victim understands what is happening to them.

13.Black bag jobs is a term when a harasser breaks into a victims property and places something or deliberately moves something. The purpose is to cause self doubt, and fear that their property is being accessed which harassers try to then sell as paranoia.

14. Propaganda and disinformation is also the other key element to suppress knowledge of this practice as its effectiveness initially requires the victim to be unaware of the existence of gang stalking, gaslighting, or the electronic technologies such as directional speakers so huge amounts of time are devoted online to creating disinformation sites which attempt to discredit victims by pushing the mental health agenda. They achieve this by posing as victims and actively trying to sound crazy so that all victims are are treated as such. Also by creating websites claiming to help victims and being a resource for victims to come together and then harassing them to the extent that they lose hope and no longer reach out for help causing further isolation.

15. Further to the above, gang stalkers rely on disbelief and discrediting and as such much of the harassment is designed (at least initially) to mimic mental health issues. They also rely on their abuse being so extreme, so pervasive, so fundamentally immoral, as to be disbelieved and victims subsequently resort to photographing, videotaping, and sound recording their everyday encounters to disprove the countless unfounded claims made against them - especially in relation to gaslighting, which gang stalkers try to turn around and paint the victims as paranoid or irrational. Victims are made to feel helpless as every attempt to defend themselves is used against them and when they seek help they are met with disbelief or open hostility

EXHIBIT B

United States Congress: Outlaw Organized Community Gang Stalking/Harassment
GangStalking IS Community Oriented Policing

Organized Stalking is a form of terrorism used against an individual in a malicious attempt to reduce the quality of a person's life so they will: have a nervous break-down, become incarcerated, institutionalized, experience constant mental, emotional, or physical pain, become homeless, and/or commit suicide. This is done using well-orchestrated accusations, lies, rumors, bogus investigations, setups, framings, intimidation, overt or covert threats, vandalism, thefts, sabotage, torture, humiliation, emotional terror and general harassment. It is a "ganging up" by members of the community who follow an organizer and participate in a systematic "terrorizing" of an individual.

Organized Stalking is a form of terrorism used against an individual in a malicious attempt to reduce the quality of a person's life so they will: have a nervous break-down, become incarcerated, institutionalized, experience constant mental, emotional, or physical pain, become homeless, and/or commit suicide. It is a "ganging up" by members of the community who follow an organizer and participate in a systematic "terrorizing" of an individual.

Organized gang stalking can involve a group in the hundreds to thousands harassing a single person or family 24/7. The victim is stalked en masse by car, foot, bike, and air in order alienate and isolate the victim. The goals of gang stalking are to: provoke the victim to assault someone and get arrested; make the victim seem delusional/ mentally ill (see "gaslighting"); make the victim so depressed they become suicidal. Tactics used are relentless color harassment, noise harassment, air harassment, hand signals, electronic monitoring inside the home and car (complete invasion of privacy; redirecting of phone calls, emails, postal mail), workplace mobbing, "directed conversation" and innuendo, erratic/ aggressive driving, bizarre/rude/bullying behavior in the community, and much more. Police and fire dept. are often involved in the stalking so the victim feels like they have nowhere to turn and it is hard to prove. This is extreme criminal activity that is becoming more common and needs to be outlawed.

People across the world refer to themselves as “targeted individuals” (TIs) and claim to be the victim of gang-stalking. The New York Times conservatively estimates that there are at least 10,000 people claiming to be victims of gang-stalking. Their perpetrators are typically perceived to be powerful government or law enforcement officials, who are seeking to destroy the life of the TI (Sheridan and James 2016). In retaliation, some have committed extreme violence. This article documents some of those

cases and reviews the limited informational base of gang-stalking. These cases suggest that more research is needed to understand this unexplored belief system.

There are gang stalkers online claiming that the company will not pay out the claims and are dragging things as to delay according to the newly created agreement signed by the now President former CEO Chairman. The stalkers have attempted to delete the videos and responses but our Consulate General Officals were faster than they expected, please advise us on this methods and if are true how does this group of gan stalkers know your move and plans?

Department of Defense - Manpower Data Center

Seaside, CA 93955

The Defense Manpower Data Center (DMDC) is an organization of the Department of Defense (DoD) that maintains the Defense Enrollment and Eligibility Reporting System (DEERS) database which is the official source of data on eligibility for military medical care and other eligibility systems.

The DoD strongly supports the enforcement of the Servicemembers Civil Relief Act (50 USC App. § 3901 et seq, as amended) (SCRA) (formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940). DMDC has issued hundreds of thousands of "does not possess any information indicating that the individual is currently on active duty" responses, and has experienced only a small error rate. In the event the individual referenced above, or any family member, friend, or representative asserts in any manner that the individual was on active duty for the active duty status date, or is otherwise entitled to the protections of the SCRA, you are strongly encouraged to obtain further verification of the person's status by contacting that person's Service. Service contact information can be found on the SCRA website's FAQ page (Q35) via this URL: https://scra.dmdc.osd.mil/scra/#/faqs. If you have evidence the person was on active duty for the active duty status date and you fail to obtain this additional Service verification, punitive provisions of the SCRA may be invoked against you. See 50 USC App. § 3921(c).

This response reflects the following information: (1) The individual's Active Duty status on the Active Duty Status Date (2) Whether the individual left Active Duty status within 367 days preceding the Active Duty Status Date (3) Whether the individual or his/her unit received early notification to report for active duty on the Active Duty Status Date.

More information on "Active Duty Status"

Active duty status as reported in this certificate is defined in accordance with 10 USC § 101(d) (1). Prior to 2010 only some of the active duty periods less than 30 consecutive days in length were available. In the case of a member of the National Guard, this includes service under a call to active service authorized by the President or the Secretary of Defense under 32 USC § 502(f) for purposes of responding to a national emergency declared by the President and supported by Federal funds. All Active Guard Reserve (AGR) members must be assigned against an authorized mobilization position in the unit they support. This includes Navy Training and Administration of the Reserves (TARs), Marine Corps Active Reserve (ARs) and Coast Guard Reserve Program Administrator (RPAs). Active Duty status also applies to a Uniformed Service member who is an active duty commissioned officer of the U.S. Public Health Service or the National Oceanic and Atmospheric Administration (NOAA Commissioned Corps).

Coverage Under the SCRA is Broader in Some Cases

Coverage under the SCRA is broader in some cases and includes some categories of persons on active duty for purposes of the SCRA who would not be reported as on Active Duty under this certificate. SCRA protections are for Title 10 and Title 14 active duty records for all the Uniformed Services periods. Title 32 periods of Active Duty are not covered by SCRA, as defined in accordance with 10 USC § 101(d)(1).

Many times orders are amended to extend the period of active duty, which would extend SCRA protections. Persons seeking to rely on this website certification should check to make sure the orders on which SCRA protections are based have not been amended to extend the inclusive dates of service. Furthermore, some protections of the SCRA may extend to persons who have received orders to report for active duty or to be inducted, but who have not actually begun active duty or actually reported for induction. The Last Date on Active Duty entry is important because a number of protections of the SCRA extend beyond the last dates of active duty.

Those who could rely on this certificate are urged to seek qualified legal counsel to ensure that all rights guaranteed to Service members under the SCRA are protected

WARNING: This certificate was provided based on a last name, SSN/date of birth, and active duty status date provided by the requester. Providing erroneous information will cause an erroneous certificate to be provided.

RE: **CFPB Complaint ID: 232019-10413939**
Mortgaged Property Address: 8461 West Farm Road, Al Morocco Ste 120 163, Las Vegas, NV 89131 ("Mortgaged Property")
Consumer: Prince Ra Hotep EL ("Consumer")

To Whom It May Concern:

Please allow this correspondence to provide a response to CFPB Complaint (ID #: **232019-10413939**) received by LeaderOne Financial Corporation ("LeaderOne"), regarding what appears to be a dispute over the foreclosure of the real property located at 8237 Fawn Brook Ct., Las Vegas, NV 89149 ("Fawn Brook Property") by a non-borrower consumer.

LeaderOne has no records of a loan account with the consumer referenced in the CFPB Complaint, or the Mortgaged Property reflected therein.

LeaderOne's records reflect that the loan and security interest encumbering the Fawn Brook Property was sold to PennyMac Corp. on or about July 13, 2018. LeaderOne's records further reflect that the consumer making the CFPB complaint is not the borrower on the underlying loan. In reviewing the CFPB Complaint, the majority of the consumer's complaints relate to other parties and occurred after the date that LeaderOne sold its interest in the underlying loan and security interest in the Fawn Brook Property. The CFPB Complaint does reference a dispute regarding the date of the loan closing from 2018 and that documents were filed "illegally and unlawfully in the Clark County Records office," however, LeaderOne has no information regarding this allegation and is unable to disclose any account information to a non-borrower/owner on an account it no longer owns or services.

Based on the foregoing, LeaderOne believes that this complaint is unfounded and submitted against LeaderOne solely due to its role as the originating lender on the underlying loan documents.

After your review of this response, please do not hesitate to contact us with any questions. Thank you.

dates of any blemishes on their credit reports to support the lies and made up information so that Aldridge Pite Haan LLP Aldridge Pite llp could purchase debts sold to them and then create very dangerous tactics to force or extort payments. Discrimination - using the tactics by alleging that the real parties in interest the owners of all properties herein was slandered as being anti government people or belonging to such organizations which is false. The Al Moroccan Treaty and the Constitution along with the American Declaration on the rights of Indigenous peoples are clear in all amendment and acts that we as Moors or Al Moroccan Americans do not participate within your society including the disagreeing on how things are done in that society as long as its not pertaining to our indigenous peoples their rights and their freedoms. Fannie Mae nor Fidelity has ever been apart of the records on my private property, I never met with anyone whom alleges to own my private abode allodial title filed publicly. More over the FannieMae accusations are now silenced as we have evidence that the FannieMae dealings wasn't with the Monica Rene Hall Estate Trust beneficiary princess emilily hotep el but with Open Door Corporation located in San Fransisco CA that was closed and final as of April 24, 2018 before I brought the abode and property. Taxing extortion taxation without representation - other property taken such as $104,500.00 USDA from the pecuniary compensation from employer Southwest Medical Robert McBeath LLP. Aldridge Pite Haan llp or Aldridge Pite with a proven relationship with former employer whom both made it possible to appear to be the IRS and take the amount of funds [$104,500.00 by reason of stating "princess emillily hotep el is or was not tax exempt, even while her documentation National Identification Card and other records clearly shows that she's tax exempt registered

with the Department of Justice. Diplomat Princess Emilily Hotep El Empress of Al Morocco Immune Registration No. AA222141 with the U.S. Dept of Justice for Cc: The American Declaration On The Rights Of Indigenous Peoples Executive Order 13175 Cc The United Nations Articles and the Article of the Treaties 1836.The Al Moroccan Moors or the Indigenous peoples have their own Consular Courts Tribunal and Government as stated to all parties with the American Declaration on the Rights of indigenous peoples with all Acts laws tied to the Constitution and Treaties as well the Executive Order 13175. This was ignored and Aldridge Pite Haan llp or Aldridge Pite llp one in the same made very dangerous actions and choices to make a speedy collection of debts that never existed. HOW THEY DESTROY PEOPLE AND COLLECT ALLEGED DEBTS NOT OWED SIMILAR TACTICS LIKE THE KKK - One of Aldridge Pite Haan LLP or Aldridge Pite Llp strategies is to embarrass scare intimidate and make you afraid of them at all cost. Even if someone life was at-stake or in danger. Two They would have people watching the property in both CA and NV and Three make it impossible for the home owners to record public records on their own land making it appear that they are and was alone without support of the local authorities or agencies. They did this by slanderous rumors and defamation of character. By telling local agencies that they princess emilily hotep el and prince ra hotep el did not have rights to own property by slandering them as to being apart of some anti government group and getting others to gain access to spy equipment such as the Stingray cell tower simulator and other similar gadgets they would use this as a method or way to control the environment to force the REAL PARTY[s] IN INTEREST OUT BY THE ATTACKS ON THEIR VERY LIVES AND LIVELIHOOD. Cc: Ku-Klux-Klan-

A-History-of-Racism.pdf EXAMPLE - I you believed people were out to destroy your life kill you and defame you all at once most of you would run hide and move relocate and leave the properties or abandon them. This is what Aldridge Pite Haan LLP or Aldridge Pite LLP was hoping fore. If your neighbors looked down on you wouldn't speak to you, or destroyed your property many would leave and abandon their property. This is similar to what was done by organizations and anti American or anti Indigenous American people groups such as the Klu Klux Klan, Skin Heads or others. You could cause people to get angry based on rumors and force violent acts based upon a rumor and Aldridge Pite Haan LLP Aldridge Pite LLP did such actions without considering the outcome. This is the very definition of evil and no accountability. Aldridge Pite Haan LLP et al remained hidden until the companies hired by them started talking to the petitioners cohort and consulars officials which is clearly a violation in the FDCPA as to who the debt is alleged to be owned to and who's the true debt collector as Aldridge Pite Haan llp et al has purchased the debts they collect. More over the Default judgment they seek in a State court of Nevada A law firm whom swore oath and affirmation to uphold the Constitution and Treaties but use methods that violate the very sworn oaths they took to protect people from! This is a way of destroying the public trust and ones own peace of mind causing people to react violently with claims of "their lowering the property value, and they must go as stated by one HOA board member two years ago as he sat outside the property in LV NV in a white Pickup Truck in the opposite direction caught on camera while the family was out of the country on vacation. Today its more of attacking you with technology and destroying ones credibility and reputation by creating the illusions that someone is bad or evil

and or anti government when its an illusion, made up hoping that someone that would see or read the messages on the Nevada Legal News would spread it and create an attack but as it is written Isaiah 54:17 "No weapon that is fashioned against you shall prosper... "No weapon that is fashioned against you shall prosper, and you shall confute every tongue that rises against you in judgment. This is the heritage of the servants of the Lord and their vindication from me, says the Lord" Aldridge Pite impersonates an IRS agent and agency - On November 4, 2020 Aldridge Pite Haan llp contacted princess emilily hotep el former employer claiming to be an IRS agent name CK O'Neal and Kenneth Mun or Kenneth Moon Cc Case No. 2426-22 filed in the United States Tax Court of Record with all the evidence. Aldridge Pite wanted to create their own debt collection process which is fraudulently simulated bypassing the laws of this land. They collected approximately $89,000.00 of the pecuniary compensation of princess emilily hotep el paycheck from November 2020 till she resigned from that employer named Robert McBeath SWM aka Southwest Medical Group on October 2022. This is how they were able to seek her out at her job and file their case in state court case no. A-21-843907-C and get a fraudulent proof of service by leaving the summons and complaint at that employers location with a third party but the process server John White from ABC legal process servicer had the wrong name on the document instead of the complaint being against princess emilily hotep el it was against a MONICA RENEE HALL. They were able to collect approximately $89,000.00 for the debts they purchased from Sunlight financial, FannieMae, and Ally Bank for a monthly total of $2900.00 the exact amount of monthly payments if princess emilily hotep el was making monthly

payments to all three after she had tender the payments in full. In short they were extorting her Cc 18 USC 878. It was clear as to one of the Court Minute Orders making a statement to the woman princess emilily hotep el that she was not a party to the summons or complaint but at the same time that court and judge was notified that Aldridge Pite was seeking a default in retaliation of the default judgment Ally Bank received on August 1, 2021 in the Consular Court Tribuanl Cc exhibit. This default is also an attempt to hide the fraud of impersonating an IRS agent by going directly to the employer, and not the US Tax Court. Cc 18 USCode 1341-1351. This is a complete violation of the Fair Debt Collection Practice Act. This is why they Aldridge Pite Haan llp purchased debts even when they don't exist and place extreme pressure on the alleged debtors by force, slandering, defaming, stalking, and paying other companies to watch stalk follow the alleged debtors to use fear as a form to force the funds from them, without ever having to validate the debt which they never have done not in court not in its acts of collecting. FAILURE TO PRODUCE VALIDATION OF ALLEGED DEBTS - Upon written notice and request Aldridge Pite Haan llp or Aldridge Pite llp was contacted over the past to provide proof of the debt by accounting, ledgers, book keeping signatures etc,.. they produced nothing. Violations of the fair debt collection practice act took legal action years after the matter was resolved in the Consular Court Tribunal August 1, 2021. APHllp filed a lawsuit after giving notice to the credit bureau Experian. The fraudulent claim was filed on November 9, 2021 three months after the Default of Ally Bank, whom Aldridge Pite falsely alleged to represent without the motion for authority which is a legal document a letter from the board of directors all agreeing to file the lawsuit and hire the law-firm and esquire of Aldridge Pite Haan Aldridge Pite

llp. Lawsuit was filed after the debt was proven no longer existed and was acquired by Aldridge Pite on September 2021. Not only did Aldridge Pite involve themselves in the illegal and fraudulent debt collection they including three other debt collections including the abode home, another home in California and solar power system. Totaling four debt collections since June 18, 2020 to present. The evidence shows that their actions are discriminative and very dangerous. They hired multiple companies to create new debts after the debts were paid in full. The evidence is indisputable. Aldridge Pite hired over 6 different companies to call stalk harass contact family members friends neighbors HOA board members and made threats to take the claims to court. Stalking and Harassment - I a foreign official diplomat was followed t work, vehicles parked outside my home, weekly people damaging my property my pool equipment my vehicles my reputation Contacting family and friends in Michigan - Princess Emilily Hotep El mother in law was contacted for two debts one in 2021 for the automobile Kia Optima Hybrid and again in 2023 for the property located parcel no. 125-21-311-121 which similar thereto the property located in Lancaster CA the parcel no was changed or attempted to be changed. Contacting neighbors and HOA board members - The President of the HOA and one of its board members was contacted and performed the first year of surveillance and stalking and possible kidnaping on the Diplomats and their property. They were first noticed by neighbors adjacent to the property that two trucks or SUVs would be parked outside the home beginning June 2019, they would be seen sitting outside the home for more than two hours. The issue began in the State Court when the Clark County Recorder refused to update the property records since June 22, 2018. Congressional findings and declaration of purpose (a) Abusive practices There is abundant evidence of the use of abusive, decep- tive, and unfair debt collection practices by many debt collectors. Abusive debt collection practices contribute to the number of personal bankruptcies, to marital instability, to the loss of jobs, and to invasions of individual privacy. (b) Inadequacy of laws Existing laws and procedures for redressing these injuries are inadequate to protect consumers. (c) Available non-abusive collection methods. involving the creditor. (7) The term "location information" means a consumer's place of abode and his telephone number at such place, or his place of employment. (8) The term "State" means any State, territory, or posses- sion of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any political subdivision of any of the foregoing. § 804. Acquisition of location information Any debt collector communicating with any person other than the consumer for the purpose of acquiring location information about the consumer shall (1) identify himself, state that he is confirming or correcting location information concerning the consumer, and, only if expressly requested, identify his employer; (2) not state that such consumer owes any debt; (3) not communicate with any such person more than once unless requested to do so by such person or unless the debt collector reasonably believes that the earlier response of such person is erroneous or incomplete and that such person now has correct or complete location information; (4) not communicate by post card; (5) not use any language or symbol on any envelope or in the contents of any communication effected by the mails or telegram that indicates that the debt collector is in the debt collection business or that the communication relates to the collection of a debt; and (6) after the debt collector knows the consumer is represented by an attorney with regard to the subject debt and has knowledge of, or can readily ascertain, such attorney's name and address, not communicate with any person other than that attorney, unless the attorney fails to respond within a reasonable period of time to communication from the debt collector. The alleged lenders or Respondents all received a summons and complaint claim in the year 2020 Cc exhibits. They all ignored the documents with information to contact the Consular Official the Consular Court tribunal and the Al Moroccan

Consular Court tribunal and the Al Moroccan Consulate. None of them responded. Instead they all hired people of alleged asset management firms to attempt an adverse profession by stalking the property and contacting others outside of the alleged business. The parties also contacted the local Community Management, the HOA President and board member having them stalk and watch the property with attempts of trespassing. As well neighbors, Private news letters for lawyers and public employees. All are caught on camera visiting trespassing the property located at 125-21-311-121 lot 325. They have went as far as opening and returning mail that has went out to not only Respondents but to the Federal Government. BREAK IN CHAIN OF TITLE - This makes no sense while FannieMae contradicts its own records due to multiple emails phone conversations recorded, and tex messages from their own website that shows the parcel No. 125-21-311-121 8237 Fawn Brook Ct Las Vegas NV 89149 was never their property. This was created by Aldridge Pite Haan LLP et. Al,.. as of June 26, 2018. Based upon the discovery, evidence and witnesses they invented a new documentation and filed it in the Clark County Recorder. While PennyMac was the successor to LeaderOne their filings were either blocked or deleted as the Original Lender LeaderOne Financial Corporation a Corporation sold the loan on July 13, 2018 to PennyMac. Rather the clark county records do not show such evidence of the recordings that should've been filed on June 22, 2018 no later than 2pm electronically or in person after the closing that morning. UNILATERAL CONTRACT - Unilateral contracts involve one party making a promise to a general group of people. Bilateral contracts need at least two parties to negotiate and act upon a promise. The Monica Rene Hall Estate Trust made no promise to a general group of people rather

waited as directed by the notary that day June 22, 2018 for the second party that never showed up. She the beneficiary princess emilily hotep el did not sign her name but wrote all rights reserved or ARR in cursive so that she did not break any contract laws by signing for other parties unknown. They who was supposed to show up never did so the contract is void. CONTINUE IN BREAK OF CHAIN OF TITLE - The ownership side of the title has too many breaks in the chain of title. The Original Lender LeaderOne Financial Corp should've filed their documents of sale in the county on July 13, 2018 while sending and notifying a copy to the property owner MONICA RENE HALL ESTATE TRUST within the first 30 days but this was never done nor is there any record in the county clerks office. PennyMac would've filed similar documents or lien security instrument claiming the property as the successor to the Originator LeaderOne Financial with the next 30 days. This was not done by August 13, 2018. OUTSIDE CHAIN OF TITLE - Moreover the new recordings are and must be deleted for they are outside the Chain of title. The recordings and instruments filed on June 26, 2018 are not only fraudulent but are four [4] days late while the notary stated that the documents held as a unilateral contract or one sided for no one from LeaderOne nor PennyMac appeared on the day of closing. As well the new recordings in the Clark County Recorders office are outside chain of title, not at one time during the recordings was FannieMae Aka Federal National Mortgage Association ever appeared in person during June 22, 2018 nor in the Clark County on there fraudulent recording June 26, 2018. BILATERAL CONTRACT - Bilateral contracts need at least two parties to negotiate and act upon a promise. This is called a meeting of the minds, rather no one from LeaderOne Financial or PennyMac appeared. As for Federal National Mortgage Association Aka FannieMae

which never disclosed their presence until May 1, 2021. Cc the emails and exhibits of communications with FannieMae whom clearly stated they did not nor have they ever owned nor was the lender of the property parcel no. 125-21-311-121. The contract for the lender and borrower shows two spaces while one for the Monica Rene Hall Estate Trust and the other for the Lender. Rather no lender appeared to sign that day of June 22, 2018 11am. § 805. Communication in connection with debt collection (a) Communication with the consumer generally Without the prior consent of the consumer given directly to the debt collector or the express permission of a court of competent jurisdiction, a debt collector may not communicate with a consumer in connection with the collection of any debt (1) at any unusual time or place or a time or place known or which should be known to be inconvenient to the consumer. In the absence of knowledge of circumstances to the contrary, a debt collector shall assume that the convenient time for communicating with a consumer is after 8 o'clock antemeridian and before 9 o'clock postmeridian, local time at the consumer's location; (2) if the debt collector knows the consumer is represented by an attorney with respect to such debt and has knowl- edge of, or can readily ascertain, such attorney's name and address, unless the attorney fails to respond within a reasonable period of time to a communication from the debt collector or unless the attorney consents to direct communication with the consumer; or (3) at the consumer's place of employment if the debt col- lector knows or has reason to know that the consumer's employer prohibits the consumer from receiving such communication. (b) Communication with third parties Except as provided in section 1692b of this title, without the prior consent of the consumer given directly

the prior consent of the consumer given directly to the debt collector, or the express permission of a court of competent jurisdiction, or as reasonably necessary to effectuate a post judgment judicial remedy, a debt collector may not communicate, in connection with the collection of any debt, with any person other than the consumer, his attorney, a consumer reporting agency if otherwise permitted by law, the creditor, the attorney of the creditor, or the attorney of the debt collector. (c) Ceasing communication If a consumer notifies a debt collector in writing that the consumer refuses to pay a debt or that the consumer wishes the debt collector to cease further communication with the consumer, the debt collector shall not communicate further with the consumer with respect to such debt, except (1) to advise the consumer that the debt collector's further efforts are being terminated; (2) to notify the consumer that the debt collector or creditor may invoke specified remedies which are ordinarily invoked by such debt collector or creditor; or (3) where applicable, to notify the consumer that the debt collector or creditor intends to invoke a specified remedy. If such notice from the consumer is made by mail, notification shall be complete upon receipt. (d) "Consumer" defined For the purpose of this section, the term "consumer" includes the consumer's spouse, parent (if the consumer is a minor), guardian, executor, or administrator. § 807. False or misleading representations A debt collector may not use any false, deceptive, or mis- leading representation or means in connection with the col- lection of any debt. Without limiting the general application of the foregoing, the following conduct is a violation of this section: (1) The false representation or implication that the debt collector is vouched for, bonded by, or affiliated with the United States or any State, including the use of any badge, uniform, or

facsimile thereof. (2) The false representation of (A) the character, amount, or legal status of any debt; or (B) any services rendered or compensation which may be lawfully received by any debt collector for the collection of a debt. (3) The false representation or implication that any individual is an attorney or that any communication is from an attorney. (4) The representation or implication that nonpayment of any debt will result in the arrest or imprisonment of any person or the seizure, garnishment, attachment, or sale of any property or wages of any person unless such action is lawful and the debt collector or creditor intends to take such action. 1. Section 604(3) has been renumbered as Section 604(a)(3). (5) The threat to take any action that cannot legally be taken or that is not intended to be taken. (6) The false representation or implication that a sale, referral, or other transfer of any interest in a debt shall cause the consumer to (A) lose any claim or defense to payment of the debt; or (B) become subject to any practice prohibited by this subchapter. (7) The false representation or implication that the consumer committed any crime or other conduct in order to disgrace the consumer. (8) Communicating or threatening to communicate to any person credit information which is known or which should be known to be false, including the failure to communicate that a disputed debt is disputed. (9) The use or distribution of any written communication which simulates or is falsely represented to be a document authorized, issued, or approved by any court, official, or agency of the United States or any State, or which creates a false impression as to its source, authorization, or approval. (10) The use of any false representation or deceptive means to collect or attempt to collect any debt or to obtain information concerning a consumer. (11) The failure to disclose in the initial written communication with the consumer and, in

addition, if the initial communication with the consumer is oral, in that initial oral communication, that the debt collector is attempting... Cc attached documents.

The property was paid in full by the Estate Trust on behalf of the beneficiary princess emilily hotep el. The issue began in the State Court when the Clark County Recorder refused to update the property records since June 22, 2018. The Clark County Recorder for what ever reason have issues and has a strong prejudice against the property owner. She refused updating the property using threats to file charges of misdemeanors if the home owner persisted in filing documents for her own property. If the Clark County Recorder would have allowed the filings by the Monica Rene Hall Estate Trust and that of the beneficiary princess emilily hotep el, these issues would not be. We have to email this and mail this privately due to the amount of stalking and fishing on the emails and wifi of the Consular Court, the Al Moroccan Consulate and personal email and cell phones.

ISSUES - FDCPA 15 USC 1692-1692p. TRESPASSING STALKING HARASSING ATTEMPTED BURGLARY BANK FRAUD AND VIOLATIONS OF TREATIES CONSTITUTION AND FDCPA BREAK IN THE CHAIN OF TITLE & OUTSIDE CHAIN OF TITLE BY A COMPETENT COURT

VIOLATIONS OF THE FDCPA - January 21, 2023 with eight attempts the company located in Coastal Mesa CA called the home owner her husband cohort her mother in-law and other friends and family claiming her property was about to be sold on February 15, 2023. When the company was investigated and asked how did you obtain this information they simply said from the Clark County Records, PennyMac LLC and a few others. When they were asked how did they obtain parties not involved with the matter and their private personal information whom many are located outside of CA and NV they said, from a data base created by the Asset Management firms and the Attorneys of NDSC. They would continue to call until February 14, 2023.

The Respondents herein known as Leader One, MERS, PennyMac NDSC Received the Cease and Desist from trespassing and attempting to break and enter by way of fraudulent made up loan on said property parcel No. 125-21-311-121 lot 325. You have no legal right nor are you warranted by law to be on the property parcel touching the door nor filming the property. As each attempt is an attempt the make grand theft and breaking and entering, please cease and desist. Cc security instrument filed against you.

Fidelity National Title stated in their letter dated April 5, 2021 that they have no legal authority to take action with respect to the Deed or the release of the Deed of Trust, which was released by acquiescence and default of LeaderOne and PennyMac the successor by acquiescence and failure to respond to the lis pen-dens and release of lien and cancelation lawful documentation filed in the Consular Court Tribunal 13, the commonlawcourt.com as well on the public record for the eighth judicial district court department case file no. A-22-849976-C. Nonetheless Fidelity National Title is listed on the property illegally as of February 23, 2023 as the beneficiary or Trustee and Federal National Mortgage Association is the new lender?

BREAK IN CHAIN OF TITLE - This makes no sense while FannieMae contradicts its own records due to multiple emails phone conversations recorded, and tex messages from their own website that shows the parcel No. 125-21-311-121 8237 Fawn Brook Ct Las Vegas NV 89149 was never their property. This was created by Aldridge Pite Haan LLP et. Al,.. as of June 26, 2018. Based upon the discovery, evidence and witnesses they invented a new documentation and filed it in the Clark County Recorder. While PennyMac was the successor to LeaderOne their filings were either blocked or deleted as the Original Lender LeaderOne Financial Corporation a Corporation sold the loan on July 13, 2018 to PennyMac. Rather the clark county records do not show such evidence of the recordings that should've been filed on June 22, 2018 no later than 2pm electronically or in person after the closing that morning.

UNILATERAL CONTRACT - Unilateral contracts involve one party making a promise to a general group of people. Bilateral contracts need at least two parties to negotiate and act upon a promise. The Monica Rene Hall Estate Trust made no promise to a general group of people rather waited as directed by the notary that day June 22, 2018 for the second party that never showed up. She the beneficiary princess emilily hotep el did not sign her name but wrote all rights reserved or ARR in cursive so that she did not break any contract laws by signing for other parties unknown. They who was supposed to show up never did so the contract is void.

CONTINUE IN BREAK OF CHAIN OF TITLE - The ownership side of the title has too many breaks in the chain of title. The Original Lender LeaderOne Financial Corp should've filed their documents of sale in the county on July 13, 2018 while sending and notifying a copy to the property owner MONICA RENE HALL ESTATE TRUST within the first 30 days but this was never done nor is there any record in the county clerks office. PennyMac would've filed similar documents or lien security instrument claiming the property as the successor to the Originator LeaderOne Financial with the next 30 days. This was not done by August 13, 2018.

OUTSIDE CHAIN OF TITLE - Moreover the new recordings are and must be deleted for they are outside the Chain of title. The recordings and instruments filed on June 26, 2018 are not only fraudulent but are four [4] days late while the notary stated that the documents held as a unilateral

contract or one sided for no one from LeaderOne nor PennyMac appeared on the day of closing. As well the new recordings in the Clark County Recorders office are outside chain of title, not at one time during the recordings was FannieMae Aka Federal National Mortgage Association ever appeared in person during June 22, 2018 nor in the Clark County on there fraudulent recording June 26, 2018.

BILATERAL CONTRACT - Bilateral contracts need at least two parties to negotiate and act upon a promise. This is called a meeting of the minds, rather no one from LeaderOne Financial or PennyMac appeared. As for Federal National Mortgage Association Aka FannieMae which never disclosed their presence until May 1, 2021. Cc the emails and exhibits of communications with FannieMae whom clearly stated they did not nor have they ever owned nor was the lender of the property parcel no. 125-21-311-121. The contract for the lender and borrower shows two spaces while one for the Monica Rene Hall Estate Trust and the other for the Lender. Rather no lender appeared to sign that day of June 22, 2018 11am.

This is clear to the Al Moroccan Consulate because several new documents would eventually appear as of September 2019, claiming they were LeaderOne Financial transferring to PennyMac with a forged or robo signed document forging the name MONICA RENE HALL which was also printed by someone other than the Trustee or the beneficiary princess emilily hotep el. The document was discovered as the Trustee and beneficiary attempted to record in the clark county recorders office and got a copy of the newly recordings that September 2019. This was Aldridge Pite Haan llp or APllp. This was done to another property located in Lancaster CA the same exact way. They APLLP would have went in later and filed new documents claiming that they were backdated but with the current date stamped on the documents.

MISCONDUCT ON NOTARIES - The most common mistake made by a notary? Failing to require signers to be present at the notarization is the number one claim of misconduct against Notaries. During the closing on June 22, 2018 the notary stated that the other party was running late and that he would get their signature later and file it electronically in the Clark County Recorders office the same day rather no other signatures appeared on the documents filed in the Clark County Recorders Office. A written contract must be signed by both parties to be legally enforceable. Does a contract always need to be signed? Yes, a contract does need to be signed to become a valid contract. There are occasional cases where oral contracts or unsigned contracts may still comply with contract law, but those are risky.

15 U.S. Code § 7001 - General rule of validity (a) In generalNotwithstanding any statute, regulation, or other rule of law (other than this subchapter and subchapter II), with respect to any transaction in or affecting interstate or foreign commerce (1) a signature, contract, or other record relating to such transaction may not be denied legal effect, validity, or enforceability solely because it is in electronic form; and(2) a contract relating to such transaction may not be denied legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. (b) Preservation of rights and obligations. This subchapter does not (1) limit, alter, or otherwise affect any requirement imposed by a statute, regulation, or rule of law relating to the rights and obligations of persons under such statute, regulation, or rule of law other than a requirement that contracts or other records be written, signed, or in nonelectronic form; or (2) require any person to agree to use or accept electronic records or electronic signatures, other than a governmental agency with respect to a record other than a contract to which it is a party.

NO CONSENT FOR ELECTRONIC FILINGS BY THIRD PARTIES - The Monica Rene Hall Estate nor beneficiary princess emilily hotep el never agreed to electronic filings by third parties, rather the Clark County Recorder allows for the recordings electronically without verification and validation, while blocking the property owner to file on her own property as well they refuse to make corrections. Notice FannieMae and Fidelity National Title errors in their documents filed electronically without permission or ever having a contract originally.

The Consumer never Consented - (c) Consumer disclosures (1) Consent to electronic records Notwithstanding subsection (a), if a statute, regulation, or other rule of law requires that information relating to a transaction or transactions in or affecting interstate or foreign commerce be provided or made available to a consumer in writing, the use of an electronic record to provide or make available (whichever is required) such information satisfies the requirement that such

information be in writing if (A) the consumer has affirmatively consented to such use and has not withdrawn such consent; (B) the consumer, prior to consenting, is provided with a clear and conspicuous statement (i) informing the consumer of (I) any right or option of the consumer to have the record provided or made available on paper or in non-electronic form, and (II) the right of the consumer to withdraw the consent to have the record provided or made available in an electronic form and of any conditions, consequences (which may include termination of the parties' relationship), or fees in the event of such withdrawal; (ii) informing the consumer of whether the consent applies (I) only to the particular transaction which gave rise to the obligation to provide the record, or (II) to identified categories of records that may be provided or made available during the course of the parties' relationship; (iii) describing the procedures the consumer must use to withdraw consent as provided in clause (i) and to update information needed to contact the consumer electronically; and (iv) informing the consumer (I) how, after the consent, the consumer may, upon request, obtain a paper copy of an electronic record, and (II) whether any fee will be charged for such copy;... They failed to disclose this portion as the homeowner never consented nor knew that the filings could be electrically filed this was news as well the filings were filed by the notary whom never got the second signature from the original lender LeaderOne as the notary made the filings the Monica Rene Hall Estate attempted to file within the clark county recorders office on June 22, 2018 before the beneficiary was to leave out of town out of the country to Jamaica for her anniversary. She was told that the filings were not necessary by the Clark County Recorders office. So the filings of the Monica Rene Hall Estate Trust was denied in the Clark County Recorders office rather filed with the commonlawcourt.com and getnoticed.com with the documents for her property parcel no. 125-21-311-121.

§ 802. Congressional findings and declaration of purpose (a) Abusive practices
There is abundant evidence of the use of abusive, decep- tive, and unfair debt collection practices by many debt collectors. Abusive debt collection practices contribute to the number of personal bankruptcies, to marital instability, to the loss of jobs, and to invasions of individual privacy. (b) Inadequacy of laws Existing laws and procedures for redressing these injuries are inadequate to protect consumers. (c) Available non-abusive collection methods
Means other than misrepresentation or other abusive debt collection practices are available for the effective collection of debts. (d) Interstate commerce Abusive debt collection practices are carried on to a substantial extent in interstate commerce and through means and instrumentalities of such commerce. Even where abusive debt collection practices are purely intrastate in character, they nevertheless directly affect interstate commerce.(e) Purposes
It is the purpose of this subchapter to eliminate abusive debt collection practices by debt collectors, to insure that those debt collectors who refrain from using abusive debt collection practices are not competitively disadvantaged, and to promote consistent State action to protect consumers against debt collection abuses.

§ 803. Definitions As used in this subchapter (1) The term "Bureau" means the Bureau of Consumer Financial Protection. (2) The term "communication" means the conveying of information regarding a debt directly or indirectly to any person through any medium.
(3) The term "consumer" means any natural person obligated or allegedly obligated to pay any debt. (4) The term "creditor" means any person who offers or extends credit creating a debt or to whom a debt is owed, but such term does not include any person to the extent that he receives an assignment or transfer of a debt in default solely for the purpose of facilitating collection of such debt for another. (5) The term "debt" means any obligation or alleged obligation of a consumer to pay money arising out of a transaction in which the money, property, insurance or services which are the subject of the transaction are primarily for personal, family, or household purposes, whether or not such obligation has been reduced to judgment. (6) The term "debt collector" means any person who uses any instrumentality of interstate commerce or the mails in any business the principal purpose of which is the collection of any debts, or who regularly collects or attempts to collect, directly or indirectly, debts owed or due or asserted to be owed or due another. Not- withstanding the exclusion provided by clause (F) of the last sentence of this paragraph, the term includes any creditor who, in the process of collecting his own debts, uses any name other than his own which would indicate that a third person is collecting or attempt- ing to collect such debts.

For the purpose of section 1692f(6) of this title, such term also includes any person who uses any instrumentality off interstate commerce or the mails in any business the principal purpose of

which is the enforcement of security interests. All Respondents had 3 years to provide proof of the loan where it came from the accounting and the ledger but instead they chose to be forcefully and fraudulent creating documents that the home owner never seen. When the documents were finally filed in the county they had changed several times over. The Petitioner herein known as MONICA RENE HALL ESTATE TRUST beneficiary princess emilily hotep el and her consul as well trustee management team made every attempt to settle the matter outside of court as well in court but the respondents all refused to cooperate produce the legal and lawful documents rather they hired people to watch the home stalker the owners and change the documents filed in the county clerks office as she refused to allow the home owner not a tenant but the owner never to file any documents on her property to prevent this from happening.

HUD in there fraudulent claim for a foreclosure for the property located at 4203 Norval Ave Quartz Hill Ave 93536. The same process was used for this parcel no. 125-21-311-121 lot 325 whereas they stalked the property and broke into the property to take adverse possession. Why was this done? To scare intimidate and frustrate the homeowner and get them to physical involved in a violent way so that the property could be taken from their possession, this way Aldridge Pite and its partners could adverse claim the property or to get them the owners to walk away in fear and just give up the property out of fear.

Tactics used - Aldridge Pite used the same tactics in Lancaster property as for the Las Vegas property for the attempt to adverse profession. They would hire people to watch the home for hours three days per week this includes the HOA. Several HOA board members where recorded sitting watching outside the property while the home owners where on vacation for the past three or four years. As well these other companies participated in the acts as well....

Aldridge Pite impersonates an IRS agent and agency - On November 4, 2020 Aldridge Pite Haan llp contacted princess emilily hotep el former employer claiming to be an IRS agent name CK O'Neal and Kenneth Mun or Kenneth Moon Cc Case No. 2426-22 filed in the United States Tax Court of Record with all the evidence. Aldridge Pite wanted to create their own debt collection process which is fraudulently simulated bypassing the laws of this land. They collected approximately $89,000.00 of the pecuniary compensation of princess emilily hotep el paycheck from November 2020 till she resigned from that employer named Robert McBeath SWM aka Southwest Medical Group on October 2022. This is how they were able to seek her out at her job and file their case in state court case no. A-21-843907-C and get a fraudulent proof of service by leaving the summons and complaint at that employers location with a third party but the process server John White from ABC legal process servicer had the wrong name on the document instead of the complaint being against princess emilily hotep el it was against a MONICA RENEE HALL.

They were able to collect approximately $89,000.00 for the debts they purchased from Sunlight financial, FannieMae, and Ally Bank for a monthly total of $2900.00 the exact amount of monthly payments if princess emilily hotep el was making monthly payments to all three after she had tender the payments in full. In short they were extorting her **Cc 18 USC 878.**

It was clear as to one of the Court Minute Orders making a statement to the woman princess emilily hotep el that she was not a party to the summons or complaint but at the same time that court and judge was notified that Aldridge Pite was seeking a default in retaliation of the default judgment Ally Bank received on August 1, 2021 in the Consular Court Tribuanl Cc exhibit. This default is also an attempt to hide the fraud of impersonating an IRS agent by going directly to the employer, and not the US Tax Court. Cc 18 USCode 1341-1351. This is a complete violation of the Fair Debt Collection Practice Act. This is why they Aldridge Pite Haan llp purchased debts even when they don't exist and place extreme pressure on the alleged debtors by force, slandering, defaming, stalking, and paying other companies to watch stalk follow the alleged

debtors to use fear as a form to force the funds from them, without ever having to validate the debt which they never have done not in court not in its acts of collecting.

§ 809. Validation of debts (a) Notice of debt; contents Within five days after the initial communication with a consumer in connection with the collection of any debt, a debt collector shall, unless the following information is contained in the initial communication or the consumer has paid the debt, send the consumer a written notice containing (1) the amount of the debt; (2) the name of the creditor to whom the debt is owed; (3) a statement that unless the consumer, within thirty days after receipt of the notice, disputes the validity of the debt, or any portion thereof, the debt will be assumed to be valid by the debt collector; (4) a statement that if the consumer notifies the debt collector in writing within the thirty-day period that the debt, or any portion thereof, is disputed, the debt collector will obtain verification of the debt or a copy of a judgment against the consumer and a copy of such verification or judgment will be mailed to the consumer by the debt collector; and (5) a statement that, upon the consumer's written request within the thirty-day period, the debt collector will provide the consumer with the name and address of the original creditor, if different from the current creditor. (b) Disputed debts If the consumer notifies the debt collector in writing within the thirty-day period described in subsection (a) of this section that the debt, or any portion thereof, is disputed, or that the consumer requests the name and address of the original creditor, the debt collector shall cease collection of the debt, or any disputed portion thereof, until the debt collector obtains verification of the debt or a copy of a judgment, or the name and address of the original creditor, and a copy of such verification or judgment, or name and address of the original creditor, is mailed to the consumer by the debt collector. Collection activities and communications that do not otherwise violate this subchapter may continue during the 30-day period referred to in subsection (a) unless the consumer has notified the debt collector in writing that the debt, or any portion of the debt, is disputed or that the consumer requests the name and address of the original creditor. Any collection activities and communication during the 30-day period may not overshadow or be inconsistent with the disclosure of the consumer's right to dispute the debt or request the name and address of the original creditor. (c) Admission of liability The failure of a consumer to dispute the validity of a debt under this section may not be construed by any court as an admission of liability by the consumer. (d) Legal pleadings A communication in the form of a formal pleading in a civil action shall not be treated as an initial communication for purposes of subsection (a). (e) Notice provisions.

The sending or delivery of any form or notice which does not relate to the collection of a debt and is expressly required by **title 26, title V of Gramm-Leach-Bliley Act [15 U.S.C. 6801 et seq.],** or any provision of Federal or State law relating to notice of data security breach or privacy, or any regulation prescribed under any such provision of law, shall not be treated as an initial communication in connection with debt collection for purposes of this section.15 USC 1692h

The reason for the investigation by the Al Moroccan Consulate is to show why the fraudulent alleged lenders hired people and persons also known as Asset Managing firms to watch the property so that while the real homeowners where gone or out of town the persons watching would make force their way into the property take what they wanted and lock the home up changing the locks etc,... so the real homeowners would no longer have access to their private property and this is called illegal and unlawful Adverse Possession. At the same time the Asset managing firm employees hired by the three companies all bidding for the private estate would film their walk around the property as if to show they lived there and knew the property well.

The term "adverse possession" refers to a legal principle that grants title to someone who resides on or is in possession of another person's land. The property's title is granted to the possessor as long as certain conditions are met including whether they infringe on the rights of the actual owner and whether they are in continuous possession of the property. Adverse possession is sometimes called squatter's rights, although squatter's rights are a colloquial reference to the idea rather than a recorded law.

(a) **Adverse possession.** --Title to real property may be acquired after no less than 10 years of actual, continuous, exclusive, visible, notorious, distinct and hostile possession of the real property. This is why they fraudulent auction and foreclosure was not a real foreclosure due to the actions taken by the parties herein known as the Respondents MERS LEADER ONE

PENNY MAC. They all hired alleged Asset Managing firms to attack stalk harass continuously with visibility with notorious distinct and hostile actions to gain possession of the real property. They made no attempts to hide what they were doing until June 1, 2022 when they began to park a few blocks away from the property taking photos late at night. A typical adverse possession statute requires that the occupation must be open and notorious, exclusive, hostile, and continuous and uninterrupted for a prescribed period of time. A person seeking adverse possession must occupy a parcel of land in a manner that is open and obvious.

MORTGAGEE. ADVERSE POSSESSION; REQUIREMENT OF CONTINUITY; LIEN-HOLDERS: A creditor who purchases real property at a trustee's foreclosure sale does not take subject to a claim of adverse possession except where adverse possession title had not been completed prior to the time of the original deed of trust. Notice the property remains in the possession of the MONICA RENE HALL ESTATE TRUST a foreign [BT] blind trust. The Title has never been complete prior to the time of the ORIGINAL DEED OF TRUST filed on June 26, 2018 by Aldridge Pite llp Aldridge Pite Haan llp NDSC. The Original lender LeaderOne sold or transferred the Deed of Trust by sale on July 13, 2018 to PennyMac whom never completed their filing or never filed such documents period Cc exhibit Sandy Hilt filed September 2019 which is passed the 30 days of the original filings and sale or transfer. Moreover several Court Orders have been filed with the Consular Court and recorded in the Clark County Court Eighth Judicial District for removal of all liens with proof of debt[s] paid in full.

Harassing or Abusive Practices Specifically, a debt collector may not: Use or threaten to use violence or other criminal means to harm the physical person, reputation, or property of any person. Use obscene, profane, or other language which abuses the hearer or reader.

Each one of the alleged asset managing firms employees had no intentions of taking the property they wanted to be seen so that it would harass and strike fear into the homeowners mind. threaten to illegally harm you or your property, threaten you with illegal actions, or falsely threaten you with actions they do not intend to take the property. For each visit the men or women would make it known they were watching and get out occasionally taking photos of the property but never attempted to break or enter the property.

They would also go as far as following the home owners to work or to family members homes. The Non Profit Alliance Causing a telephone to ring to harass or annoy a consumer is an express violation of the Fair Debt Collection Practices Act (FDCPA). It is also a violation of the FDCPA for a debt collector to call early in the morning or late at night. Nonprofit Alliance of Consumer Advocates located at 1503 S Coast Dr #100, Costa Mesa, CA 92626 would call princess emilily hotep el making threats that her home was about to be sold in an auction if she didn't do something fast. They also contacted her mother in-law located in Detroit Michigan as well her cohort private cell phone

The discrimination has taken place to prevent indigenous peoples such as princess emilily hotep el from owning property. The damages and injuries including this false and alleged foreclosure and trustee sale is done to discourage this woman from adhering to the laws of her CREATOR GOD and the laws of this land.

WHOM DO ALDRIDGE PITE HAAN LLP TARGET ? - indigenous women, women of color, African American women, and Poor Women. Notice the Summons and Complaint filed in their cases are indigenous, colored, African American with similar and or the same names.

Notice in Case No. A-21-843907-C the name used in the complaint as the Defendant is MONICA RENEE HALL notice the spelling with two e's. While the name of the trust estate for princess emilily hotep el is Monica Rene Hall ex rel. The name also ties to a woman locate in South Carolina as the process server documents was caught on camera and zoomed in and saw the woman MONICA RENEE HALL two e's lives in South Carolina and has two cars one Cadillac and a Toyota. Now with this description it is clear whom they target as such indigenous women, women of color, African American women and or minority women. Notice how fast they move on their debt collection actives and how they hide their hand by hiring others to take the fall. They purchased the debts legally or illegal between outside parties but then use force fear and threats

as well they'll contact friends family and niegbhors to embarrass the alleged debtor to force collection.

Second Amendment - A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

Third Amendment - Described by some as "a preference for the Civilian over the Military," the Third Amendment forbids the forcible housing of military personnel in a citizen's home during peacetime and requires the process to be "prescribed by law" in times of war. This Amendment is not considered controversial and has never been litigated before the United States Supreme Court.

Fourth Amendment - The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

Fifth Amendment - No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service in time of War or public danger; nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

Sixth Amendment - In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defence.

EXHIBIT V-7

PDP / DMV / ELECTRONIC LIEN AND TITLE PROVENANCE AND ACCESS INVESTIGATION

Petitioners contend that materials later filed or relied upon in the Ally Bank litigation included or depended upon PDP / DMV electronic title or lien information associated with the subject vehicle. Petitioners dispute the provenance, authorization, accuracy, creation, access, and chain of custody of that information.

The attached Nevada Financial Institutions Division correspondence states that the agency would investigate the identified entity to determine whether it was appropriately licensed and that the investigation was confidential. The attached submission to FID identifies a disputed electronic lien/title record associated with PDP Group systems and Ally Bank and requests disclosure of internal communications, database actions, and requests tied to the record.

Petitioners additionally report that regulatory personnel made oral statements concerning attorney licensing/exemption issues and limitations on access to internal PDP/DMV information. Unless confirmed by an agency writing, recording, declaration, or testimony, those statements are preserved as Petitioners' account of the regulatory communication rather than as an established agency finding.

Requested determination: identify the originating system and custodian; date of creation; requester; user/account or access path; authority for access; entity identified as lienholder/titleholder; source documents used to populate the record; all subsequent transmissions; and whether the electronic record is consistent with the originally executed contract and any authenticated assignment.

EXHIBIT V-8

LITIGATION USE OF DISPUTED TITLE / ASSIGNMENT INFORMATION

Petitioners request an actor-by-actor determination of what title, lien, PDP, DMV, assignment, ownership, or contract information was obtained, transmitted, filed, or relied upon by Ally Bank, Ally Financial, Aldridge Pite LLP / Aldridge Pite Haan LLP, PDP Group, the dealership, or any other identified participant.

The evidentiary chain to be examined is: **dealer / original execution -> original contract -> any assignment -> identified Ally entity -> PDP / electronic-lien-title transaction -> DMV record -> acquisition or transmission of the record -> litigation filing or reliance.**

The filing or use of a document by counsel does not, without additional evidence, establish that counsel created, altered, forged, or improperly accessed the underlying record. Conversely, litigation use does not cure an unauthenticated signature, unauthorized alteration, defective assignment, inaccurate title designation, or unauthorized database entry if competent evidence establishes such a defect.

Requested determination: for every disputed signature, initial, assignment, title designation, electronic entry, or litigation exhibit, identify its author or originator where ascertainable; date; authority; chain of custody; materiality; and the legal consequence of any proven unauthorized alteration or false attribution.

Corporate-identity preservation: Ally Bank and Ally Financial shall be treated as distinct named entities unless competent records establish the capacity in which each acted and the basis for any claimed title, lien, assignment, servicing, or ownership interest.

Evidentiary limitation: These sections preserve the dispute and requested investigation. They do not themselves adjudicate forgery, unlawful database access, attorney misconduct, or creation of a false instrument.

APPENDIX EXHIBIT PAGE

VEHICLE CONTRACT - SIGNATURE, INITIALS, ASSIGNMENT, AND DOCUMENT-PROVENANCE ISSUES

Proposed Exhibit V - Evidentiary Preservation and Comparison

1. SOURCE DOCUMENTS PRESENTED

The exhibit consists of two scanned pages of a document titled "Simple Interest Vehicle Contract for Sale and Security Agreement" dated August 26, 2019, identifying JIM MARSH KIA as creditor/seller and MONICA RENE HALL as the printed buyer name. The pages contain printed "N/A" entries, handwritten marks and initials, buyer-signature fields, creditor/seller signature fields, and a second-page assignment section. These documents are offered for forensic comparison, authentication, provenance, and determination of the authority of every person whose handwriting, initials, signature, title, or later-added notation appears on the instrument.

2. FACIAL FEATURES REQUIRING EXAMINATION

- Page 1 contains numerous printed "N/A" entries in fields that also contain or appear near handwritten marks or initials. The existence, authorship, timing, and purpose of each handwritten mark should be determined from the original instrument rather than assumed from the scan.

- Page 1 contains a buyer-signature field and a creditor/seller signature area. Petitioners state that only Prince Ra El and Princess Emilily El, acting in the capacities they identify as Trustee and Beneficiary, were present for the original signing. Petitioners dispute the authenticity or authorization of any additional initials, signatures, or marks added after that signing.

- Page 2 contains an "Assignment" section with handwritten entries identifying an assignee and signatures/titles. Petitioners state that the dealership owner was not present at the transaction and that the dealership participant physically present was the sales agent. The identity, office, authority, date, and circumstances of every later assignment signature therefore require authentication.

- The document should be compared with any dealership deal jacket, wet-ink original, electronic-signature audit trail, printer/scanner metadata, funding package, assignment/transmittal records, lender boarding records, and custodial history.

3. PETITIONERS' SPECIFIC AUTHENTICITY DISPUTE

Petitioners give express notice that they dispute any signature, initial, handwritten notation, assignment, or alteration that was not placed on the instrument by an authorized person at the time and under the circumstances represented. Petitioners specifically request that no handwritten mark be attributed to Prince Ra El, Princess Emilily El, a Trustee, a Beneficiary, the dealership owner, or any other person merely because it appears on the face of the scanned contract.

4. EFFECT OF AN UNAUTHORIZED ALTERATION - FINDING REQUESTED, NOT PREJUDGED

Petitioners contend that an unauthorized post-signing signature, initial, material insertion, or alteration may affect authenticity, assent, enforceability, assignment, or the obligations of the affected party. The legal consequence is not automatically the same for every alteration. The Court is requested to determine: (a) whether an alteration occurred; (b) when it occurred; (c) who made or authorized it; (d) whether it was material; (e) whether the original parties assented to it; and (f) the resulting legal effect under the law governing the contract. If the evidence establishes forgery or a material unauthorized alteration, the Court should determine whether the affected term, assignment, obligation, or instrument is void, voidable, unenforceable, or otherwise subject to an appropriate remedy.

5. DEALERSHIP-OWNER / SALES-AGENT AUTHORITY

Because Petitioners state that the dealership owner was not present and that a sales agent handled the transaction, the record should identify the actual signatory and the source of that person's authority. A title written beside a signature, standing alone, should not substitute for proof of identity and authority where authenticity is specifically disputed.

6. REQUEST FOR ORIGINALS AND FORENSIC COMPARISON

Petitioners request preservation and production, where available and lawfully obtainable, of the original wet-ink contract and all versions; signature and initials exemplars; dealership employee roster and authority records; electronic-signature logs; timestamps; assignment records; lender/assignee communications; funding records; document imaging history; and any version transmitted before or after execution. The purpose is to establish a reliable chain of custody and determine whether the scanned pages are identical to the instrument actually signed.

7. PROPOSED EXHIBIT SUBPARTS

Subpart	Description
V-1	Page 1 - Simple Interest Vehicle Contract for Sale and Security Agreement, including printed N/A entries, handwritten marks/initials, buyer-signature field, and creditor/seller signature area.
V-2	Page 2 - Additional Terms and Conditions and Assignment section, including handwritten assignee information, signatures, titles, dates, and without-recourse assignment area.
V-3	Petitioners' declaration identifying who was physically present at original execution and the capacities in which Prince Ra El and Princess Emilily El acted.
V-4	Dealership records identifying the sales agent, dealership owner, authorized signatories, and authority to execute or assign the contract.
V-5	Original wet-ink instrument, electronic audit trail, document history, funding/assignment records, and signature/handwriting comparison materials.
V-6	Any expert or investigator report concerning handwriting, initials, document alteration, chronology, authenticity, or chain of custody.

8. EVIDENTIARY LIMITATION

This appendix preserves and particularizes the authenticity dispute. It does not itself adjudicate that a mark was forged, identify the author of a disputed mark, or declare the entire contract void. Those determinations require comparison with originals and competent evidence. The requested finding is that the disputed marks and assignment history be authenticated before they are relied upon against any person, trust, estate, Trustee, Beneficiary, or other separately identified capacity.

Although Hotep El also filed something entitled a 14 "complaint" and an "amended complaint," ose documents are mistitled and instead appear to 15 be attempts at asserting counterclaims in the derlying lawsuit. Ally Bank is the plaintiff in the 16 underlying state court suit. ECF No. 16 at 16. 17 y moves to remand, arguing that there is no subject matter jurisdiction in this court 18 because the derlying lawsuit involves only state law claims valued at under $20,000. Hotep El 19 contends that noval is proper because she is asserting that the defendants violated various 20 federal laws. She also gues the amount in controversy exceeds $75,000 because she seeks 21 several million dollars against y. 22 Federal district courts are courts of limited jurisdiction, deriving their power to hear cases 23 from ecific congressional grants of jurisdiction. U.S. v. Sumner,

6 F.3d 1005, 1009
(9th Cir. 1 2000). Under

U.S.C. § 1441
(a), federal courts have removal jurisdiction over a claim that 2 could have been brought in federal urt originally. 3 Under 28 U.S.C.§ 1331, federal district courts have jurisdiction over "all civil actions 4 sing under the Constitution, laws, or treaties of the United States." Ally's complaint alleges 5 only state v claims, so there is no federal question jurisdiction. See ECF No. 16 at 16-20.

6 Hotep El's federal defenses or counterclaims cannot create federal question jurisdiction for 7 noval. See Holmes Grp., Inc. v. Vornado Air Circulation Sys., Inc.,

5 U.S. 826, 831

ions in diversity cases 13 "where the matter in controversy exceeds the sum or value of $75,000" and ıere the matter is 14 between "citizens of different States." Ally seeks far below the jurisdictional ıount in

15 controversy in the underlying action. See ECF No. 16 at 16-20. Again, Hotep El cannot rely on 16 ; amount she seeks on any counterclaims to support removal. 17 As the party seeking to invoke this urt's jurisdiction, Hotep El bears the burden of 18 proving this court has jurisdiction. Corral v. Select rtfolio Servicing, Inc.,

8 F.3d 770

, 773 19 (9th Cir. 2017). Hotep El has not done so. I therefore remand this action to the state court ım 20 which it was removed. 21 Because I remand the case, I deny all pending motions as moot. This :ludes Aldridge 22 Pite Haan LLP's motion to dismiss, which appears to be moot for the additional ıson that 23 Aldridge Pite is not named in the amended notice of removal at ECF No. 8. 1 I [EREFORE ORDER that Ally Bank's motion to remand (ECF No. 16) is 2]GRANTED. All other pending ɔtions (ECF Nos. 17, 51, 52, 60) are DENIED as moot and 3| | the case is remanded to the state court ım which it was removed for all further proceedings. 4!| The Clerk of the Court is instructed to close s case. 5 DATED this 23rd day of September, 2022. 6 OIE. JOURNAL ENTRIES

On May 25, 2022, a proposed Order/Document titled Order Regarding Exemption was forwarded to the Department from the Clerk's Office. The document sets forth that it was submitted by an individual identifying herself as Princess Emilily Hotep el. On May 26, 2022, an Order/Document titled Proposed Order Nev. Civ. IC-2-2(f) tender of Payment UCC3-603(b) NRS 104.3603, Imprpoper [sic] Service Nev. R Civ P. 4.2 Article VI ch. 1, 4 USCode 101, 4 USCode 102, 15 US Code 1692g, 11 US Code 1325-Confrimation [sic] Res Judicata Nev. R. Civ P. 60 Nunc Pro Tunc was forwarded to the Department from the Clerk's Office which was also stated to have been submitted by a person identifying herself as Princess Emilily Hotep el. However, the instant case is captioned Ally Bank, Plaintiff v. Monica Renee Hall, Defendant and does not include anyone with the name of the person who submitted the proposed documents.

The proposed Orders cannot be signed for the following reason(s): NRCP 7(b) provides that a request for a court order must be made by motion. Pursuant to NRCP 17, an action must be prosecuted in the name of the real party in interest. Pursuant to EDCR 7.23 every paper presented for filing, must bear the signature, name . . . of the party presenting or filing the same. Finally, pursuant to EDCR 7.21, any party obtaining any order, judgment or decree must furnish the form of the same to the clerk, judge, or judicial officer within 14 days after being notified of the ruling. Here, the person who submitted the proposed Orders is identified as Princess Emilily Hotep el. The proposed Orders do not arise from any motion set for hearing or any ruling made by the Court. Additionally, the person identified as Princess Emilily Hotep el is not an individual party to the case nor listed as an attorney on the instant case which is titled in the caption as Ally Bank, Plaintiff v. Monica Renee Hall, Defendant. Additionally, it was contended that the instant case was removed to federal court as a Notice of Removal filed. However, as addressed at the hearing on June 14, 2022, the documents attached to that filing do not match the case name of the instant case and has other

issues. Given that the instant facts, the Court finds it appropriate to issue the instant minute order.

Therefore, as detailed above, the Documents/Orders are unable to be signed, as they do not arise from any court ruling nor are they submitted by a party to the case and have no force or effect.

CLERK'S NOTE: This Minute Order has been electronically served to all registered parties for Odyssey File & Serve.

COMES NOW, Plaintiff, ALLY BANK, by and through its attorney of record, the law firm of ALDRIDGE PITE, LLP, and hereby submits this Response to Defendant MONICA RENE HALL's ("Defendant") pleadings on the Court docket as:

1) Notice of Special Appearance By Consul; Prince Ra El On Behalf Of Diplomat; Princess Emilily Hotep El ("Notice of Special Appearance"). (*See* Dckt. No. 7.)

2) Notice of Constitutional Question & Subpoena ("Notice of Constitutional Question"). (*See* Dckt. No. 8.)

3) Notice Motion for Court Appointed Receivership for Judgment Liens, NRS 32.135 Defined, NRS155 Owner Defined, NRS 32.160 Person Being Priestess Princess Emily Hotep Trust 9[redacted] Therin Monica Rene Hall Estate Trust NV Business Number E10537992020-0 ("Motion for Court Appointed Receivership"). (*See* Dckt. No. 24.)

Defendant's above referenced filings are in line with Defendant's litigious conduct and pattern of filing voluminous, convoluted, and confusing filings. Defendant's pattern of filings includes copying and pasting irrelevant statues and cases, allegations she is the improper party to the suit, allegations she was not properly served, and irrational/incorrect legal conclusions. Indeed, Defendant has already been deemed a Vexatious Litigant in California Courts based on similar behavior, filings, and actions she is now undertaking in the present case. For the reasons provided herein, the Court should deny the Defendant any relief sought and strike the pleadings.

I. STATEMENT OF FACTS

1. On or about November 9, 2021, Plaintiff filed a Complaint for Possession of Personal Property and Breach of Contract (hereinafter "Complaint") against Monica Rene Hall (AKA Princess Emilily Hotep El) (hereinafter "Defendant"), for damages resulting from the Defendant's default on a contract for purchase of a vehicle. The basis for the Complaint is summarized below. A true and correct copy of the Complaint is attached hereto as **Exhibit A** and incorporated herein by reference.

2. On or about August 26, 2019, Defendant executed a Simple Interest Vehicle Contract For Sale And Security Agreement (hereinafter the "Contract"), to finance the purchase of a 2015 Kia Optima, Vehicle Identification No. KNAGN4AD2F5084744 (hereinafter the

"Vehicle"). (*See* Exhibit A, Complaint, Exhibit A.)

3. The Contract is secured by a security interest in the Vehicle. Plaintiff perfected its security interest in the Vehicle as evidenced by the Electronic Title Document. (*See* Exhibit A, Complaint, Exhibit B.)

4. Defendant defaulted on the Contract by failing to make payment thereon when due. As of July 15, 2021, there was due, owing, and unpaid to Plaintiff under the Contract the principal sum of $17,192.54, plus $1,206.61 finance charges and $90.00 late charges. (*See* Exhibit A, Complaint, Para. 8.)

5. As a result of the default on the Contract, on or about November 9, 2021, Plaintiff filed the Complaint. (*See* Exhibit A.)

6. On January 12, 2022, Defendant was served with the Summons and Complaint at her place of employment, Summerlin Banburry Cross Healthcare Center in Las Vegas, Nevada. A true and correct copy of the Declaration of Service of Summons; Complaint is attached here to as **Exhibit B** and incorporated herein by reference.

7. Defendant failed to file a responsive pleading. Accordingly, Plaintiff Defendant's default was entered on February 18, 2022. A true and correct copy of the Default is attached hereto as **Exhibit C** and incorporated herein by reference.

8. On or about February 22, 2022, Defendant filed the Notice of Special Appearance and Notice of Constitutional Question, which the Court set for hearing on April 12, 2022. (*See* Dckt. No. 7 and 8.)

9. On or about March 24, 2022, Defendant filed the Motion for Court Appointed Receivership, which the Court also set for hearing on April 12, 2022. (*See* Dckt. No. 24.)

II. RESPONSE

Plaintiff files the following response to the pleadings referenced herein:

A. Notice of Special Appearance By Consul is improper as it was not filed by a Nevada-licensed attorney.

Defendant has filed a Notice of Special Appearance, in which Prince Ra El appears to be attempting to appear as Special Counsel in the matter. (*See* Dckt. No. 7.) A review of the State Bar

of Nevada website shows there is no Nevada-licensed attorney named Prince Ra El. Therefore, appearance of Prince Ra El as counsel in the matter is improper. In the Notice of Appearance, it appears the Defendant is also attempting to collaterally attack the entered default and untimely respond to the Complaint. As Defendant's attempted response to the Complaint is untimely, Plaintiff requests the Court strike Defendant's Notice of Appearance or, in the alternative, deny any relief sought. Even if the Court was to consider Defendant's argument as set forth in the Notice of Appearance, they fail for multiple reasons.

1. Service of Process on the Defendant was Proper.

In the Notice of Special Appearance, Defendant argues she was not properly served with the Summons and Complaint. Defendant states "Wrong Name MONICA RENEE HALL doesn't exist to my knowledge, failure of due process, …" (*See* Dckt. No. 7, Page 4, lines 21 – 22).

Defendant entered into the Contract as Monica Rene Hall. Subsequently, Defendant changed her name from Monica Rene Hall to Princess Emilily Hotep El. A true and correct copy of the Order for Change of Name entered by the Eighth Judicial District Court, Clark County, Nevada, in Case No. D-21-624115-N is attached as **Exhibit D** and incorporated herein by reference. Defendant Monica Rene Hall and Princess Emilily Hotep El are the same person.

On January 19, 2022, Defendant was served with the Summons and Complaint at her place of employment, Summerlin Banburry Cross Healthcare Center in Las Vegas, Nevada ("Summerlin"). Substitute service was completed on a staff member who confirmed the Defendant is an employee at Summerlin. (*See* Exhibit B.)

Plaintiff confirmed Defendant's place of employment by reviewing the Nevada State Board of Medical Examiners website which shows Princess Emilily Hotep El is employed as a Physician Assistant with an address of 10105 Banburry Cross, Las Vegas Nevada, which is the address for Summerlin. A true and correct copy of the printout from the Nevada State Board of Medical Examiners website is attached as **Exhibit E**, and incorporated herein by reference.

Based upon the foregoing, service was properly effectuated on the Defendant. As such, the Defendant's default was properly entered and the Court should deny her any relief in the request

to now collaterally attack the entered default.

2. The Default is Proper Because Defendant is in Default for Failure to Appear.

NRCP, Rule 55 governs the process for entry of default and setting aside a default. It states in pertinent part:

> (a) **Entering a Default.** When a party against whom a judgment for affirmative relief is sought has failed to plead or otherwise defend, and that failure is shown by affidavit or otherwise, the clerk must enter the party's default.
> . . .
> (c) **Setting Aside a Default or a Default Judgment.** The court may set aside an entry of default for good cause, and it may set aside a final default judgment under Rule 60(b).

NRCP, Rule 55.

a. Entry of Default was Property because Defendant Failed to Timely Appear.

Defendant was served with the Summons and Complaint on January 19, 2022. (*See* Exhibit B.) Defendant failed to file a responsive pleading. Accordingly, Defendant's default was properly entered on February 18, 2022. (*See* Exhibit C.)

b. There is no Good Cause to Set Aside the Default.

Defendant, in her pleadings, has stated numerous alleged facts and cited both State and Federal law, without drawing any coherent legal conclusions. Defendant has made no showing of a valid defense, or that the she will be successful on the merits of the case which may warrant the setting aside of the current Default. Indeed, Defendant received adequate notice of this case, had she wanted to adjudicate the claims upon their merits she was given proper notice and opportunity to timely file a responsive pleading. Defendant has failed to address the merits of the case, but rather has filed numerous documents citing dubious facts, irrelevant law, and no legal analysis. Nor had Defendant presented any facts or law which indicate she will prevail on the claims. Therefore, Defendant has shown no good cause why the Default should be vacated.

B. Defendant's Notice of Constitutional Question & Subpoena is an Improper Filing and fails to clearly identify any Relevant Constitutional Question at Issue.

In filing the Notice of Constitutional Question & Subpoena ("Notice of Constitutional Question"), it appears Defendant is questioning whether the present Court has jurisdiction over the

matter based on Defendant's alleged status as a "National Aboriginal American Moor". (*See* Dckt. No. 8.) Defendant's Notice of Constitutional Questions also includes a series of citations to the Nevada Revised Statutes, Uniform Commercial Code, and U.S. States Code, which do not appear to be relevant to the instant matter. Moreover, Defendant draws no clear, cogent connection between the legal citations and the facts of this case. The Notice of Constitutional Question also appears to oppose the entry of Defendant's Default, which fails as provided above.

C. Motion for Court Appointed Receivership is unsupported by law or the facts in the case.

In her Notice Motion For Court Appointed Receivership For Judgment Liens, Defendant requests the Court appoint a receiver for the "revenue generated from the lien funds and or property". (*See* Dckt. No. 24.) It is unclear what revenue the Defendant is referring to, however she may be referring to a judgment entered against her in favor of Plaintiff in the instant case. Again, the pleading contains a jumble of State laws, with no clear connection to the facts of this case, and no clear legal conclusions drawn.

To the extent this pleading seeks to have a Court-appointed receiver hold any funds obtained by Plaintiff as the result of a judgment in the matter, Plaintiff opposes the appointment as unnecessary and unsupported by law or the facts in the case.

D. Defendant has been deemed a Vexatious Litigant in California Courts based on behavior which is similar to Defendant's behavior this action.

On December 17, 2019, the Superior County of California, County of Los Angeles, entered a Prefiling Order – Vexatious Litigant, prohibiting the Defendant, unless represented by an attorney, from filing any new litigation in the courts of California without approval of the presiding judge of the court in which the action is to be filed ("Vexatious Litigant Order"). A true and correct copy of the Vexatious Litigant Order is attached hereto as **Exhibit F** and incorporated by reference.

The Vexatious Litigant Order was the result of multiple, frivolous court filings, similar to documents filed in the instant case, as shown on the court docket in that case, in which Defendant was a Pro Se plaintiff. The filings in that case appear similar in nature to the documents filed in the instant case such as: "Notice of Special Appearance", "Opposition Remainder of Corpus

Delicti & Stare Decisis Fiduciary Duty of the Court Orders of Removal to its Proper Jurisdiction-Claimants are Moor Americans 28 U.S.C. 1331-U.S. Code U.S.C.", and "144(a) Treaty of peace and Friendship". A true and correct copy of the Court Docket in Superior County of California, County of Los Angeles Case No. 19STLC03737 is **Exhibit G** and incorporated by reference.

Plaintiff acknowledges the Vexatious Litigant Order is not binding on this Court. However the Vexatious Litigant Order shows a pattern of behavior by the Defendant to hinder and delay the progress of litigation by filing multiple and frivolous court pleadings. That pattern of behavior appears to be continuing in the instant matter. Based upon the foregoing, the Court should strike all of Defendant's irrelevant and untimely pleadings and deny the Defendant any relief sought.

III. CONCLUSION

Plaintiff requests the Court consider the facts presented here in ruling on the matters set for hearing on April 12, 2022. Plaintiff's filings are irrelevant, improper, and obviously filed to continue her scheme to delay Plaintiff's from properly exercising its state law remedies as it pertains to Plaintiff's collateral. The filings are also improper, untimely, and completely lack any merit. Additionally, Defendant had proper notice of the claims against her and has not presented any facts or evidence to demonstrate a likelihood that she would prevail on the claims if the Default was set aside. Accordingly, setting aside the Default would only create undue delay, increased fees and costs, and therefore is not warranted in this case. Plaintiff requests the Court strike Plaintiff's filings, or in the alternative, deny the Defendant any relief sought.

EIGHTH JUDICIAL DISTRICT COURT

CLARK COUNTY, NEVADA

ALLY BANK, Plaintiff, v. MONICA RENE HALL, Defendant.	Case No. **VERIFIED COMPLAINT FOR POSSESSION OF PERSONAL PROPERTY AND BREACH OF CONTRACT** **ARBITRATION EXEMPTION CLAIMED:** Action Seeking Extraordinary Relief: Claim and Delivery

Plaintiff ALLY BANK (hereinafter "Plaintiff"), alleges as follows:

FIRST CAUSE OF ACTION

(Possession of Personal Property)

1. Plaintiff is a Utah Corporation and at all times herein mentioned was authorized to do business in the State of Nevada.

2. Plaintiff is informed and believes and thereon alleges that Defendant, MONICA RENE HALL (hereinafter referred to as "Defendant"), is and at all times herein mentioned was an individual residing in the County of Clark, State of Nevada.

Case Number: A-21-843907-C

3. On or about August 26, 2019, Defendant, for valuable consideration, made and executed a Simple Interest Vehicle Contract For Sale And Security Agreement (hereinafter the "Contract"), with Jim Marsh KIA (the "Dealer") in the principal amount of $20,128.88, together with finance charges on the unpaid principal at the annual percentage rate of 11.44 percent (11.44%) in order to finance the purchase of a 2015 Kia Optima, Vehicle Identification No. KNAGN4AD2F5084744 (hereinafter the "Vehicle"). Pursuant to the terms of the Contract, Defendant promised to pay seventy five (75) regular monthly installments of $378.67 commencing October 10, 2019. A true and correct copy of the Contract is attached hereto as **Exhibit A** and incorporated herein by reference.

4. Subsequently, all right, title and interest in the Contract were assigned to Plaintiff, which is now the current and lawful holder of the Contract. A true and correct copy of the Assignment is included as part of the Contract, which is attached hereto as **Exhibit A**.

5. The Contract is secured by a security interest in the Vehicle Plaintiff then designated its affiliate Ally Financial Inc. as its collateral agent to appear as lienholder of record for the benefit of Plaintiff on the Vehicle's certificate of title. Plaintiff duly perfected its security interest in the Vehicle as evidenced by the Electronic Title Document, a true and correct copy of which is attached hereto as **Exhibit B** and incorporated herein by reference.

6. Plaintiff has performed all obligations on its part to be performed under the terms of the Contract.

7. Defendant has defaulted on the Contract by failing to make payment thereon when due.

8. As of July 15, 2021, there was due, owing, and unpaid to Plaintiff under the Contract the principal sum of $17,192.54, plus $1,206.61 finance charges and $90.00 late charges.

9. The Vehicle is being wrongfully detained by the Defendant. Defendant has no cause or reason to detain the Vehicle from Plaintiff due to the default under the Contract as set forth above, upon which the right of possession in favor of the Plaintiff is based.

10. By virtue of the foregoing facts, Plaintiff is entitled to immediate and exclusive possession of the Vehicle.

11. Plaintiff is informed and believes and based thereon alleges that prior to default, Defendant had the power to possess and control the Vehicle and hence continued to retain possession of the Vehicle for the purpose of deriving use and benefit therefrom. However, Defendant now refuses to return the Vehicle to Plaintiff.

12. Plaintiff is informed and believes that the Vehicle may be located at 7500 W Lake Mead Blvd, Suite C309, Las Vegas, NV 89128.

13. Plaintiff is informed and believes and based thereon alleges that the Vehicle has not been taken for a tax assessment or fine pursuant to a statute or seized under an execution against the Vehicle.

14. As Defendant is in possession of the Vehicle, Plaintiff has limited means of estimating its approximate value. However, based on the J.D. Power/NADA Guide, Plaintiff believes that the approximate average trade in value is $12,000.00. Any opinion of the approximate value of the Vehicle expressed by Plaintiff is not intended or meant in any way to prejudice Plaintiff's entitlement to a deficiency judgment against Defendant in the event the sale of the Vehicle under any applicable law results in the recovery of a lesser sum. A true and correct copy of the appropriate page of the J.D. Power/NADA Guide is attached hereto as **Exhibit C** and incorporated herein by reference.

15. As a result of the Defendant's wrongful detention of the Vehicle, Plaintiff has suffered the loss of use and enjoyment of the Vehicle. Plaintiff has suffered further damages due to depreciation and deterioration according to proof at trial.

16. All conditions precedent to the relief requested have occurred or have been waived.

17. Neither the filing of this case nor the statement of this cause of action are intended to be construed as a waiver or other relinquishment of Plaintiff's rights to proceed against the Vehicle in any manner provided in the Contract or otherwise provided by law or in equity.

SECOND CAUSE OF ACTION

(Breach of Contract)

18. Plaintiff repeats, re-alleges and incorporates by reference the allegations contained in the preceding paragraphs as if fully set forth herein.

19. Defendant has defaulted on the Contract and, despite demand therefor, as of July 15, 2021 were indebted to Plaintiff in the principal sum of $17,192.54, plus $1,206.61 finance charges, $90.00 late fees, and costs pursuant to the terms of the Contract. Other charges may continue to accrue according to the Contract.

20. The Contract provides that Defendant will pay Plaintiff's reasonable attorneys' fees, together with all costs incurred in connection with Plaintiff's enforcement and collection of the amounts due, irrespective of whether suit is filed.

WHEREFORE, Plaintiff prays for judgment against Defendant as follows:

ON THE FIRST CAUSE OF ACTION

1. For possession of the Vehicle or, if the Vehicle cannot be delivered, for its value;

2. For damages equal to the rental value of the Vehicle from the date of Defendant's default under the Contract until judgment is entered according to proof;

3. For damages caused by depreciation and deterioration of the Vehicle according to proof; and

4. For costs of suit incurred herein.

ON THE SECOND CAUSE OF ACTION

1. For the principal sum of $17,192.54;

2. For finance charges, late fees, and costs pursuant to the terms of the Contract;

3. For all late, repossession and investigative fees;

4. For reasonable attorneys' fees;

5. For costs of suit incurred herein; and

6. For such other and further relief as this court may deem just and proper.

ADDITIONAL TERMS AND CONDITIONS

Simple Interest Contract: This is a simple interest contract. The Finance Charge, Total of Payments and Payment Schedule set forth in the disclosures on page 1 of 2 may differ. The final payment may differ depending upon the dates payments are received and events which occur after this contract is made. For example, early payments will have the effect of reducing your final payment, while late payments will cause your final payment to be higher. Your promise requires you to pay the final payment on the date due, which payment will be equal to all unpaid sums due under this contract, even if the amount of the final payment differs from the amount of final payment disclosed on page 1 of 2 of this contract.

Default: If you default in the performance of this agreement, because (1) you fail to make a payment later than 30 days past the date required by the agreement, or (2) the prospect of payment, performance or realization of collateral is significantly impaired (the burden of establishing the prospect of significant impairment is on the Seller), we may at our option and without notice or demand (1) declare all unpaid sums immediately due and payable, (2) file suit against you for all unpaid sums, and (3) take immediate possession of the vehicle. Upon taking possession of the vehicle and giving notice as provided by law, if you do not redeem the vehicle, we will sell it at public or private sale. We may purchase the vehicle at any sale. The proceeds of the sale will be applied first to the expenses of retaking, reconditioning, storing and selling the property, and the remainder will be applied to the unpaid sums owing under this contract. Attorney's fees and court costs are allowed too. If there is any money left over (surplus), it will be paid to you. If a balance still remains owing, you promise to pay that balance upon demand. If you default or breach this agreement, you agree to pay finance charges at the Annual Percentage Rate shown on page 1 of 2 until all sums owing us are paid in full. Our remedies are cumulative and taking of any action is not a waiver and does not prohibit us from pursuing any other remedy. You promise to pay reasonable collection costs and expenses, including attorney's fees, if you default under this agreement. If suit is filed, you agree that attorney's fees and costs will be awarded to the prevailing party. If the vehicle is repossessed, we may store personal property found in the vehicle for your account and at your expense and, if you do not claim property within 90 days after the repossession, we may dispose of the personal property in any manner we deem appropriate without liability to you.

Delinquency and Collection Charges: You will pay a delinquency charge equal to the lesser of $15 or 8 percent of any installment in default for more than 10 days. If you default as described in the preceding paragraph and we refer this contract for collection to an attorney who is not our salaried employee or a salaried employee of the holder of this contract, you will pay reasonable attorney's fees plus court costs, and reasonable collection costs to the extent not prohibited by law.

Demand for Full Payment and Additional Remedies on Default: If you default under this contract, at the time of the default or any time after default (if the default has not been cured previously) we may require immediate payment of the unpaid portion of the amount you owe us. If there is any money left over (surplus), it will be paid to you. On any default, we will have all the remedies of a secured party under the Uniform Commercial Code. If the cash price on page 1 of 2 is $1,000 or less, you will not be personally liable for any deficiency incurred in a sale after repossession.

Ownership of the Collateral: You represent that there are no liens, claims or encumbrances on the Collateral except for the security interest you grant by this contract to us and you further represent that you have executed no financing statement covering the Collateral except for one relating to this contract.

Location and Use of Collateral: You agree to notify us in writing of any change of your address or of any change in the location of the Collateral. Unless you first have received our written consent, you may not permanently take the Collateral out of the State shown in Section D in the section entitled "Address Where Collateral Will Be Located" and you may not sell, lease or otherwise dispose of the Collateral or any part of it by any means. You will comply with all laws, ordinances, regulations and orders relating to the Collateral. You will keep the Collateral in good condition and will not alter or substantially modify it or conceal it. You will not allow any other security interest on the Collateral besides the security interest granted to us under this contract.

Inspection of the Collateral: We may inspect the Collateral at any reasonable time.

Taxes: You are responsible for and will pay when due all taxes and assessments levied on the Collateral. If you fail to do so, we may pay any such tax or assessment on your behalf. An amount equal to that which we paid will be added to the Total of Payments then owing, and you will be charged a finance charge on the amount we paid at the highest lawful contract rate.

Property Insurance: You will keep the Collateral insured against such risks and in such amount as we may from time to time require with an insurer that you choose and we approve. As indicated in Section B, if you choose, we will obtain property insurance for you at the premium shown. Whether the insurance is provided by you or by us, you will pay all premiums for this insurance when the premiums are due and payable. If you provide property insurance, you will deliver the policies to us as additional security and will provide us with receipts showing payment of premiums. If you do not obtain the insurance or pay the premiums, we may do so for you. If we do this, an amount equal to that which we have paid for the premiums will be added to the Total of Payments then owing and a finance charge at the highest lawful rate will be charged on that amount. If we do not obtain the insurance, none of our other rights or remedies will be prejudiced. You agree that any proceeds from insurance are to be used to either repair or replace the vehicle. Whether or not the vehicle is insured, you must pay for it if it is lost, damaged or destroyed. If you default (as described on page 2 of 2), we may cancel the insurance and credit any insurance premium refunds to the unpaid balance of this contract.

LIABILITY INSURANCE IS NOT REQUIRED BY THIS CONTRACT. YOU HAVE THE RIGHT TO CHOOSE THE PERSON THROUGH WHOM LIABILITY INSURANCE IS TO BE OBTAINED.

Information to Insurance Company or Agent: You give your permission to furnish any information about the Collateral or any information about insurance policies on the Collateral to an insurance agent or company.

Credit Life Insurance, Credit Disability Insurance and Debt Cancellation Coverage (GAP Coverage): If you indicated in Section B that you want optional credit life insurance, credit disability insurance or debt cancellation coverage (GAP coverage), or any combination thereof, you agree to pay for such insurance at the premium shown in Section B.

NO WARRANTIES: THE SELLER MAKES NO REPRESENTATIONS, PROMISES OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY OF THE COLLATERAL OR WHETHER THE COLLATERAL IS SUITABLE OR FIT FOR THE PARTICULAR PURPOSE INTENDED UNLESS THE SELLER HAS DONE SO IN THIS CONTRACT OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY THE SELLER AS THE ORIGINAL SELLER OF THE COLLATERAL. HOWEVER, IF THE SELLER MAKES AN EXPRESS WARRANTY IN THIS CONTRACT OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY THE SELLER OR, WITHIN 90 DAYS AFTER THE DATE OF THIS CONTRACT, THE SELLER ENTERS INTO A SERVICE CONTRACT WITH THE BUYER THAT APPLIES TO THE COLLATERAL, THE EXCLUSION OF IMPLIED WARRANTIES SET FORTH IN THIS PARAGRAPH DOES NOT EXCLUDE ANY IMPLIED WARRANTIES THAT MAY EXIST WITH RESPECT TO THE COLLATERAL DURING THE TERM OF THE CONTRACT OR AGREEMENT IN WHICH THE EXPRESS WARRANTY IS MADE.

Notices: Any notice we have to give you pursuant to the Uniform Commercial Code will be reasonable if we send it to your address shown in Section D in the section entitled "Your Address After Receipt of Possession of Collateral" at least 5 days before the event with respect to which notice is required unless we have actual knowledge of a change in your address and, in that event, the notice will be reasonable if we send it to the changed address.

Time Is of the Essence: You understand that all payments that are required must be made on the day due.

Exercising our Rights: We can, without notice, delay enforcing our rights or exercise only part of them, without losing them, or waive a right we have to one Buyer without waiving it as to the other(s).

Meaning of Words: In this contract the words "you" and "your" means each and all those who sign this contract as Buyers or Co-Buyers, and their heirs, executors, administrators, successors and assigns. The words "we," "us" and "ours" means the Creditor shown on page 1 of 2 in Section A, and if this contract is assigned, its successors and assigns and any other holder of this contract.

Governing Law: This contract has been delivered in the State of Creditor's place of business and will be governed by the laws of that State and applicable federal law.

Invalidity: Wherever possible each provision of this contract shall be interpreted so that it is valid under applicable law, but if any provision is prohibited or invalid, the remaining provisions of this contract will continue to be valid.

Notice of Rescission Rights (Option to Cancel): The provisions of this paragraph only apply if you have signed the notice of rescission rights on page 1 of 2 of this contract. (1) You agree to furnish the Seller any documentation necessary to verify information contained in your credit application. (2) You acknowledge that it may take a few days for the Seller to verify your credit and assign the contract. In consideration of the Seller agreeing to deliver the vehicle, you agree that if the Seller is unable to assign the contract to a Financial Institution with whom the Seller regularly does business pursuant to terms of assignment acceptable to the Seller, the Seller may elect to rescind the contract. (3) If the Seller elects to rescind the contract, the Seller shall, within 20 days after the date of the contract, give you notice of the rescission. Narrative

Incident Description	On May 10 around 1:15 pm my husband and were illegally forced from our home with no warrant or search warrant -the 4th amendment violation ,from 3 unknown man dressed in highway clothing driving what appeared to be a highway patrol bike and truck and a lock smith. They said we were being evicted. They claimed that we had to leave or would take us by force. None of the men would gave their name nor did anyone have a body cam. When asked for warrant they refused to give anything but made threats of unpleasant events if we did not cooperate. The other two refused and were very intimating holding there hands on there hips on there guns. When my husband ask for the Sheriff they laughed and stated he was not in town " He is in D.C" Due to fear of being killed we left the home. During that time of removal the HOA President and VP was at the seen. Unknowning to them they did not know that the house has multiple cameras that have recorded and captured them plotting to do damage to our home. On or around May 17 the camera captured them taking down part of or gate. A few days later one of them was on the property again but saw people looking at him and walked away. On May 26 the camera captured them on the property again taking down the Moroccan flag. 18 USC 1341-18 USC 1351.

AFFIDAVIT OF TRUTH THE JUDGE IS BIASED THE CASE SHOWS CLOSED AND NO ONE SERVED ME NOTICE OF ANY HEARINGS I WILL NOT PARTICIPATE IN A MATTER I AM NOT PARTY TO AS STATED BY THE JUDGE HERSELF

I ;princess emilily hotep el political status ; classified True A-1 Freehold by inheritance Diplomatic and Tax Immune Registration N: AA222141 Princess Emilily El an Al Moroccan and not a United States citizen and in my own Sui Juris and I have never given over personal jurisdiction to anyone nor do I have a contract with said parites. As Confusing as it is, the Judge attempting to create Jurisdiction by calling me a pro se or pro per litigant or a defendant stated in her own writing that, I princess emilily hotep el is not a party to this matter only a

DISCHARGE OF DEBT BY WAY OF TENDER OF PAYMENT & COMMERCIAL PAPER INSTRUMENTS

MONICA RENEE HALL is. Ally Bank has wrongfully alleged damages for a debt that was paid in the correct proper lawful legal way.

They refused the payment therefore the matter is now discharged Cc UCC 3-603[b] in the amount of $17,409.29 by way of instrument commercial paper made on December 24th, 2020. The property remains in the possession of the Monica Rene Hall Trust business affairs and the foreign trustees are made aware of the matter and of the location of the property by way of tracking instruments and documents. My status is clear and I'm Sui Juris a non resident nor a citizen of the USofA.

On multiple occasions I was not allowed to defend my property due to the Judge stating that I was not a party to the matter letter dated June 23, 2022 3am filed 5pm that evening. So I am not participating in the matter for I have received notice that I am not a party to the matter but I am constantly harassed stalked followed by the Attorneys in this matter whom never shown that they were given authority by motion filed with this court as of November 9, 2021.

The judgment has been satisfied, released, or discharged - The woman named MONICA RENEE HALL is not my name. The Plaintiffs filed this matter to sander harass stalk and make me ashamed and embarrassed of my heritage. The woman princess emilily hotep el is not the Defendant in this matter and she is not a U.S. citizen nor a resident of Las Vegas NV rather she is an Al Moroccan American and secured the property lawfully as stated many times over by way of tender of payment by way of her pecuniary compensation her political status ; classified True A-1 Freehold by inheritance Diplomatic and Tax Immune Registration N: AA222141 Princess Emilily El & the (MONICA RENE HALL TRUST) for property paid in full by tender of payment.

My personal and private email is princessem[redacted]@gmail.com if you have emailed anyone else other than this email that is in error I was not notified in my correct title status and nobility aka name. I made a personal appearance by pleading on many occasions and note that the idea of an online appearance is unConstitutional by law. I blocked my email for privacy purposes rathe the Court has my email.

This Judge has been given all the evidence that the debt has been paid rather she ignores these facts this is why the case was removed from their Courts to the Article III lawful Constitutional Consular Court. Her continuous bias is a favorable opinion that is inappropriate because it is not deserved, rests upon knowledge that the judge should not possess, or because it is excessive, and a retaliation due to liens filed.

Ally Bank was properly served by my claim filed with the Consular Court proof of service made June 12, 2021 and the Default Judgement was made on August 1, 2021 as they only responded by email by an executive named Brandon. This was presented to the lower Court Judge Kishner on or about November 17, 2021. It was overlooked or ignored.

The tender of payment was made in the amount of $17,409.29 on 12/24/2020. Ally Bank et. al,... nonetheless has continued to steal money from the pecuniary compensation by way of alleged or fraudulent taxes not limited to others in tort as parties in other legal matters.

I have also presented this information to the CFPB FTC and other Federal Government Agencies whom acknowledged the payment and also fined both Experian whom later removed the alleged debt paid by tender from my credit report as of January 17, 2023.

My legal consular official and my cohort prince ra el recommend that I filed documents showing this is the truth as on January 23, 2023 without any notice of a hearing being held against me princess emilily hotep el nor has anyone contacted me concerning any hearings, as the case shows closed on the docket.

Therefore I am right based upon the documents filed by this lower court on June 23, 2022 stating that princess emilily hotep el is not a party to the matter therefore I am right to not participate. The judge in this matter shows bias due to the confusing statements made in her own writings, one day im not a party to the matter, the case is showing closed, but she also said she would allow the proof of service to be allowed into court as evidence while the evidence shows that by witnesses that the courier served someone from my former employer whom I am not related to and I never seen the summons or complaint.

More over the courier came to my private abode and could've left it with prince ra el my cohort, rather said the courier I cannot leave this with you I have to leave it with Monica Renee Hall!!!! The Default Judgement should be set aside and the Plaintiff Ally Bank should file a new complaint against the correct party with evidence that the debt was not paid and a loan actually took place when they were not a party to the closing when the property was brought.

Going back to the documents stricken from record by Judge Kishner was done to prevent the evidence or is obstruction of Justice allowing the alleged Plaintiffs to claim a Default when no one made contact with me, and this was done on purpose as in retaliation because Ally Bank et al, defaulted in the Consular Court on August 1, 2021 8am. They refused to appear when they signed the form 3811 delivered by the United States Post Office.

This evidence is on the Docket for this case and was stricken because the Judge did not like my cohort assisting me by way of consular official which is legal and lawful. She made a statement that no one could come into her courts practicing law without a license, this is biased and prejudice due to the fact Consular Official prince ra el is not attempting to practice law as a Barrister or Esq., rather he assisted me as my Consular Official which by law we are allowed to have in a foreign Jurisdiction outside of Al Morocco.

The Lawfirm Aldridge Pite Haan llp and their attorneys from California filed fraudulent documents with the Court making false allegations that they served me on three occasion, the first was alleged to have served me while I was at a UPS store, the second attempt claimed to have served me on a Sunday at my former employer whereas the service stated it was delivered Sunday Morning at 7am approximately.

She has knowledge that there is a conflict of interest between Aldridge Pite Haan its Esp.s attoenys or Barristers whom participated in an ongoing investigation of fraud claiming they foreclosed upon my private property located in CA, June 18,2020 during the COVID19 shutdown. While the State Dept. US Dept of HUD/FHA federal housing authority stated that they did an adverse claim and not a foreclosure, they also filed or attempt to file documents with the California Courts and it was rejected. The alleged debt is claimed to a MONICA RENEE HALL, this is not my name and the spelling is strange enough but the Judge in this matter ignores these facts of evidence as I have presented my National Identification Card multiple times.

I have made several warnings to all parties attempting to make theft and fraudulent attempts to take my property and have filed liens and security instruments against all whom participated in TORT Cc the Environmental Protection Agency for those in TORT Cc the docket. I have never been served and no one accusing me of a debt has proof or evidence of such a false accusation.

NOTICE OF SPECIAL APPEARANCE ON FILED DOCKET - I give notice of special appearance now and again for I will not be participating in the alleged compliant for I am not a party as stated by Judge Kishner and the Clerk of the Court and within this Affidavit I give notice that I am not the entity ***MONICA RENEE HAL***L nor have I ever been and I am the beneficiary of a Trust with similar spelling.

Sincerely,

ARE; princess Emilily el/UCC1-308

DISCLOSURES

28 U.S. Code § 144 - Bias or prejudice of judge - Whenever a party to any proceeding in a district court makes and files a timely and sufficient affidavit that the judge before whom the matter is pending has a personal bias or prejudice either against him or in favor of any adverse party, such judge shall proceed no further therein, but another judge shall be assigned to hear such proceeding.

The affidavit shall state the facts and the reasons for the belief that bias or prejudice exists, and shall be filed not less than ten days before the beginning of the term at which the proceeding is to be heard, or good cause shall be shown for failure to file it within such time. A party may file only one such affidavit in any case. It shall be accompanied by a certificate of counsel of record stating that it is made in good faith.

TITLE 1 STATE JUDICIAL DEPARTMENT Chapter 1 Judicial Department Generally NRS 1.235 Procedure for disqualifying judges other than Supreme Court justices. NRS 1.235 Procedure for disqualifying judges other than Supreme Court justices.

1. Any party to an action or proceeding pending in any court other than the Supreme Court, who seeks to disqualify a judge for actual or implied bias or prejudice must file an affidavit specifying the facts upon which the disqualification is sought. The affidavit of a party represented by an attorney must be accompanied by a certificate of the attorney of record that the affidavit is filed in good faith and not interposed for delay. Except as provided in subsections 2 and 3, the affidavit must be filed:

(b) Not less than 3 days before the date set for the hearing of any pretrial matter.

2. Except as otherwise provided in this subsection and subsection 3, if a case is not assigned to a judge before the time required under subsection 1 for filing the affidavit, the affidavit must be filed:
(a) Within 10 days after the party or the party's attorney is notified that the case has been assigned to a judge;
(b) Before the hearing of any pretrial matter; or
(c) Before the jury is empaneled, evidence taken or any ruling made in the trial or hearing,
whichever occurs first. If the facts upon which disqualification of the judge is sought are not known to the party before the party is notified of the assignment of the judge or before any pretrial hearing is held, the affidavit may be filed not later than the commencement of the trial or hearing of the case.

Cc § 3-603. TENDER OF PAYMENT. (b) If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument and the tender is refused, there is discharge, to the extent of the amount of the tender, of the obligation of an indorser or accommodation party having a right of recourse with respect to the obligation to which the tender relates.

NRS 104.3603 - Tender of payment 2. If tender of payment of an obligation to pay an instrument is made to a person entitled to enforce the instrument and the tender is refused, there is discharge, to the

extent of the amount of the tender, of the obligation of an endorser or accommodation party having a right of recourse with respect to the obligation to which the tender relates.

This proof of payment has been provided to this court rather they continue to harass me and ignore the laws of this land, I cannot participate therein fraudulent actions as they are now attempting to create a new action without providing me proof that I have a contract with them or any relations as to this alleged debt and now my legal team consular has proceeded to collect on the liens and writ of execution filed stamped and sealed due to the ongoing injuries caused by Aldridge Pite Haan and allegedly claiming to represent as foreign nationals that of Ally Bank without a Motion of Authority letter from Ally Banks BOD'S.

The summons and complaint were never personally served - to the defendant who judgment was entered against MONICA RENEE HALL who is not Princess Emilily Hotep El whom was never served a Summons and or Complaint. The vary documents was left with a outside third party at a former employer whom sent the documents back by mail delivery courier.

One minute I am told the case is closed which means dismissed and or shut stayed etc,.. and not once have Aldridge Pite Haan make contact with princess emilily hotep el for a hearing or a contract between to foreign nationals to settle the matter rathe they push for a Default Judgement using my social security number with a name used as MONICA RENEE HALL? This is illegal and fraud created by the retaliation of Aldridge Pite Haan whom plays a role in many parts of my private life by stalking me for my home in California and now in Nevada.

The attached notice means that your home was recently sold in foreclosure and the new owner plans to evict you.

You should talk to a lawyer NOW to see what your rights are. You may receive court papers in a few days. If your name is on the papers it may hurt your credit if you do not respond and simply move out.

Also, if you do not respond within five (5) days of receiving the papers, even if you are not named in the papers, you will likely lose any rights you may have. In some cases, you can respond without hurting your credit. You should ask a lawyer about it.

You may have the right to stay in your home for 90 days or longer, regardless of any deadlines stated on any attached papers. In some cases and in some cities with a "just cause for eviction law," you may not have to move at all. But you must take the proper legal steps in order to protect your rights.

How to Get Legal Help

If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at California Legal Services Internet Web site (www.lawhelpca.org), the California Courts Online Self-Help Center (www.courtinfo.ca.gov/selfhelp), or by contacting your local court or county bar association.

Greetings and thank you, thank you, thank you, for reading and taking some interest in our claims and complaints. We have been forced from our home by multiple people at multiple times. We are willing to assist with any payments by way of instruments bonds or other.

There was false claims for foreclosures on both homes while Bank of America provided payoff documents for the Abode in California Republic. Be very careful that the opposition do not deceive you with the words "Sovereign citizen" This is an oxymoron and is not possible to be both either you one or the other and our sovereignty comes from our Nationality Appellation and Aboriginal heritage. We are our own government recognized and acknowledged within the United States Governmental Agencies Corporation.

State Farm Insurance and Liability Findings; The Fire and Claims Department of State Farm Insurance conducted an investigation following the damage, injury, and theft that occurred at my private domicile.

Their internal findings indicated that the harm was caused by actions or inactions of the local municipal government or its agents. Despite this conclusion, State Farm Insurance denied coverage for the losses, citing policy terms, even though I hold umbrella coverage that explicitly includes protection for personal property, liability, and defense in such cases.

The denial of rightful coverage further compounds the injury to my estate and is being preserved as evidence of breach of contractual duty, negligent claims handling, and possible collusion between the insurer and the municipal agents or HOA parties.

SUPPLEMENTAL EXHIBIT PACKAGE

VEHICLE CONTRACT, PDP / DMV / ELECTRONIC TITLE, FID, SIGNATURE, ASSIGNMENT, AND DOCUMENT-PROVENANCE EVIDENCE

Purpose. This package preserves the vehicle-contract authenticity dispute together with the later PDP / electronic-lien-title and Nevada Financial Institutions Division materials. Inclusion of a document is not itself a finding that a signature was forged, that a database was unlawfully accessed, or that a particular attorney or entity created an altered record. Those questions are presented for authentication, chain-of-custody review, and actor-by-actor findings.

Formal Demand and Rebuttal – Fraudulent Electronic Title Record

To: PDP Group, Inc.

Hunt Valley, Maryland 21031
Phone: 410-584-1500

Subject: Fraudulent ELT Record – 2015 Kia Optima Hybrid (VIN: KNAGNA4D2F5084744) Cc Case No. OTH-24-002493 Case No. A-21-843907-C

We are writing on behalf of the House of Judah Estate Trust concerning an unauthorized and fraudulent electronic lien/title record allegedly processed through PDP Group systems under the name of Ally Bank.

I. Violation of Title Law and False Filing

A fabricated electronic title record dated July 12, 2021, has surfaced, showing a lien recorded via your platform or third-party electronic lien system. This document was never disclosed to the Estate Trust, never agreed upon, and post-dates a UCC-1 Financing Statement filed by the Trust on May 19, 2021. Said lien is recorded under #20210519606-2.
Furthermore, the vehicle in question has never been registered in the State of Tennessee, and the contract with the Nevada DMV was lawfully voided. The estate perfected its interest and filed a foreign judgment as of April 15, 2022—well before this unauthorized title was manufactured.

II. Criminal Liability and Civil Penalties

Your company may be held civilly and criminally liable for facilitating:
- Fraudulent title creation (Forgery / False Instrument)
- Interference with secured interest (UCC violations)
- Simulating legal process (18 U.S.C. §§ 1341, 1349)
- Data fraud and consumer harm

If PDP Group or its affiliates are knowingly participating in a scheme to create or sustain fraudulent ELT records, each count may subject the responsible parties to civil RICO liabilities and federal penalties.

III. Formal Demands

1. Immediate removal of any ELT or digital title record associated with VIN: KNAGNA4D2F5084744.
2. Written confirmation of the removal, with the name of any third-party financial institution involved.
3. Full disclosure of all internal communications, database actions, or requests tied to this record.
4. Cease and desist any further support for third parties asserting false claims of lien or ownership.

You are hereby notified that all title rights are retained by the House of Judah Estate Trust and any further unauthorized action shall result in prosecution. We request a written response within 5 business days.

Respectfully, By Authority of the Living Heirs Executors & Consul Officials:

COURT OF RECORD

FILED: October 9, 2026 — 9:09 a.m.

Clerk of the Court: Chief Justice Maria Ali Dey

PROPOSED SUPPLEMENTAL ORDER AND NOTICE CONCERNING EVIDENTIARY FINDINGS, PARTY CAPACITY, COURT-RECORD FRAUD / FRAUD UPON THE COURT, AND PRESERVATION AND CORRECTION OF THE RECORD

Related California Matter: Los Angeles Superior Court No. 19STLC03737
Related Nevada Matter: Eighth Judicial District Court No. A-21-843907-C
Related Federal Matter: District of Nevada No. 2:22-cv-00874-APG-DJA
Related Appellate Matter: Ninth Circuit No. 22-70183
Related Tax Matter: United States Tax Court Docket No. 2426-22

NOTICE OF PURPOSE AND EVIDENTIARY STANDARD

This proposed supplemental order is prepared for review by the legal team and, if approved, presentation to the Consular Court. It is intended to place the documentary conflicts before the Court in a form that permits specific findings rather than findings by association. The Court is requested to distinguish (1) what a source record proves on its face, (2) sworn testimony or affidavit evidence, (3) a party's allegation or contention, and (4) a legal conclusion that may be entered only after the Court determines the supporting facts.

For purposes of this proposed order, the phrase "court-record fraud" or "fraud upon the court" is used as a requested judicial finding concerning material misrepresentation, false attribution, misuse of identity or capacity, fabricated or materially unreliable proof, or other conduct directed to the integrity of a judicial proceeding. The phrase is not used merely because a ruling was adverse or because records conflict. The Court should enter such a finding only as to an identified actor and transaction for which the evidence establishes the necessary facts.

DOCUMENTARY FINDINGS PROPOSED FOR ADOPTION

1. Tax Court proceeding and jurisdictional disposition. The United States Tax Court docket identifies Ra Hotep El and Emilily Hotep El as Petitioners in Docket No. 2426-22. The docket reflects extensive filings, including affidavits, exhibits, a motion to enforce subpoena, responses concerning jurisdiction, discovery-related filings, judicial-notice filings, Rule 91(f) filings, and lien/levy-related filings. The later dismissal order states that no enumerated statutory notice or other determination was found that would confer Tax Court jurisdiction for tax years 2015 through 2022; the Court therefore dismissed for lack of jurisdiction and dismissed the pending motions as moot.

2. Affidavits and witnesses were placed in the Tax Court record. The Tax Court docket records affidavits associated with Princess Emilily Hotep El and Prince Ra Hotep El and, in October 2022, affidavits of Teresa Baker, Michele Shimizu, Nyla Abbey, Jacki Deguaman, and Susanna Oquin. Their appearance on the docket establishes that affidavit evidence was submitted; the substantive truth and weight of each affidavit must be determined from the affidavit itself and any contrary evidence.

3. "Not a party" and party-capacity conflicts are material. The preserved Nevada record includes a judicial minute entry stating that Princess Emilily Hotep El was not an individual party in the Ally Bank v. Monica Renee Hall matter. The broader record also contains repeated disputes over whether an individual, an estate trust, a business trust, a beneficiary, trustee, executor, or another capacity was actually before a particular court. A finding that a person or trust was "not a party" cannot fairly be used in one portion of a proceeding while orders, service theories, restrictions, or enforcement consequences are simultaneously attributed to that same person or separate trust capacity without an identified legal and evidentiary basis.

4. Vexatious-litigant and sovereign-citizen terminology must remain source-attributed. The California record includes a VL-100 prefiling order naming MONICA RENE HALL, while the preserved federal record later used "sovereign citizen" terminology concerning Princess Emilily Hotep El's filings. The affidavits of Princess Emilily Hotep El and Prince Ra Hotep El reject that characterization. The record should therefore identify exactly who was named by each order and should not silently extend a restriction or ideological characterization to a separate trust, person, name, or capacity.

5. Labels cannot substitute for adjudication of evidence. The Court finds, if supported after review of the attached source records, that use of generalized labels such as "vexatious litigant" or "sovereign citizen" cannot itself resolve title, service, identity, trust capacity, tender, authorization, agency, jurisdiction, or ownership. Where affidavits and documentary exhibits were filed but a proceeding ended for jurisdictional or procedural reasons, the record should accurately state that disposition rather than imply that the underlying evidence was adjudicated and rejected on its merits.

6. Service and identity evidence requires actor-specific findings. The evidentiary package contains conflicting accounts concerning service in the Ally matter, including a process-server declaration and an affidavit from the medical-office receptionist. The Court should determine who was actually served, what the recipient said, what name and capacity appeared on the papers, and whether the service relied upon by any later default or enforcement action was legally sufficient.

7. Replevin / representative authority requires provenance. The Ally-related pleading contains a verification identifying the signer by title as a "Replevin Specialist" or authorized representative without a clearly printed individual name in the preserved copy. That circumstance does not alone establish forgery, but it warrants a finding requiring identification of the signer, the source and scope of authority, the property allegedly subject to replevin, and the chain of authorization relied upon by counsel.

8. Employer / withholding record must be reconciled with the Tax Court record. The evidentiary record contains employer-related withholding material associated with Southwest Medical Associates / UnitedHealth records and an asserted identity/name discrepancy. The Tax Court disposition states that the Commissioner's search found no evidence that the specified statutory notices had been mailed to Petitioners and no other determination conferring Tax Court jurisdiction for the stated years. Those facts do not, by themselves, establish who generated every employer-side document; they do require preservation and investigation of the document's origin, transmission, employee identity, withholding history, and any claimed governmental authorization.

REQUESTED FINDING CONCERNING COURT-RECORD FRAUD / FRAUD UPON THE COURT

The Court is respectfully requested to find, where the attached evidence establishes the facts by the standard applicable in this forum, that it constitutes court-record fraud and/or fraud upon the court for an actor knowingly or recklessly to procure, preserve, or enforce judicial relief through a material falsehood concerning identity, party status, service, representative authority, document authenticity, or capacity, particularly where the same record simultaneously states that the affected person or entity was not a party to the matter.

The requested finding is deliberately limited. It does not declare every attorney, judge, employer, agency, lender, servicer, process server, asset manager, insurer, or other participant fraudulent merely because that participant appears in the history of the dispute. Each finding must identify the actor, statement or document, the material falsity or omission, the proceeding affected, the evidence establishing knowledge or recklessness where required, and the resulting effect upon the integrity of the adjudicative process.

Subject to those safeguards, the Court is further requested to find that a judicial system may not fairly use a party-exclusion theory - "not a party to the matter" - to deny a person or trust an opportunity to be heard, while at the same time using a different identity, capacity, generalized ideological label, or derivative record to impose restrictions, default consequences, property consequences, or credibility determinations upon that person or trust without a traceable adjudicative basis. If proven in the identified proceedings, such conduct is not a harmless clerical discrepancy; it is a material integrity-of-the-record issue requiring correction and appropriate relief.

ORDERED RELIEF REQUESTED

1. Every relevant California, Nevada, federal, appellate, Tax Court, and related consular/private record shall remain separately identified by case number, caption, party roster, judicial assignment, jurisdictional basis, and date.

2. No person, trust, estate, beneficiary, trustee, executor, or other capacity shall be treated as interchangeable solely because a similar name appears in another record.

3. Any historical use of "vexatious litigant" or "sovereign citizen" terminology shall be attributed to the exact source in which it appears and shall not be presented as an uncontested identity fact or organizational affiliation.

4. Any record relying upon a default, service return, replevin verification, representative signature, or attorney authority shall identify the source document and the person or entity whose authority is asserted.

5. Where a source record states that a person or trust was not a party, any later act imposing consequences upon that person or trust shall identify the order, service, joinder, substitution, agency theory, capacity ruling, or other authority supporting that result.

6. Conflicting records shall not be silently reconciled. Both versions shall be preserved and the later correction, amendment, or source authority shall be identified.

7. Any finding of court-record fraud or fraud upon the court shall be entered actor-by-actor and transaction-by-transaction, based upon the exhibits and testimony actually supporting that finding.

8. Nothing in this proposed order shall be construed as a finding against an actor for whom the present evidentiary record establishes only association, representation, employment, or appearance in a proceeding.

IT IS SO ORDERED, if approved and entered by the Court.

SUPPLEMENTAL FINDINGS - EMPLOYER / PHYSICIAN NOTICE, DISPUTED SERVICE, AND SOURCE-PROVENANCE

A. Preexisting written notice and claimed injuries. The evidentiary record includes a written Affidavit of Truth / Notice containing a disclosures and fee-schedule section setting out asserted injuries, rights, objections, and stated monetary consequences. The document is offered to show that the positions and claimed injuries were reduced to writing and communicated before later disputed events. The amounts stated in that notice remain asserted amounts unless independently established by judgment, contract, statute, competent damages evidence, or other enforceable authority.

B. Dr. M. Shimizu stamp and medical-office notice. The face of the preserved notice bears a visible stamp identifying Dr. M. Shimizu, M.D., together with an office address shown on that stamp as 10100 W. Charleston Blvd., Las Vegas, Nevada, and telephone/fax information. The stamp is relevant to receipt, possession, office notice, or acknowledgment, but the precise meaning of the stamp - including who placed it, when, and whether it reflects personal receipt by Dr. Shimizu or administrative receipt by an office - must be determined from the original document and testimony.

C. Related physician affidavit and Banburry Cross medical office. A separate affidavit preserved in the record identifies a lead physician at 10105 Banburry Cross Dr., Suite 150, Las Vegas, Nevada, describes that location as a medical office rather than an abode, and addresses Princess Emilily Hotep El's employment/ medical circumstances. The record therefore contains evidence connecting the supervising-physician/ employment environment to the Banburry Cross medical office. The Court should preserve the distinction between the 10100 W. Charleston address visible on the stamp and the 10105 Banburry Cross address appearing in the physician and service records; they should not be described as the same street address without additional proof.

D. Process-server declaration. The filed declaration of service in Ally Bank v. Monica Rene Hall states that John White purported to serve MONICA RENE HALL by substitute service at Summerlin Banburry Cross Healthcare Center, 10105 Banburry Cross Dr., Suite 150, Las Vegas, Nevada. The declaration characterizes that medical-office location as the defendant's usual place of abode and states that the papers were left with a person identified in the declaration as 'Saban Okuin,' who allegedly confirmed that the defendant resided there and was an employee.

E. Susanna Oquin affidavit creates a direct factual conflict. Susanna Oquin's sworn affidavit states that she was a front-desk receptionist at SMA, 10105 Banburry Cross Dr., Suite 150; that she was not related to Princess Emilily Hotep El; that John White appeared seeking to serve a person named MONICA RENEE HALL; that she told him no person by that name worked there; and that he left envelope documents on her desk before Princess arrived for work. The Court is requested to compare this sworn account directly with the process-server declaration and make a specific finding concerning the identity of the recipient, the character of the premises, what the recipient actually stated, and whether the service representation was accurate.

F. Nevada court's separate party-status statement. The June 23, 2022 Nevada minute order states that Princess Emilily Hotep El was not an individual party to Ally Bank v. Monica Renee Hall and was not listed as an attorney in that case. That statement must be preserved alongside the disputed service evidence. If judicial consequences were later imposed upon Princess, a trust, or another separately identified capacity, the source of jurisdiction, joinder, service, substitution, agency, or other authority should be identified.

G. Material integrity-of-the-record issue. If the Court finds from the original return of service, Susanna Oquin affidavit, physician evidence, employment records, party-status order, and other exhibits that a medical office was knowingly or recklessly represented as an abode, that the recipient's statements were materially misstated, or that service upon one identity was used to obtain consequences against another person or trust without lawful basis, the Court is requested to determine whether the proven conduct constitutes court-record fraud, fraud upon the court, defective service, misrepresentation, or other misconduct under the law governing

the proceeding. Such a finding must identify the actor, false or misleading representation, materiality, evidence, and resulting judicial consequence.

H. Employer / executive-authority theory. Petitioners further contend that employer-side withholding and identity events involved misuse of corporate or executive authority and may constitute an executive-impersonation, business-email-compromise, or 'CEO fraud' type of scheme if the evidence establishes impersonation or deceptive use of executive authority. The Court should not apply that label merely because an employer or executive was involved. It should determine the origin and authenticity of the purported governmental instruction, who generated or transmitted it, what payroll action followed, what funds were withheld, and what governmental records corroborate or contradict the asserted authorization.

I. Notice chronology. The Court is requested to evaluate notice chronologically, including earlier police reports, FTC/CFPB or other agency claims, identity-theft records, written affidavits/notices, employer/ physician-office evidence, court filings, attorney and bank notices, Consular Court proceedings, asserted defaults and judgments, writ/enforcement activity, and later challenged conduct. Chronology and notice may support an inference, but retaliatory or coordinated intent should be found only where evidence connects the identified actor's knowledge to the later act.

SUPPLEMENTAL ORDER REQUESTED

1. The original process-server declaration, Susanna Oquin affidavit, physician/employer evidence, and June 23, 2022 Nevada minute order shall be reviewed together rather than in isolation.

2. The record shall expressly distinguish 10100 W. Charleston Blvd. from 10105 Banburry Cross Dr., Suite 150. Any asserted relationship between those locations shall be established by competent evidence rather than assumed from the presence of the same physician or employer network.

3. The Court shall determine whether the Banburry Cross medical office was an abode, workplace, or other type of premises at the time of attempted service and whether the recipient had the relationship to the named defendant required by the governing service rule.

4. The Court shall determine whether the person whom the process server identified as 'Saban Okuin' is the same person as affiant Susanna Oquin and, if so, resolve the material conflicts between the declaration of service and her sworn affidavit.

5. No default, enforcement consequence, identity attribution, or capacity determination shall be treated as validated by the disputed service record without the Court first resolving the material factual conflicts identified above.

6. Any finding of court-record fraud or fraud upon the court arising from these events shall state the specific actor, representation, evidence of falsity or material unreliability, knowledge or recklessness where required, materiality, and effect upon the judicial proceeding.

"Additional Relationship, Notice, and Potential-Conflict Evidence Requiring Corroboration." I would separate the allegations like this:

Walker Furniture / Synchrony transaction: identify the furniture purchase, approximate $8,000 value, Synchrony financing, asserted tender, delivery personnel, and records of the transaction.

Andrew / neighboring residence: Claimed to be a retired police officer while living in the home of a retired police officer whom own the home at the alleged drug dealings took place record that Petitioners identify an individual named Andrew as having lived behind their Las Vegas residence and as having worked for Walker Furniture. I would not include "drug dealer"unless there is a conviction, police record, sworn firsthand

evidence of drug activity, or another reliable source establishing it; it isn't necessary to establish the relevant relationship anyway.

Patient/employment connection: preserve Princess's testimony that two Walker Furniture employees had been her patients and made a 2021 employment complaint. We should attach the actual complaint or employment records if available.

Robert McBeth/McBeath: preserve the Christmas-party interaction as Prince's firsthand recollection and separately document the claimed employer relationship with Judge Kishner. The fact that a judge and employer know one another does not itself prove improper coordination; the evidence would need to show what was communicated or done because of that relationship.

Minnetonka corporate connection: document the employer headquarters and relevant corporate correspondence. Again, geographic overlap is evidence for a chronology, not proof of coordination.

Robert E. Klein: this deserves its own conflict-of-interest section. Your testimony is that the El family retained him around 2015 concerning Chase/identity-theft and banking claims; he accepted payment; you later concluded the contemplated complaint had not been filed; a refund was requested/received; and you subsequently learned of an alleged professional relationship with Chase. The critical exhibits would be the retainer agreement, payments, refund, correspondence, docket search, and evidence establishing his Chase representation.

Minnesota practice: before saying Klein later practiced in Minnetonka from 2020–2024 or is no longer listed as a lawyer in California/Minnesota, we should verify the historical bar records. Those are externally verifiable facts and much stronger if documented rather than asserted.

The resulting proposed finding can say:

The Court is requested to determine whether the documented relationships constitute independent coincidences, ordinary professional relationships, conflicts of interest, undisclosed relationships material to a proceeding, or evidence supporting a broader course of coordinated conduct. The existence of overlapping employment, professional, geographic, banking, medical, neighborhood, or commercial relationships shall not alone establish conspiracy, retaliation, fraud, or judicial misconduct. Where communications, financial records, engagement agreements, court records, employment records, or sworn testimony connect an identified relationship to a challenged act, however, that evidence shall be considered in determining notice, knowledge, conflict, intent, agency, retaliation, or fraud upon the court.

ONGOING INVESTIGATION AND PRESERVATION OF ADDITIONAL ACTORS AND PROFESSIONAL RELATIONSHIPS

Petitioners give notice that additional relationships, representation histories, conflicts, referrals, communications, and transfers of matters remain under active investigation. Petitioners report that four private investigators are presently examining these relationships. Accordingly, the absence of a final finding concerning a presently identified actor shall not be construed as abandonment of the issue or as a representation that the investigation is complete.

The investigation includes, without limitation, the historical involvement of Robert E. Klein; JPMorgan Chase Bank, N.A.; attorneys identified by Petitioners as Lukas Sosniki, Chris Lays, and Christopher Lee; Wargo & French LLP; Aldridge Pite LLP/Aldridge Pite Haan LLP; and other persons or firms whose representation, employment, referral, conflict, or communication history may become relevant.

Petitioners contend that Robert E. Klein was previously retained concerning claims involving JPMorgan Chase and identity/banking matters, that the contemplated litigation was not pursued as Petitioners expected, that the representation was terminated and money refunded, and that Petitioners subsequently discovered information they believe raises a conflict-of-interest issue. These matters remain subject to verification through the retainer agreement, payment and refund records, correspondence, court dockets, bar-registration records, and evidence of any representation of JPMorgan Chase.

Petitioners further contend that Wargo & French later participated in matters involving JPMorgan Chase and that a relevant matter was subsequently handled by Aldridge Pite. The precise referral, transfer, retention, or other relationship in Petitioners' own matters remains under investigation and shall not be stated as established until supported by engagement records, correspondence, court appearances, client authorization, or other competent evidence.

Independent federal judicial records nevertheless establish that JPMorgan Chase Bank, Wargo & French, and Aldridge Pite have appeared together in other foreclosure-related litigation in which Wargo & French and Aldridge Pite were described as firms representing Chase. That independently documented professional relationship is offered for background and investigative relevance only and is not offered as proof of misconduct or coordination in Petitioners' proceedings.

The Court is therefore requested to preserve these identified persons, firms, and relationships as subjects of continuing evidentiary investigation, without making an adverse finding against an individual or entity until evidence establishes that actor's particular conduct, knowledge, authority, communication, conflict, or participation.

ONGOING INVESTIGATION — CHRONOLOGY, RELATIONSHIPS, NOTICE, AND POTENTIAL COMMON ACTORS

Petitioners state that concerns regarding identity misuse, disputed debts, questionable service, attorney involvement, and related financial matters substantially predate the proceedings presently under review. Petitioners began retaining private investigators by approximately 2019, after concluding that the number and character of identity-related incidents required independent investigation.

Petitioners further identify earlier litigation dating to approximately 2008 involving purported credit-card obligations that Petitioners maintain were not theirs. Petitioners contend those proceedings ultimately failed or were dismissed and that issues included service, identity, contractual signatures, and failure to state a claim. The precise parties, law firms, disposition, and relationship—if any—to Aldridge Pite shall be established from the original dockets and pleadings rather than presumed.

Petitioners also identify earlier proceedings involving JPMorgan Chase Bank and its CEO, including litigation associated with the Monica Renee Hall Estate Trust and David Jr. Hall Estate Trust during approximately 2015–2016. The historical docket, attorney appearances, engagement agreements, correspondence, and archived records should be preserved and compared against subsequent representation relationships.

By approximately 2019–2020, Petitioners resided at the Farnborough Court property in Las Vegas. Petitioners report that a neighboring residence became the subject of a substantial law-enforcement/SWAT operation during approximately May or June 2020 and that officers accessed the neighboring property through Petitioners' property. Petitioners questioned that route at the time. Petitioners further report that law-enforcement personnel provided information concerning the ownership and law-enforcement background

associated with the neighboring property. Those circumstances should be verified through the incident report, CAD/dispatch records, warrant materials, body-camera records, property records, and witness testimony.

Petitioners also identify a commercial relationship with Walker Furniture and Synchrony Bank, involving approximately $8,000 in household furniture and a subsequently disputed/tendered financial obligation. Petitioners report additional personal and employment intersections involving persons associated with Walker Furniture and Princess Emilily Hotep El's medical employment. Those relationships are offered presently as subjects requiring documentary examination—not as proof that Walker Furniture participated in subsequent litigation or governmental activity.

Petitioners further report that complaints concerning Princess's professional services arose during approximately this period. Employment records, patient-complaint records to the extent lawfully obtainable and appropriately protected, dates, decision-makers, and subsequent employment actions should be compared chronologically with the other events without disclosing protected patient medical information unnecessarily.

Publicly available information independently establishes that Walker Furniture has maintained longstanding community relationships with governmental and public-service organizations in Southern Nevada, including LVMPD, fire departments, and educational institutions. Those legitimate community relationships do not establish misconduct, conspiracy, retaliation, or participation in Petitioners' disputes. They are relevant only insofar as independently obtained evidence may establish that a particular person had actual knowledge of, communicated about, or participated in a particular challenged event.

Petitioners contend that significant property and litigation events followed during 2020–2022, including California property litigation in 2020; the Nevada action appearing in the court record in November 2021; Petitioners' January 2022 discovery and submissions concerning that action; disputed January 2022 service; additional property/foreclosure proceedings in February 2022; and later enforcement and possession events.

Four privately retained investigators are presently examining portions of this history. Accordingly, Petitioners request that the record remain open to supplemental evidence identifying additional persons, law firms, corporate relationships, representation histories, referrals, communications, conflicts, property relationships, law-enforcement records, and other evidence developed during that investigation.

Formal Demand and Rebuttal – Fraudulent Electronic Title Record

Subject: Fraudulent ELT Record – 2015 Kia Optima Hybrid (VIN: KNAGNA4D2F5084744) Cc Case No. OTH-24-002493 Case No. A-21-843907-C

We are writing on behalf of the House of Judah Estate Trust concerning an unauthorized and fraudulent electronic lien/title record allegedly processed through PDP Group systems under the name of Ally Bank.

I. Violation of Title Law and False Filing

A fabricated electronic title record dated July 12, 2021, has surfaced, showing a lien recorded via your platform or third-party electronic lien system. This document was never disclosed to the Estate Trust, never agreed upon, and post-dates a UCC-1 Financing Statement filed by the Trust on May 19, 2021. Said lien is recorded under #20210519606-2.
Furthermore, the vehicle in question has never been registered in the State of Tennessee, and the contract with the Nevada DMV was lawfully voided. The estate perfected its interest and filed a foreign judgment as of April 15, 2022—well before this unauthorized title was manufactured.

II. Criminal Liability and Civil Penalties

Your company may be held civilly and criminally liable for facilitating:
- Fraudulent title creation (Forgery / False Instrument)
- Interference with secured interest (UCC violations)
- Simulating legal process (18 U.S.C. §§ 1341, 1349)
- Data fraud and consumer harm

If PDP Group or its affiliates are knowingly participating in a scheme to create or sustain fraudulent ELT records, each count may subject the responsible parties to civil RICO liabilities and federal penalties.

III. Formal Demands

1. Immediate removal of any ELT or digital title record associated with VIN: KNAGNA4D2F5084744.
2. Written confirmation of the removal, with the name of any third-party financial institution involved.
3. Full disclosure of all internal communications, database actions, or requests tied to this record.
4. Cease and desist any further support for third parties asserting false claims of lien or ownership.

You are hereby notified that all title rights are retained by the House of Judah Estate Trust and any further unauthorized action shall result in prosecution. We request a written response within 5 business days.

Respectfully, By Authority of the Living Heirs Executors & Consul Officials:

I Envoy or Diplomat princess emilily hotep el a non US citizen , in Sui Juris, submit this claim of Exemption from Execution because the levied property is exempt as my private pecurinary compensation and is exempt under my political status which is classified as True A-1 Freehold inheritance Diplomatic and Tax Immune Cc Registration No: AA222141 filed with the United States Department of Justice and is entitled to national protection at law pursuant to: The United Nations Declaration of Human Rights of indigenous peoples The Universal Declaration of Human Rights The Constitution of the United States created September 17, 1787. where the matter originated with a Default Judgment against Ally Bank. This is stated by the Jude Kishner, and several Clerk of the Court employees three times.

JURISDICTION : Ruhrgas AG v. Marthon Oil Co. et al 526 U.S. 574[1999] The law states that the service must be upon a United States citizen or a local resident showing diversity of issues. In this matter there is not diversity and this was stated by the Consular Court Tribunal 11/17/2021.

Therefore there is no personal jurisdiction, **Pennoyer v. Neff** also known as rem or quasi in rem jurisdiction. Subject matter is void due to the debt was never proven and only alleged as the Plaintiff and their alleged attorney Aldridge Pite llp Aka Aldridge Pite Haan llp never produced any documents or accounting and or ledgers for the alleged debt. Cc tender of payment and letter from Ally returning the actual two forms of payment. It is apparent that the Judge in this matter known as Kishner was found to be bias as to her relationship with former employer Southwest Medical Group Robert McBeath and the Law Firm Aldridge Pite llp Aka Haan llp. Clearly showing abuse of power.

As to making threats that anyone attempting to practice law without a Nevada Licence would be arrested while ignoring the facts that the Plaintiff Ally Bank was already found in default on August 1, 2021 in the Consular Court Tribunal for not appearing nor defending and responding to the Summons and claim while at the same time allowing service on three conflicting dates (while out sick due to Covid) deleting the one important date of service January 23, 2022 while this was a Sunday morning and no one was present and this was changed in her court. This also shows that she Kishner never had power over the matter and wanted to subdue and force such power on a foreign national Diplomat.

The Judicial official Kishner stated that the employer Southwest Medical Group knew her well over at the Eighth Judicial District Court Dept 31. This implies they set the matter up in this court at the exact time to get a Default Judgment. As the Plaintiff Ally Bank nor John White never served me, rather voided all attempts to leave the Summons and Complaint at my home on November 17, 2021. My cohort prince ra asked John White for the documents although no Monica Renee Hall lived here he is one of the managing trustees of the Monica Rene Hall Estate Trust. John White stated he could not leave the summons and complaint with none other than the woman listed as MONICA RENEE HALL.

Ironically Aldridge Pite llp Aka Aldridge Pite Haan llp also claims to be the debt collector for a total of three different debts they either purchased or alleged work for the following NDSC, Sunlight Financial, and Ally Bank. This violates the Fair Debt Collection Practice act. More over they have contacted family in other states, friends, neighbors, and other local agencies including the HOA of my community.

They have had hired people to stalk my property and my locations since 2018. While they were the adverse procession party for my abode located in Lancaster CA claiming to foreclose on my home while it was paid in full, tendered, and full of furniture and appliances June 18, 2020 during the covid19 shutdown in California with curfews and other issues with COVID19 I was not able to travel back and forth while my father was slowing dying of his ailments. They were stalking me knowing my every move. Cc letter from FHA/HUD stating the property is still in the MONICA RENE HALL ESTATE TRUST and it wasn't a foreclosure but an adverse possession.

My pecuniary compensation also known as "wages" have been garnished more than the allowable amount. NRS 21.090(1)(g).in the amount of $89,000.00 or more due to a fraudulent act created by Aldridge Pite llp Aka Aldridge Pite Haan llp with previous employer Southwest Medical Group located at 10105 Banburry Cross Set 150 Las Vegas NV 89144. My pecuniary compensation belongs to me and me alone. For the past three years Aldridge Pite llp Aka Aldridge Pite Haan llp Atalanta GA has been taking percurinary compensation from my

employers claiming to be the IRS Cc IRS letters. I filed a claim against the IRS and the Commissioner in 2022. The results are amazing.

The US Tax Court stated they never gave any written orders to take my pecuniary compensation from the previous employer in fact they stated that they never contacted me nor my husband by mail alleging anything of taxes or debts or money owed from 2015-2022. This was created by Aldridge Pite llp Aka Aldridge Pite Haan llp located in Atlanta GA. I have filed a complaint with the FTC CFPB and other Federal Government Agencies concerning this matter as they impersonated the IRS and took over $89,000.00 of my pecuniary compensation as of November 4, 2020 to October 25, 2022. Cc exhibits Cc United States Tax Court Case No. 2426-22. My property is held within a Blind Trust called Monica Rene Hall Estate Trust. My property is held in an insurance policy payments for such. I am not a United States citizen nor a subject to the United States of America. My Nation empire or Kingdom has a Treaty with the United States of America Cc exhibit. 28 USCode 3002 [15].

The unknown Defendant makes no request because she is not known but the Petitioner makes requests an evidentiary hearing on this matter to present evidence and to cross examine the person who allegedly served a unknown Defendant named Monica Renee Hall with Summons and Complaint herein, and/or the opportunity to depose duces tecum the person who allegedly served a Defendant with Summons and Complaint. Life insurance benefits. NRS 21.090(1)(k). I pay a high rate for my life insurance policy at approximately $680.00 monthly and shall not be touched. The amount in request or demand was tendered on December 24, 2020 to Ally Bank in the Amount of $17,400.10 Cc Tender of payment UCC 3-603[b].

There is no known Defendant but the illegal usage of the petitioners SSN makes further requests that the Writ of Execution and/or Writ of Garnishment entered herein be quashed, and that all pecuniary compensation garnished from my pecuniary compensation as I am not the Defendant, if any, be returned to some alleged Defendant, for the reasons set forth below. Petitioner further respectfully requests pursuant to NRCP 62(b) that this Court stay the execution of said Judgment until such time as this motion can be heard.

I am attaching the following evidence in support of my claim of exemption, with personal identifying information redacted (Describe what you are attaching to prove your exemption, National ID card copy, Tender of Payment made to Ally Bank, Paystubb showing deductions by employer to the Aldridge Pite llp Aka Aldridge Pite Haan llp impersonation of the IRS and the Dismissal of the US Tax Court stating they had nothing to do with any communications letter and deductions from the years 2015-2022.):

22. The Consuls of the United States of America shall reside in any Sea Port of our Dominions that they shall think proper; And they shall be respected and enjoy all the Privileges which the Consuls of any other Nation enjoy, and if any of the Citizens of the United States shall contract any Debts or engagements, the Consul shall not be in any Manner accountable for them, unless he shall have given a Promise in writing for the payment or fulfilling thereof, without which promise in Writing no Application to him for any redress shall be made.

23. If any differences shall arise by either Party infringing on any of the Articles of this Treaty, Peace and Harmony shall remain notwithstanding in the fullest force, until a friendly Application shall be made for an Arrangement, and until that Application shall be rejected, no appeal shall be made to Arms. And if a War shall break out between the Parties, Nine Months shall be granted to all the Subjects of both Parties, to dispose of their Effects and retire with Property. And it is further declared that whatever indulgences in Trade or otherwise shall be granted to any of the Christian Powers, the Citizens of the United States shall be equally entitled to them.

24. This Treaty shall continue in full Force, with the help of God for Fifty Years. We have delivered this Book into the Hands of the before-mentioned Thomas Barclay on the first day of the blessed Month of Ramadan, in the Year One thousand two hundred. I certify that the annexed is a true Copy of the Translation made by Issac Cardoza Nunez, Interpreter at Morocco, of the treaty between the Emperor of Morocco and the United States of America. Treaty of Peace and Friendship in Arabic Morocco is one of the first countries to recognize the independence of the United States as the Sultan Sidi Mohammad Ben Abdullah issued a declaration in 1777 allowing American ships access to Moroccan ports. In 1787 a Treaty of peace and friendship was signed in Marrakech and ratified in 1836. It is still in force making it the longest unbroken treaty in the U.S history. The U.S had also its first consulate in Tangier in 1797 in a building given by the sultan Moulay Sliman. It is the oldest U.S diplomatic property in the world. Below is the Treaty called the "Marrakech Treaty" in its original form as was written in 1786.

1. "This is a Treaty of Peace and Friendship established between Morocco and the United States of America, which is confirmed, and which we have ordered to be written in this Book and sealed with our Royal Seal at our Court of Morocco on the twenty fifth day of the blessed Month of Shaban, in the Year One thousand two hundred, trusting in God it will remain permanent" The Sultan Mohammad Ben Abdullah.

2. If one of the Parties shall be at War with any Nation whatsoever, the other Party shall not take a Commission either from the Enemy nor fight under their Colors.

3. If either of the Parties shall be at War with any Nation whatever and take a Prize belonging to that Nation, and there shall be found on board Subjects or Effects belonging to of the Parties, the Subjects shall be set at Liberty and the Effects returned to the Owners. In addition, if any Goods belonging to any Nation, with whom either of the Parties shall be at War, shall be loaded on Vessels belonging to the other Party, they shall pass free and unmolested without any attempt being made to take or detain them. The United States of America was never Christian Nation- Here is my legal Proof. One of the hard facts of life is that the United States of America is not a Christian Nation. The following Treaty was made by the United States of America with the Barbary Pirates. It passed the 5th Congress without a hitch. Article 11 was made part of the record to convince the Muslims that the United States of America is not a Christian Nation, and therefore peace could be established between the two nations.

- That any Muslim wishing to become a Christian should be allowed some days to consider the step he was about to take; after which he is to be questioned by both a Muslim and a Christian judge concerning his intended change, and if, after this examination, he still refused to return to Islam, he should be permitted to follow his own inclination.
- That no Muslim should be prosecuted for the death of a Christian slain during the siege; and that no restitution of property taken during this war should be enforced.
- That no Muslim should be subject to have Christian soldiers billeted upon him, or be transported to provinces of this kingdom against his will.
- That no increase should be made to the usual imposts, but that, on the contrary, all the oppressive taxes lately imposed should be immediately suppressed.
- That no Christian should be allowed to peep over the wall, or into the house of a Muslim or enter a mosque.
- That any Muslim choosing to travel or reside among the Christians should be perfectly secure in his person and property.
- That no badge or distinctive mark be put upon them, as was done with the Jews and Mudejares.
- That no muezzin should be interrupted in the act of calling the people to prayer, and no Muslim molested either in the performance of his daily devotions or in the observance of his fast, or in any other religious ceremony; but that if a Christian should be found laughing at them he should be punished for it.
- That the Muslims should be exempted from all taxation for a certain number of years.
- That the Lord of Rome, the Pope, should be requested to give his assent to the above conditions, and sign the treaty himself. [This request by the Moorish side was not carried out.]

Implementation and breakdown Forced conversions under Francisco Jiménez de Cisneros were seen as violations of the treaty and the main reason for the later rebellions by the Muslim population. Painting by Edwin Long Further information: Rebellion of the Alpujarras (1499–1501) Initially, the Catholic conquerors implemented and reinforced the generous terms of the treaty. A joint municipal council was established in Granada, and the Muslims were allowed to elect their own representatives. Despite pressure from the Spanish clergy, Ferdinand chose a laissez-faire policy towards the Muslim in the hope that interaction with Catholics will make them "understand the error" of their faith and abandon it. Hernando de Talavera, a friar of converso origins known for his moderation and piety, was appointed as the archbishop of Granada. He was known for his preference of preaching based on "Catholic reasoning" as opposed to "punishments and lashes". When Ferdinand and Isabella visited the city in the summer of 1499, they were greeted by enthusiastic crowd, including Muslims.

[2]At the same time, cardinal Francisco Jiménez de Cisneros, the archbishop of Toledo, arrived in Granada and began working alongside Talavera. Cisneros disliked Talavera's approach, and began sending uncooperative Muslims, especially the noblemen, to prison where they were treated harshly until they agreed to convert. Emboldened by the increase in conversions, Cisneros intensified the efforts and in December 1499 he told Pope Alexander VI that three thousand Muslims converted in a single day. Cisneros' own church council warned that these methods might be a breach of the Treaty, and sixteenth-century hagiographer Álvar Gómez de Castro described the approach as "methods that were not correct".

[3]In December 1499, amid the increasingly forced conversions and triggered by an incident involving an attempt by the authorities to reconvert a Muslim woman who had converted from Christianity, the population of Albayzín (the Muslim quarter of Granada) began an open and armed revolt. Talavera and Captain-General Tendilla resolved the situation by negotiating with the Muslims. Meanwhile, Cisneros was summoned to the court in Seville to account for his actions. He convinced the Catholic monarchs to issue a collective pardons on the rebels, on condition that they convert to Christianity. Consequently, the whole city of Granada nominally became Christian, and the treaty began to unravel.[4] Thank you!

Employee: MONICA HALL? Not my name!

Employer: SOUTHWEST MEDICAL ASSOCIATES

Dear MONICA HALL? Not my name!

WHY WE ARE WRITING TO YOU?

Generally, the amount your employer withholds for federal income tax is based on your Form W-4, Employee's Withholding Allowance Certificate. However, the IRS may review whether you are entitled to claim exempt status or a certain withholding rate.

We determined that you aren't entitled to claim exempt status or a certain withholding rate. Therefore, you were selected for the Withholding Compliance Program.

INSTRUCTIONS WE GAVE YOUR EMPLOYERS

We sent your employer a "lock-in letter" instructing them to begin withholding income tax from your wages based on the following withholding status (filing status) and withholding rate:

Withholding status (filing status): SINGLE
Annual withholding reductions (Form W-4 Step 3): $0.00
Other income (Form W-4 Step 4(a)) $0.00
Deductions (Form W-4 Step 4 (b)) $0.00
Additional amount to withhold per paycheck (Form W-4 Step 4(c)): $0.00

We also instructed your employers not to honor your current Form W-4 or a new Form W-4 from you, UNLESS it results in MORE withholding than at the withholding arrangement shown above.

WHAT THIS CHANGE MEANS FOR YOU

This change in your withholding arrangement will increase the amount of tax withheld from your wages.

IF YOU DON'T AGREE

- You can request a review of our determination. You can call us at the number listed below within 30 days from the date of this letter. We will consider your explanation why you are entitled

IRC Section 3403 also states that the employer shall not be liable to any person for the amount of any such payment. Thus, your employee doesn't have a "cause of action" (basis for legal action) against you to recover the rate of income tax withheld and/or prevent you from withholding the rate directed by IRS.

Dear PRINCESS EMI H EL

WHY WE ARE WRITING TO YOU?

Generally, the amount your employer withholds for federal income tax is based on your Form W-4, Employee's Withholding Allowance Certificate. However, the IRS may review whether you are entitled to claim exempt status or a certain withholding rate.

We determined that you aren't entitled to claim exempt status or a certain withholding rate. Therefore, you were selected for the Withholding Compliance Program.

INSTRUCTIONS WE GAVE YOUR EMPLOYERS

We sent your employer a "lock-in letter" instructing them to begin withholding income tax from your wages based on the following withholding status (filing status) and withholding rate:

Withholding status (filing status): SINGLE
Annual withholding reductions (Form W-4 Step 3): $0.00
Other income (Form W-4 Step 4(a)) $0.00
Deductions (Form W-4 Step 4 (b)) $0.00
Additional amount to withhold per paycheck (Form W-4 Step 4(c)): $0.00

We also instructed your employers not to honor your current Form W-4 or a new Form W-4 from you, UNLESS it results in MORE withholding than at the withholding arrangement shown above.

WHAT THIS CHANGE MEANS FOR YOU

This change in your withholding arrangement will increase the amount of tax withheld from your wages.

IF YOU DON'T AGREE

- When you call, have the following information available. If you file jointly, your spouse must be present to give consent, and you must have the same information available for your spouse.

1. Current Form W-4 and worksheets.
2. Most current pay stubs for all jobs.
3. How often you (and your spouse) are paid (i.e. weekly, bi-weekly, semi-monthly or monthly).
4. Rates you (and your spouse) are currently claiming on your Form (s) W-4.
5. The Social Security number (SSN) or individual taxpayer identification number (ITIN), and date of birth for all dependents you are entitled to claim.
6. A copy of the most recent tax return due, including all schedules, forms and attachments.
7. If you file jointly, your spouse's complete name, Social Security number(SSN), and current employer.
8. If you file jointly, you must identify if you and your spouse intend to apply 100% of the additional withholding (or reduction from standard withholding) to one spouse or split between each spouse, 50/50 proportionate to wages.

NOTE: Your withholding usually will be most accurate when you request all of the additional amount to withhold on the Form W-4 for the highest paying job.

- If you file jointly and your spouse does not agree to be enrolled in the Withholding Compliance Program, we will determine your withholding arrangement and apply 100% of the additional withholding to your wages.

- If you prefer you can write to us at the address listed below. Send a written statement requesting a modification and the information above to support your claim that you are entitled to a different withholding arrangement (or exempt status).

- If the information justifies a change to the withholding arrangement shown above, we will instruct your employer(s) to adjust your income tax withholding accordingly.

If there is no reasonable basis to justify the withholding status (filing status), withholding rate, or exempt status claimed on the Form W-4 you furnished to your employer, you may be subject to a $500 civil penalty under Internal Revenue Code Section 6682 for making a false statement about your withholding.

For Internal Use Only [redacted]

We aren't making a determination of your ultimate tax liability. You pay federal income tax through withholding or by making estimated tax payments throughout the year. Estimated tax is the method that can be used to pay tax on income that's isn't subject to withholding. If you don't pay enough tax throughout the year, you may have to pay a penalty for underpayment of estimated tax.

HOW YOU CAN BE RELEASED FROM THE WITHHOLDING COMPLIANCE PROGRAM

You must continue to file returns and pay your tax due timely. Payments, including estimated tax payments, made before the due date (without regard to extensions) of the original return are considered paid on the due date. For example, income tax withheld during the year is considered paid on the due date of the return, April 15th for most taxpayers. If you timely meet all your filing and payment obligations for three consecutive years, you can request that we release you from the Withholding Compliance Program.

Note: An approved installment agreement for past balances due does not meet the requirements for release from the Withholding Compliance Program.

Employee: MONICA HALL? not my name!
Social Security number: [redacted]
Employer: SOUTHWEST MEDICAL ASSOCIATES

Dear MONICA HALL? Not my name!

WHY WE ARE WRITING TO YOU?

Generally, the amount your employer withholds for federal income tax is based on your Form W-4, Employee's Withholding Allowance Certificate. However, the IRS may review whether you are entitled to claim exempt status or a certain withholding rate.

We determined that you aren't entitled to claim exempt status or a certain withholding rate. Therefore, you were selected for the Withholding Compliance Program.

INSTRUCTIONS WE GAVE YOUR EMPLOYERS

We sent your employer a "lock-in letter" instructing them to begin withholding income tax from your wages based on the following withholding status (filing status) and withholding rate:

Withholding status (filing status): SINGLE
Annual withholding reductions (Form W-4 Step 3): $0.00
Other income (Form W-4 Step 4(a)) $0.00
Deductions (Form W-4 Step 4 (b)) $0.00
Additional amount to withhold per paycheck (Form W-4 Step 4(c)): $0.00

We also instructed your employers not to honor your current Form W-4 or a new Form W-4 from you, UNLESS it results in MORE withholding than at the withholding arrangement shown above.

WHAT THIS CHANGE MEANS FOR YOU

This change in your withholding arrangement will increase the amount of tax withheld from your wages.

IF YOU DON'T AGREE

- You can request a review of our determination. You can call us at the number listed below within 30 days from the date of this letter. We will consider your explanation why you are entitled

IRC Section 3403 also states that the employer shall not be liable to any person for the amount of any such payment. Thus, your employee doesn't have a "cause of action" (basis for legal action) against you to recover the rate of income tax withheld and/or prevent you from withholding the rate directed by IRS.

APPENDIX EXHIBIT PAGE

VEHICLE CONTRACT - SIGNATURE, INITIALS, ASSIGNMENT, AND DOCUMENT-PROVENANCE ISSUES

Proposed Exhibit V - Evidentiary Preservation and Comparison

1. SOURCE DOCUMENTS PRESENTED

The exhibit consists of two scanned pages of a document titled "Simple Interest Vehicle Contract for Sale and Security Agreement" dated August 26, 2019, identifying JIM MARSH KIA as creditor/seller and MONICA RENE HALL as the printed buyer name. The pages contain printed "N/A" entries, handwritten marks and initials, buyer-signature fields, creditor/seller signature fields, and a second-page assignment section. These documents are offered for forensic comparison, authentication, provenance, and determination of the authority of every person whose handwriting, initials, signature, title, or later-added notation appears on the instrument.

2. FACIAL FEATURES REQUIRING EXAMINATION

- Page 1 contains numerous printed "N/A" entries in fields that also contain or appear near handwritten marks or initials. The existence, authorship, timing, and purpose of each handwritten mark should be determined from the original instrument rather than assumed from the scan.

- Page 1 contains a buyer-signature field and a creditor/seller signature area. Petitioners state that only Prince Ra El and Princess Emilily El, acting in the capacities they identify as Trustee and Beneficiary, were present for the original signing. Petitioners dispute the authenticity or authorization of any additional initials, signatures, or marks added after that signing.

- Page 2 contains an "Assignment" section with handwritten entries identifying an assignee and signatures/titles. Petitioners state that the dealership owner was not present at the transaction and that the dealership participant physically present was the sales agent. The identity, office, authority, date, and circumstances of every later assignment signature therefore require authentication.

- The document should be compared with any dealership deal jacket, wet-ink original, electronic-signature audit trail, printer/scanner metadata, funding package, assignment/transmittal records, lender boarding records, and custodial history.

3. PETITIONERS' SPECIFIC AUTHENTICITY DISPUTE

Petitioners give express notice that they dispute any signature, initial, handwritten notation, assignment, or alteration that was not placed on the instrument by an authorized person at the time and under the circumstances represented. Petitioners specifically request that no handwritten mark be attributed to Prince Ra El, Princess Emilily El, a Trustee, a Beneficiary, the dealership owner, or any other person merely because it appears on the face of the scanned contract.

4. EFFECT OF AN UNAUTHORIZED ALTERATION - FINDING REQUESTED, NOT PREJUDGED

Petitioners contend that an unauthorized post-signing signature, initial, material insertion, or alteration may affect authenticity, assent, enforceability, assignment, or the obligations of the affected party. The legal consequence is not automatically the same for every alteration. The Court is requested to determine: (a) whether an alteration occurred; (b) when it occurred; (c) who made or authorized it; (d) whether it was material; (e) whether the original parties assented to it; and (f) the resulting legal effect under the law governing the contract. If the evidence establishes forgery or a material unauthorized alteration, the Court should determine whether the affected term, assignment, obligation, or instrument is void, voidable, unenforceable, or otherwise subject to an appropriate remedy.

5. DEALERSHIP-OWNER / SALES-AGENT AUTHORITY

Because Petitioners state that the dealership owner was not present and that a sales agent handled the transaction, the record should identify the actual signatory and the source of that person's authority. A title written beside a signature, standing alone, should not substitute for proof of identity and authority where authenticity is specifically disputed.

6. REQUEST FOR ORIGINALS AND FORENSIC COMPARISON

Petitioners request preservation and production, where available and lawfully obtainable, of the original wet-ink contract and all versions; signature and initials exemplars; dealership employee roster and authority records; electronic-signature logs; timestamps; assignment records; lender/assignee communications; funding records; document imaging history; and any version transmitted before or after execution. The purpose is to establish a reliable chain of custody and determine whether the scanned pages are identical to the instrument actually signed.

7. PROPOSED EXHIBIT SUBPARTS

Subpart	Description
V-1	Page 1 - Simple Interest Vehicle Contract for Sale and Security Agreement, including printed N/A entries, handwritten marks/initials, buyer-signature field, and creditor/seller signature area.
V-2	Page 2 - Additional Terms and Conditions and Assignment section, including handwritten assignee information, signatures, titles, dates, and without-recourse assignment area.
V-3	Petitioners' declaration identifying who was physically present at original execution and the capacities in which Prince Ra El and Princess Emilily El acted.
V-4	Dealership records identifying the sales agent, dealership owner, authorized signatories, and authority to execute or assign the contract.
V-5	Original wet-ink instrument, electronic audit trail, document history, funding/assignment records, and signature/handwriting comparison materials.
V-6	Any expert or investigator report concerning handwriting, initials, document alteration, chronology, authenticity, or chain of custody.

8. EVIDENTIARY LIMITATION

This appendix preserves and particularizes the authenticity dispute. It does not itself adjudicate that a mark was forged, identify the author of a disputed mark, or declare the entire contract void. Those determinations require comparison with originals and competent evidence. The requested finding is that the disputed marks and assignment history be authenticated before they are relied upon against any person, trust, estate, Trustee, Beneficiary, or other separately identified capacity.

ADDITIONAL TERMS AND CONDITIONS

Simple Interest Contract: This is a simple interest contract. The Finance Charge, Total of Payments and Payment Schedule set forth in the disclosures on page 1 of 2 may differ. The final payment may differ depending upon the dates payments are received and events which occur after this contract is made. For example, early payments will have the effect of reducing your final payment, while late payments will cause your final payment to be higher. Your promise requires you to pay the final payment on the date due, which payment will be equal to all unpaid sums due under this contract, even if the amount of the final payment differs from the amount of final payment disclosed on page 1 of 2 of this contract.

Default: If you default in the performance of this agreement, because (1) you fail to make a payment later than 30 days past the date required by the agreement, or (2) the prospect of payment, performance or realization of collateral is significantly impaired (the burden of establishing the prospect of significant impairment is on the Seller), we may at our option and without notice or demand (1) declare all unpaid sums immediately due and payable, (2) file suit against you for all unpaid sums, and (3) take immediate possession of the vehicle. Upon taking possession of the vehicle and giving notice as provided by law, if you do not redeem the vehicle, we will sell it at public or private sale. We may purchase the vehicle at any sale. The proceeds of the sale will be applied first to the expenses of retaking, reconditioning, storing and selling the property, and the remainder will be applied to the unpaid sums owing under this contract. Attorney's fees and court costs are allowed too. If there is any money left over (surplus), it will be paid to you. If a balance still remains owing, you promise to pay that balance upon demand. If you default or breach this agreement, you agree to pay finance charges at the Annual Percentage Rate shown on page 1 of 2 until all sums owing us are paid in full. Our remedies are cumulative and taking of any action is not a waiver and does not prohibit us from pursuing any other remedy. You promise to pay reasonable collection costs and expenses, including attorney's fees, if you default under this agreement. If suit is filed, you agree that attorney's fees and costs will be awarded to the prevailing party. If the vehicle is repossessed, we may store personal property found in the vehicle for your account and at your expense and, if you do not claim property within 90 days after the repossession, we may dispose of the personal property in any manner we deem appropriate without liability to you.

Delinquency and Collection Charges: You will pay a delinquency charge equal to the lesser of $15 or 8 percent of any installment in default for more than 10 days. If you default as described in the preceding paragraph and we refer this contract for collection to an attorney who is not our salaried employee or a salaried employee of the holder of this contract, you will pay reasonable attorney's fees plus court costs, and reasonable collection costs to the extent not prohibited by law.

Demand for Full Payment and Additional Remedies on Default: If you default under this contract, at the time of the default or any time after default (if the default has not been cured previously) we may require immediate payment of the unpaid portion of the amount you owe us. If there is any money left over (surplus), it will be paid to you. On any default, we will have all the remedies of a secured party under the Uniform Commercial Code. If the cash price on page 1 of 2 is $1,000 or less, you will not be personally liable for any deficiency incurred in a sale after repossession.

Ownership of the Collateral: You represent that there are no liens, claims or encumbrances on the Collateral except for the security interest you grant by this contract to us and you further represent that you have executed no financing statement covering the Collateral except for one relating to this contract.

Location and Use of Collateral: You agree to notify us in writing of any change of your address or of any change in the location of the Collateral. Unless you first have received our written consent, you may not permanently take the Collateral out of the State shown in Section D in the section entitled "Address Where Collateral Will Be Located" and you may not sell, lease or otherwise dispose of the Collateral or any part of it by any means. You will comply with all laws, ordinances, regulations and orders relating to the Collateral. You will keep the Collateral in good condition and will not alter or substantially modify it or conceal it. You will not allow any other security interest on the Collateral besides the security interest granted to us under this contract.

Inspection of the Collateral: We may inspect the Collateral at any reasonable time.

Taxes: You are responsible for and will pay when due all taxes and assessments levied on the Collateral. If you fail to do so, we may pay any such tax or assessment on your behalf. An amount equal to that which we paid will be added to the Total of Payments then owing, and you will be charged a finance charge on the amount we paid at the highest lawful contract rate.

Property Insurance: You will keep the Collateral insured against such risks and in such amount as we may from time to time require with an insurer that you choose and we approve. As indicated in Section B, if you choose, we will obtain property insurance for you at the premium shown. Whether the insurance is provided by you or by us, you will pay all premiums for this insurance when the premiums are due and payable. If you provide property insurance, you will deliver the policies to us as additional security and will provide us with receipts showing payment of premiums. If you do not obtain the insurance or pay the premiums, we may do so for you. If we do this, an amount equal to that which we have paid for the premiums will be added to the Total of Payments then owing and a finance charge at the highest lawful rate will be charged on that amount. If we obtain the insurance, none of our other rights and remedies will be prejudiced. You agree that any proceeds from insurance are to be used to either repair or replace the vehicle. Whether or not the vehicle is insured, you must pay for it if it is lost, damaged or destroyed. If you default (as described on page 2 of 2), we may cancel the insurance and credit any insurance premium refunds to the unpaid balance of this contract.

LIABILITY INSURANCE IS NOT REQUIRED BY THIS CONTRACT. YOU HAVE THE RIGHT TO CHOOSE THE PERSON THROUGH WHOM LIABILITY INSURANCE IS TO BE OBTAINED.

Information to Insurance Company or Agent: You give your permission to furnish any information about the Collateral or any information about insurance policies on the Collateral to an insurance agent or company.

Credit Life Insurance, Credit Disability Insurance and Debt Cancellation Coverage (GAP Coverage): If you indicated in Section B that you want optional credit life insurance, credit disability insurance or debt cancellation coverage (GAP coverage), or any combination thereof, you agree to pay for such insurance at the premium shown in Section B.

NO WARRANTIES: THE SELLER MAKES NO REPRESENTATIONS, PROMISES OR WARRANTIES, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY OF THE COLLATERAL OR WHETHER THE COLLATERAL IS SUITABLE OR FIT FOR THE PARTICULAR PURPOSE INTENDED UNLESS THE SELLER HAS DONE SO IN THIS CONTRACT OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY THE SELLER AS THE ORIGINAL SELLER OF THE COLLATERAL. HOWEVER, IF THE SELLER MAKES AN EXPRESS WARRANTY IN THIS CONTRACT OR IN A SEPARATE WRITTEN AGREEMENT SIGNED BY THE SELLER OR, WITHIN 90 DAYS AFTER THE DATE OF THIS CONTRACT, THE SELLER ENTERS INTO A SERVICE CONTRACT WITH THE BUYER THAT APPLIES TO THE COLLATERAL, THE EXCLUSION OF IMPLIED WARRANTIES SET FORTH IN THIS PARAGRAPH DOES NOT EXCLUDE ANY IMPLIED WARRANTIES THAT MAY EXIST WITH RESPECT TO THE COLLATERAL DURING THE TERM OF THE CONTRACT OR AGREEMENT IN WHICH THE EXPRESS WARRANTY IS MADE.

Notices: Any notice we have to give you pursuant to the Uniform Commercial Code will be reasonable if we send it to your address shown in Section D in the section entitled "Your Address After Receipt of Possession of Collateral" at least 5 days before the event with respect to which notice is required unless we have actual knowledge of a change in your address and, in that event, the notice will be reasonable if we send it to the changed address.

Time Is of the Essence: You understand that all payments that are required must be made on the day due.

Exercising our Rights: We can, without notice, delay enforcing our rights or exercise only part of them, without losing them, or waive a right we have to one Buyer without waiving it as to the other(s).

Meaning of Words: In this contract the words "you" and "your" means each and all those who sign this contract as Buyers or Co-Buyers, and their heirs, executors, administrators, successors and assigns. The words "we," "us" and "ours" means the Creditor shown on page 1 of 2 in Section A, and if this contract is assigned, its successors and assigns and any other holder of this contract.

Governing Law: This contract has been delivered in the State of Creditor's place of business and will be governed by the laws of that State and applicable federal law.

Invalidity: Wherever possible each provision of this contract shall be interpreted so that it is valid under applicable law, but if any provision is prohibited or invalid, the remaining provisions of this contract will continue to be valid.

Notice of Rescission Rights (Option to Cancel): The provisions of this paragraph only apply if you have signed the notice of rescission rights on page 1 of 2 of this contract. (1) You agree to furnish the Seller any documentation necessary to verify information contained in your credit application. (2) You acknowledge that it may take a few days for the Seller to verify your credit and assign the contract. In consideration of the Seller agreeing to deliver the vehicle, you agree that if the Seller is unable to assign the contract to a Financial Institution with whom the Seller regularly does business pursuant to terms of assignment acceptable to the Seller, the Seller may elect to rescind the contract. (3) If the Seller elects to rescind the contract, the Seller shall, within 20 days after the date of the contract, give you notice of the rescission. Such notice shall be deemed given upon deposit of a written notice in the United States mail directed to you at the address you stated in the contract or upon any other manner in which actual notice is given to you. Upon receipt of such notice, you shall immediately return the vehicle to the Seller in the same condition as when sold, reasonable wear and tear excepted, and this contract shall be deemed rescinded. The Seller agrees, upon rescission of the contract, to restore to you all consideration received in connection with the contract, including any trade-in vehicle. (4) If the vehicle is not immediately returned to the Seller after giving notice of the Seller's election to rescind the contract, you are liable to the Seller for all expenses incurred by the Seller in obtaining possession of the vehicle, including attorney's fees, and the Seller has the right to repossess the vehicle as permitted by law. (5) While the vehicle is in your possession, all terms of the contract, including those related to the use of the vehicle and insurance for the vehicle, are in force and all risk of loss or damage to the vehicle must be assumed by you. You shall immediately pay all reasonable repair costs related to any damage to the vehicle while it is in your possession or under your control and until the vehicle is returned to the Seller.

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER.

If you are buying a used vehicle with this contract, as indicated in the description of the vehicle on page 1 of 2, federal regulation may require a special buyer's guide to be displayed on the window.

THE INFORMATION YOU SEE ON THE WINDOW FORM FOR THIS VEHICLE IS PART OF THIS CONTRACT. INFORMATION ON THE WINDOW FORM OVERRIDES ANY CONTRARY PROVISIONS IN THE CONTRACT OF SALE.

If your correspondence involves a question or a request for information, we will respond to your inquiry as soon as possible.

The Attorney General's office helps thousands of consumers each year. We want to help you resolve your complaint to your satisfaction. Because of the enormous volume of complaints we receive, however, the Attorney General's office cannot file lawsuits on behalf of individual consumers. Rather, the Attorney General will sue a company only when the general public interest is involved or in certain cases involving a large number of consumers. Accordingly, if you feel that a lawsuit may be necessary in your case, you may wish to file a complaint in Small Claims Court or hire your own attorney.

If your correspondence is just to give us information and you indicated that you do not need us to respond, thank you. The material you provided will remain part of our public database. You will not hear from us again unless we have questions.

If you need to supply additional information and/or documents, please include in the subject line the following **Complaint Identification Number**: **2021-cp03052102471-A**
