IN RE: Princess Emilily Hotep El, Trustee/Beneficiary, and the Monica Rene Hall Estate / Business Trust. This Continued Order supplements, continues, and does not supersede the prior Foreign Judgment, Writ of Mandamus, void-ab-initio determination, and related Consular Court record.

Court Clerk / Recorder:

Chief Maria Ali Dey

Chief Maria Ali Dey

I. LIMITED PURPOSE AND NON-MISREPRESENTATION CLAUSE

This Continued Order is issued by the House of Judah Consular Court Tribunal XIII, Court of Record, solely to continue, supplement, preserve, and give notice of the Consular Court record concerning Princess Emilily Hotep El and the Monica Rene Hall Estate / Business Trust. It is a record-preservation, notice, and demand instrument.

Nothing in this Order represents that the Eighth Judicial District Court, the United States District Court for the District of Nevada, the United States Court of Appeals for the Ninth Circuit, the State of Nevada, or any officer thereof authored, issued, adopted, endorsed, or enforced the Consular Court determination contained herein. The later filing, receipt, docketing, or service of this Order or its underlying instruments in another tribunal establishes notice, filing, service, and chronology only — it does not, by itself, constitute acceptance, agreement, waiver of immunity or defenses, creation of indebtedness, perfection of a lien or security interest, or a binding judgment of any receiving court unless such effect is independently established under applicable law.

Where this Order states a determination of this Court of Record, that determination is stated as the Court's own procedural position and preserved record — not as an order or judgment entered by any Nevada state court or federal court.

II. JURISDICTIONAL AND AUTHORITY STATEMENT

The authority for this Continued Order is the inherent authority of the House of Judah Consular Court Tribunal XIII as a Court of Record to preserve its own records, make findings based on the evidence submitted to it, give notice of those findings, and demand preservation of, and a response to, the matters preserved. The Court's determinations are effective within the Consular Court record and as notice to the parties identified herein.

No provision of this Order is represented to operate as a binding order upon any sovereign, state, or federal court, or to compel performance by any such court or its officers except through such lawful process as may separately be available to the Petitioners. The enforceability of any remedy described herein depends upon the applicable law of the forum in which it is sought and the facts established by competent evidence.

III. CONTINUATION OF PRIOR ORDER

This Order supplements and continues the existing Foreign Judgment, Writ of Mandamus, void-ab-initio determination, property and title record, governmental-notice record, preservation record, and injury record concerning Princess Emilily Hotep El and the Monica Rene Hall Estate / Business Trust. To the extent of any conflict with the prior record, the clarifications in this Order govern for interpretive purposes; the prior record remains in full force except as expressly supplemented herein.

IV. VOID AB INITIO DETERMINATION — ORIGIN AND SUBSEQUENT FILING

The determination that the challenged proceedings were VOID AB INITIO originated within the Petitioners' Consular Court proceeding and record. It is an order and determination of this Court of Record and shall not be mischaracterized as an order originating from any other court.

The Petitioners' record reflects that the existing Consular Court void-ab-initio determination was subsequently filed for notice and record in September 2022 with the Eighth Judicial District Court and the United States District Court for the District of Nevada. Petitioners maintain that those filings were accepted into the applicable e-filing records and bear clerk filing stamps and certifications.

The purpose of identifying those later filings is to establish notice, filing, service, chronology, and the procedural record. It is not a representation that either receiving court created the underlying Consular Court determination or adjudicated its merits.

V. SERVICE, E-FILING, NOTICE, AND ASSERTED PROCEDURAL DEFAULT

The record reflects that the filed instruments were transmitted through the applicable electronic filing process and that the parties were additionally served through USPS Certified Mail and/or Registered Mail, as reflected by the corresponding certificates of service, mailing receipts, return receipts, delivery records, and tracking documentation preserved in Exhibit E.

Petitioners maintain that, following filing and completed service, no responsive pleading, motion challenging the Consular Court determination, dismissal directed to that determination, or other responsive defense was filed within the record presented to this Court within the applicable response period.

This Order therefore preserves Petitioners' position that the failure to timely act or respond after documented filing, service, and notice constitutes a procedural default and an uncorrected procedural defect. This finding is stated as the determination and procedural position of this Court of Record and is not represented as a default judgment entered by a Nevada or federal court.

The record shall preserve the e-filing confirmations, clerk stamps, certificates of service, USPS Certified/Registered Mail receipts, return receipts, and tracking histories as evidence of what was filed, upon whom it was served, when notice was received, and what responsive action, if any, followed.

VI. NINTH CIRCUIT WRIT OF MANDAMUS — SEPARATE APPELLATE RECORD

Separate from the Consular Court void-ab-initio determination, the preserved appellate record reflects that a Petition for Writ of Mandamus was filed in the United States Court of Appeals for the Ninth Circuit on August 22, 2022 and assigned Case No. 22-70183. The docket reflects that the petition was filed, the cause docketed, appearances entered, and the Real Parties in Interest notified.

The preserved party roster identifies Monica Rene Hall Estate Trust and Princess Emilily Hotep El as Petitioners; the United States District Court for the District of Nevada, Las Vegas, as Respondent; and Ally Bank and Aldridge Pite Haan LLP as Real Parties in Interest.

The Ninth Circuit proceeding and the Consular Court proceeding shall remain distinct in this record. The Ninth Circuit docket is relied upon for its own procedural chronology and party identification, not as the source of the Consular Court void-ab-initio determination.

VII. SUBSEQUENT REMAND AND CONTINUING VOID-AB-INITIO POSITION

The record reflects that the District of Nevada subsequently entered a remand order on September 23, 2022. Petitioners maintain, within the Consular Court record, that the challenged remand and proceedings flowing from it were void ab initio and could not cure the defects already identified and served through the Consular Court proceeding.

This Order records and continues that Consular Court determination. It does not attribute the void-ab-initio determination to the Ninth Circuit, the Eighth Judicial District Court, or the United States District Court for the District of Nevada.

VIII. CHRONOLOGY OF RECORD

The following chronology is compiled from the preserved record and is stated for evidentiary and notice purposes. Each entry is supported by the corresponding exhibit identified in Section XIV.

Date	Event	Exhibit
April 15, 2021	Underlying Foreign Judgment / Consular Court order and certification	A
August 22, 2022	Petition for Writ of Mandamus filed, Ninth Circuit Case No. 22-70183	F
September 2022	Consular Court VOID AB INITIO determination and related order	B
September 2022	Filing / file-stamp evidence, Eighth Judicial District Court	C
September 2022	Filing / file-stamp evidence, U.S. District Court, District of Nevada	D
September 2022	Certificates of service and USPS Certified/Registered Mail records	E
September 23, 2022	District of Nevada remand order	G
September 9, 2026	Entry of this Continued Order	—

IX. FINDINGS BASED ON SUBMITTED EVIDENCE

Based on the evidence submitted to and preserved in the Consular Court record, the Court finds and records the following, each stated to the extent supported by the corresponding exhibit and subject to contradiction by competent evidence of record:

Finding 1. That the Consular Court void-ab-initio determination was made, filed, and served as reflected in Exhibits A–E;

Finding 2. That the instruments were transmitted by e-filing and by USPS Certified/Registered Mail with corresponding receipts and tracking preserved in Exhibit E;

Finding 3. That, within the record presented, no timely responsive pleading, motion, or defense directed to the Consular Court determination appears of record, supporting the asserted procedural default preserved in Section V;

Finding 4. That the Ninth Circuit petition at Case No. 22-70183 was filed and docketed, and the Real Parties in Interest identified, as reflected in Exhibit F;

Finding 5. That the District of Nevada remand order of September 23, 2022 was entered, as reflected in Exhibit G; and

Finding 6. That evidence of injury and of notice/knowledge of such injury has been submitted and is incorporated under Section X and Exhibits H–I.

X. EVIDENCE AND KNOWLEDGE OF INJURIES

The continuing mandamus and foreign-judgment record shall include evidence concerning injuries alleged to have been caused to Princess Emilily Hotep El and the Monica Rene Hall Estate / Business Trust, together with evidence showing when the relevant governmental and private actors received knowledge or notice of those injuries.

The injury record includes the asserted interference with and deprivation of real property and Estate/Trust interests; foreclosure and title activity; dispossession and loss of use; interference with personal and business property; financial and business injury; identity-related injury; and consequential damages. Each category shall be supported by the corresponding court filings, recorded instruments, photographs, notices, agency complaints, receipts, communications, and other competent exhibits in the record.

The purpose of this section is evidentiary: to establish what injury was reported or documented, who received the information, when notice was received, what records existed at the time, and what subsequent conduct occurred after that notice.

XI. PRESERVATION AND PRODUCTION OF RESPONSIVE RECORDS (LITIGATION HOLD / DEMAND TO PRESERVE)

All responsive records relating to the foregoing chronology are hereby demanded to be preserved and protected from alteration, deletion, spoliation, or destruction. This demand constitutes a litigation-hold and records-preservation notice to each named party and to any custodian of records in their possession, custody, or control, regardless of whether any formal proceeding is pending. The duty to preserve arises upon receipt of this Order and continues until expressly released in writing.

Records to be preserved include: court and e-filing audit histories; service records; title and foreclosure records; mediation records; communications among lenders, servicers, trustees, law firms, HOA/property-management actors, and governmental entities; law-enforcement or constable records; photographs and video; dispatch or access records; and communications concerning the subject property, the Estate/Trust, the challenged proceedings, and the injuries asserted.

Suspension of any routine destruction, recycling, or overwriting policies affecting email, electronic files, voicemail, backup media, and physical records is demanded pending release. Any alteration, deletion, or failure to preserve after receipt of this notice may be the subject of an adverse-inference request or other remedy available under applicable law in any competent forum.

XII. NOTICE AND OPPORTUNITY TO RESPOND

Each named Respondent and Real Party in Interest is hereby given notice of the matters preserved in this Order and of the asserted procedural default and void-ab-initio position. Any party disputing any finding, the asserted default, the void-ab-initio position, or any characterization herein is directed to submit a written response, with supporting documentation, within twenty-one (21) days of confirmed receipt of this Order.

Failure to respond within that period, after documented filing, service, and notice, will be preserved as an uncorrected procedural defect and as a further basis for the Court's record. A response shall not be deemed a waiver of any immunity, defense, or right unless the respondent expressly so agrees in writing; conversely, silence shall be preserved as the procedural position stated herein and not as a binding default judgment of any Nevada or federal court.

XIII. DEMAND FOR WRITTEN ACKNOWLEDGMENT AND DISPOSITION

Each recipient of any presentment, notice, or instrument accompanying or referenced by this Order is demanded to provide a dated written acknowledgment identifying (a) the materials received, (b) the date of receipt, (c) the person or office that received them, and (d) the disposition actually taken (e.g., received, referred, returned, additional information requested, or other), not later than twenty-one (21) days after confirmed receipt.

As to the fiscal presentments referenced in Sections XV and XXI–XXII, acknowledgment, routing, filing, or receipt of the instrument does not by itself constitute acceptance of the asserted obligation, creation of indebtedness, perfection of a lien or security interest, issuance of a warrant, waiver of defenses or immunity, or agreement to the issuer's characterization or valuation. Any such legal effect must arise independently under applicable law or from an authorized act expressly establishing it.

XIV. EXHIBIT-LINKED EVIDENTIARY SCHEDULE

The following exhibits are incorporated into the continuing record and are tied to the factual assertions above. Each exhibit shall be authenticated and produced as a competent exhibit; no exhibit is relied upon for any proposition beyond what its contents, properly authenticated, fairly support.

To the extent the continuing record identifies an asserted claim, UCC filing or lien, bond or surety instrument, securities, negotiable or commercial instruments, receivables, gold, silver and other precious metals, cryptocurrency and digital assets, tokens, NFTs, smart-contract rights, intellectual property, real-property or land interests, proceeds, or other tangible or intangible property, each item shall be supported by its applicable filing, contract, deed, ledger, certificate, assignment, identifier, transaction record, or other competent documentation.

No statement herein is a waiver of any right or remedy, and no failure to assert any particular remedy at this time shall prejudice its later assertion.

All rights are reserved without prejudice, including any rights under the Uniform Commercial Code as adopted in the relevant jurisdiction, treaty law, constitutional law, and the common law, to the extent each is independently applicable and supported by the record.

XVII. NO WAIVER / SEVERABILITY

If any provision of this Order is held to be invalid, unenforceable, or inapplicable, that provision shall be severed and the remaining provisions shall remain in full force and effect. No waiver of any provision shall be implied from any conduct; any waiver must be in writing and signed by the party against whom it is asserted.

IT IS FURTHER ORDERED that the continuing record shall include all real and immovable property interests implicated by the underlying proceedings, including land, residential and commercial real property, buildings, improvements, fixtures, estates in land, deeds, titles, beneficial interests, trust-held property, land patents, mineral or subsurface interests where applicable, easements, proceeds, rents, insurance proceeds, and other interests appurtenant to or derived from such property — including the real property located in the States identified within the supporting record as having been wrongfully taken, transferred, foreclosed upon, dispossessed, converted, or otherwise removed from the possession, title, ownership, or beneficial interests asserted by the Petitioners, Estates, and Trusts;

IT IS FURTHER ORDERED that each such real-property claim shall remain supported by the applicable deed, legal description, parcel or APN number, recorder instrument, title record, trust instrument, lien, assignment, foreclosure instrument, court filing, tax record, appraisal, or other competent documentary evidence contained within the continuing record;

Hotep El et al v. Ally Bank et al Doc. 43

UNITED STATES DISTRICT COURT

DISTRICT OF NEVADA

* * *

Princess Emilily Hotep El; Monica Rene Hall Estate Trust, Plaintiffs, v. Ally Bank; Aldridge Pite Haan, LLP, Defendants.	Case No. 2:22-cv-00874-APG-DJA **Order**

Pro se plaintiff Princess Emilily Hotep El[1] has filed seven motions including four motions to remove or strike Defendants' pleadings (ECF Nos. 31, 39, 40, 42), two motions "for counterclaim debt" (ECF Nos. 36, 41), and a "motion in agreement for PFJR" (ECF No. 32). However, it is unclear what relief these motions seek or the legal grounds on which El seeks relief. Additionally, El's motions appear to be rooted in theories attributable to the "sovereign citizen" movement, which theories courts have rejected. The Court thus denies each of El's motions.

I. Discussion.

Not only do El's motions fail to state the grounds for the relief she seeks or even what relief she seeks, El's motions are based on her theory that she is a "foreign national" over which the United States government does not have jurisdiction. A recurring theme throughout these motions is that El—who refers to herself as "Diplomat princess emilily hotep el"—asserts that

[1] The Monica Rene Hall Estate Trust is listed as a plaintiff in this action. It appears that El is purporting to represent this entity. However, El cannot represent the trust because corporate defendants must appear in court through an attorney. *See In re Am. W. Airlines*, 40 F.3d 1058, 1059 (9th Cir. 1994); *see United States v. High Country Broad.*, 3 F.3d 1244, 1245 (9th Cir. 1993).

Dockets.Justia.com

she is not the same individual as "MONICA RENE HALL," whom El refers to as the "all caps incorporation." (ECF No. 31 at 1, 6).

These motions appear to stem from El's apparent adherence to the "sovereign citizen" anti-government movement. As one court described it:

> Though the precise contours of their philosophy differ among the various groups, almost all antigovernment movements adhere to a theory of "sovereign citizen." Essentially, they believe that our nation is made up of two types of people: those who are sovereign citizens by virtue of Article IV of the Constitution, and those who are "corporate" or "14th Amendment" citizens by virtue of the ratifications of the 14th amendment. The arguments put forth by these groups are generally incoherent, legally, and vary greatly among different groups and different speakers within those groups. They all rely on snippets of 19th Century court opinions taken out of context, definitions from obsolete legal dictionaries and treatises, and misplaced interpretations of original intent. One of the more cogent[—]in the sense that it is readily followed—arguments is that there were no United States citizens prior to the ratification of the 14th Amendment. All Americans were merely citizens of their own state and owed no allegiance to the federal government. As a result of that amendment, however, Congress created a new type of citizen—one who now enjoyed privileges conferred by the federal government and in turn answered to that government.
>
> One of the ramifications of this belief is the dependent belief that, unless one specifically renounces his federal citizenship, he is not the type of citizen originally contemplated by the Constitution. And, in their view, the Constitution requires all federal office holders to be the original or sovereign type of citizen, a state citizen rather than a United States citizen. As a result, all federal officers are holding office illegally and their laws and rules are thus constitutionally suspect.

Clarke v. Allen, No. 3:17-cv-00582-MMD-WGC, 2020 WL 3510921, at *1-2 (D. Nev. June 29, 2020) (quoting *United States v. Mitchell*, 405 F. Supp. 2d 602, 605 (D. Md. 2005)).

Other courts have described a similar theory based on the belief that passing the Fourteenth Amendment led to fictitious entities:

> Supposedly, prior to the passage of the Fourteenth amendment, there were no U.S. citizens; instead, people were citizens only of their individual states. Even after the passage of the Fourteenth Amendment, U.S. citizenship remains optional. The federal

> government, however, has tricked the populace into becoming U.S. citizens by entering into "contracts" embodied in such documents as birth certificates and social security cards. With these contracts, an individual unwittingly creates a fictitious entity (*i.e.*, the U.S. citizen) that represents, but is separate from, the real person. Through these contracts, individuals also unknowingly pledge themselves and their property, through their newly created fictitious entities, as security for the national debt in exchange for the benefits of citizenship.

Id. (quoting *Bryant v. Wash. Mut. Bank*, 524 F. Supp. 2d 753, 758 (W.D. Va. 2007)).

However, "[t]he attempt to divide oneself into two separate entities…is a legal fiction and has been struck down consistently in courts and around the country." *Id.* (internal citations and quotations omitted). As the Honorable Magistrate Judge William G. Cobb aptly explained, "[t]his court, like others across the country, concludes that 'sovereign citizens,' like all citizens of the United States, are subject to the laws of the jurisdiction in which they reside." *Id.* (internal citations and quotations omitted). "Laws of the United States apply to all persons within its borders." *United States v. James*, 328 F.3d 953, 954 (7th Cir. 2003). "Regardless of an individual's claimed status of descent, be it as a 'sovereign citizen,' a 'secured-party creditor,' or a 'flesh-and-blood human being,' that person is not beyond the jurisdiction of the courts. These theories should be rejected summarily, however they are presented." *United States v. Benabe*, 654 F.3d 753, 767 (7th Cir. 2011).

The Court rejects El's theory that she is entitled to some form of relief through her motions simply because she declares herself a "foreign national" or "sovereign citizen." It also rejects her theory that she is entitled to some form of relief because Defendants have referred to her as the "corporate" entity: Monica Rene Hall. The Court will not entertain future motions based on these theories.

IT IS THEREFORE ORDERED that Plaintiff's motions (ECF Nos. 31, 32, 36, 39, 40, 41, and 42) are **denied.**

I. PURPOSE AND CHARACTER OF NOTICE

This instrument gives formal notice of the Declarants' asserted Indigenous, Aboriginal and Moor identity, claimed ancestral and hereditary title interests, historic public notice, and related documentary record. It is intended to preserve the source record and the propositions actually stated in that record.

This Notice distinguishes a published assertion from an adjudicated fact. Publication establishes that a notice was printed and publicly disseminated; it does not, by itself, constitute a judicial determination of the truth, acreage, tribal citizenship, chain of title, or legal effect of every proposition contained in the published notice.

II. NOTICE OF INDIGENOUS MOOR TITLE-HOLDER CLAIM

The Declarants give notice of their position that Indigenous Moors bearing or using the historic appellations and titles Il, El, Dey, Bey, Ali, and related forms are among the rightful title holders identified within their historical, ancestral, family, treaty, trust, and documentary record.

The Declarants further preserve the historical land-title proposition presented in the Gatty live-presentation materials concerning Indigenous/Moor title holders and territory exceeding one million square miles. That proposition is incorporated as a claim attributed to the presentation and shall be evaluated against the underlying grants, treaties, patents, surveys, judgments, maps, land records, and other primary sources attached or subsequently supplied as exhibits.

No numerical land-area statement in this Notice is represented as an adjudicated judgment merely because it appears in a presentation, publication, affidavit, or notice. The underlying source controls.

III. 2016 LOS ANGELES TIMES PUBLICATION RECORD

The Los Angeles Times Media Group proof of publication identifies Order No. 4341829 and states that a true and complete copy of the notice was printed and published in the Los Angeles Times. The billing record lists the Marketplace section and four Sunday run dates: July 24, July 31, August 7, and August 14, 2016.

The published notice states, in substance, that David Jr Hall and Monica Rene Hall had reached the age of majority, possessed authenticated documents, asserted due-process rights and status as "Indigenous Aboriginal Kemetic Muur" and "Registered Owner," reserved rights, and publicly announced the names/titles Priest Prince Ra Hotep and Priestess Princess Emilily Hotep.

Accordingly, this Notice uses the 2016 publication as evidence of the existence, timing, content, and public dissemination of those assertions. It does not characterize the newspaper itself as having adjudicated or independently certified the underlying nationality or land-title claims.

IV. TITLE, NAME, APPELLATION, AND CAPACITY

For purposes of this record, titles and appellations including Il, El, Dey, Bey, and Ali are preserved exactly as asserted or documented in the source materials. Their use in this Notice is not to be altered into an unrelated ideological classification, nor should similarity of vocabulary be treated as proof of affiliation with any movement.

Where a court order, governmental record, passport-related correspondence, tribal record, genealogy, trade-name record, trust instrument, or other document establishes a particular name or capacity, that source shall be identified separately in the exhibit index so that name, ancestry, citizenship, nationality, office, title, trust capacity, and property title are not improperly merged.

V. LAND, PROPERTY, AND TITLE RECORD

The Declarants preserve all claimed Aboriginal, Indigenous, hereditary, treaty, trust, equitable, beneficial, succession, and property interests that may be established by competent evidence. This includes claims reflected in the Gatty presentation and other historical materials, without waiver by omission from this Notice.

For every particular tract or territorial claim, the preferred evidentiary chain shall identify: the Indigenous nation or people; original instrument or recognized source; date; grantor and grantee where applicable; geographic description; survey or map; treaty or patent; succession or chain of title; later conveyances; and any judicial or administrative determination affecting the claimed interest.

VI. CONSTITUTIONAL, STATUTORY, UCC, TRUST, TREATY, AND INTERNATIONAL AUTHORITIES

The final authority schedule accompanying this Notice shall separately identify each constitutional provision, United States Code provision, state trust statute, Uniform Commercial Code provision, treaty, tribal authority, and international Indigenous-rights instrument relied upon, together with the exact proposition for which it is cited. Authorities will not be listed as though citation alone establishes a particular person's tribal citizenship, diplomatic immunity, ownership of a specific tract, or exemption from generally applicable law.

Authorities reserved for the schedule include, where factually applicable: the United States Constitution; federal Indian-law statutes including 25 U.S.C. provisions governing tribal lands and relations; UCC provisions including §§ 1-103 and 1-308 for their actual commercial-law functions; applicable state trust and property statutes; relevant Choctaw, Cherokee, Chickasaw and Blackfeet/Blackfoot treaties and instruments; the United States-Morocco Treaty of Peace and Friendship where a specific treaty proposition is implicated; UNDRIP; ADRIP; and other international instruments whose legal character and applicability are identified accurately.

VII. NO WAIVER; PRESERVATION AND CORRECTION OF RECORD

Nothing in this Notice is intended as a voluntary relinquishment of any otherwise existing legal, equitable, treaty, contractual, property, trust, inheritance, procedural, or constitutional right. Any reservation-of-rights provision is asserted only to the extent recognized by the law governing the transaction or proceeding in which it is invoked.

Any recipient maintaining a materially inconsistent characterization of the Declarants' identity, title, ancestry, nationality, affiliation, capacity, or property interest is requested to preserve and identify the source, author, date, database field, underlying evidence, modification history, and dissemination record supporting that characterization, to the extent lawfully obtainable.

VIII. EVIDENTIARY CLASSIFICATION

The record shall classify exhibits as: (A) governmental or court record; (B) newspaper proof of publication; (C) personal declaration or affidavit; (D) genealogical or tribal evidence; (E) treaty, statute, regulation, constitution, or reported judicial authority; (F) historical secondary source or live presentation; and (G) pending corroboration. This classification is intended to prevent a secondary source or personal assertion from being represented as a primary governmental adjudication.

IX. DECLARATION

We affirm that the statements concerning our own identity, names, asserted ancestry, affiliations, capacities, and the documents personally known to us are made from our knowledge and records. Historical, territorial, treaty, and legal propositions are preserved according to their cited sources and should be evaluated from those sources. Nothing herein is intended to convert a disputed historical proposition into an adjudicated fact merely by declaration.

FORMAL NOTICE OF DISTINCTION BETWEEN TRIBAL / INDIGENOUS SOVEREIGNTY AND "SO-CALLED SOVEREIGN CITIZEN" CHARACTERIZATION

Notice of Indigenous Identity, Non-Affiliation, Individualized Evidence, Source Provenance, and Record Correction

NOTICE PARTIES	NOTICE TO / RECORD RECIPIENTS
Prince Ra Hotep El; Princess Emilily Hotep El; House of Judah Foundation Trust; related family, estate, and trust capacities as specifically documented.	Courts, governmental agencies, law-enforcement agencies, financial institutions, publishers, search providers, data brokers, record custodians, and other recipients maintaining identity or status records.

I. PURPOSE OF NOTICE

This Notice places a clear distinction into the record between recognized principles of tribal sovereignty under federal Indian law and the unrelated body of arguments commonly described by courts and agencies as "sovereign citizen" theories. It also preserves the Notice Parties' asserted Indigenous identity, ancestry, names, titles, affiliations, and capacities without treating those matters as automatic proof of tribal citizenship, governmental recognition, immunity, land ownership, or exemption from otherwise applicable law.

The purpose is individualized treatment of the evidence. A label is not a substitute for examining what a person actually claims, what a source actually states, and what legal consequence the controlling authority actually provides.

II. TRIBAL SOVEREIGNTY IS A RECOGNIZED LEGAL CONCEPT

The United States Department of the Interior, Bureau of Indian Affairs, states that tribes retain inherent powers of self-government and that federally recognized tribes have a government-to-government relationship with the United States. The BIA further identifies tribal powers such as forming governments, making and enforcing laws, determining tribal citizenship, taxation, regulation within tribal jurisdiction, zoning, and exclusion from tribal lands, subject to limitations imposed by treaties, Congress, federal law, and judicial decisions.

For purposes of this Notice, "tribal sovereignty" therefore refers to the legal and political sovereignty of tribes and tribal nations. It is not used as a synonym for a unilateral individual claim that no federal or state law applies.

III. DISTINCTION FROM "SOVEREIGN CITIZEN" THEORIES

The Notice Parties expressly reject the proposition that Indigenous identity, Aboriginal ancestry, a tribal reference, a treaty citation, a trust, a UCC filing, a newspaper notice, a name correction, or the use of a historic title automatically permits an individual to opt out of governmental jurisdiction or generally applicable law.

Conversely, the mere appearance of words such as Indigenous, Aboriginal, nation, sovereignty, treaty, trust, status, jurisdiction, Il, El, Dey, Bey, or Ali does not establish adherence to a "sovereign citizen" ideology. Classification should be based on individualized evidence of the person's actual statements, affiliations, conduct, legal propositions, and source record.

IV. EXPRESS NON-AFFILIATION

Prince Ra Hotep El has separately placed into the record an express disavowal of the "sovereign citizen" characterization and of affiliation with white-supremacist, neo-Nazi, Posse Comitatus, Ku Klux Klan, or comparable extremist organizations. This Notice incorporates that non-affiliation position by reference and preserves the demand that any contrary classification identify its source, author, date, database field, evidentiary basis, dissemination history, and audit trail to the extent lawfully obtainable.

V. INDIGENOUS IDENTITY AND TRIBAL CITIZENSHIP MUST NOT BE CONFLATED

An assertion of Indigenous ancestry, culture, family history, or national identity is not identical to citizenship or enrollment in a particular federally recognized tribe. Tribal citizenship and membership are determined under the governing law and criteria of the relevant tribe. Federal recognition concerns the legal-political relationship between the United States and a tribal entity.

Accordingly, each proposition in the Notice Parties' record shall be evaluated in its proper category: personal identity; ancestry and genealogy; tribal citizenship or membership; governmental recognition; historical title or appellation; treaty rights; trust or estate capacity; and land or property title.

VI. PUBLICATION AND HISTORICAL RECORD

The Notice Parties preserve their 2016 Los Angeles Times publication as evidence that Indigenous Aboriginal Kemetic Muur / Registered Owner assertions, reserved-rights language, and the public announcement of the Prince Ra Hotep and Princess Emilily Hotep names/titles were placed into a newspaper publication record at that time. The proof of publication establishes publication of the notice; it is not represented here as an adjudication by the newspaper of tribal citizenship, sovereign immunity, or land title.

Historic titles and appellations including Il, El, Dey, Bey, and Ali, together with claims appearing in the Gatty live-presentation materials, may be preserved as historical-source propositions. The underlying primary source - treaty, patent, grant, tribal record, reported decision, map, survey, or other record - controls the legal effect attributed to a particular proposition.

VII. FIVE EVIDENTIARY TRACKS

- Identity and ancestry - personal declarations supported, where available, by genealogy and historical records.
- Historic titles and appellations - the actual source and historical usage of Il, El, Dey, Bey, Ali, and related forms.
- Tribal citizenship or membership - determined under the law and records of the particular tribal nation.
- Land and property title - established by the applicable treaty, patent, grant, survey, chain of title, tribal record, statute, judgment, or other competent evidence.
- Public notice and record preservation - evidence that an assertion was publicly or officially communicated, without converting publication itself into adjudication.

VIII. DEMAND FOR INDIVIDUALIZED SOURCE EVIDENCE AND RECORD CORRECTION

Any recipient that has classified or described a Notice Party as a "sovereign citizen," extremist, anti-government actor, terrorist, or comparable category is requested to identify and preserve the individualized evidence supporting that classification, including the source, author, date, report or database field, code, communication, referral, recipient, modification history, and audit trail, to the extent disclosure is lawfully available.

Where a record merely repeats a third-party label without source evidence, the Notice Parties request correction, qualification, annotation, or other lawful record-remediation procedure so that the record distinguishes the person's actual self-identification and documentary claims from an externally imposed characterization.

IX. AUTHORITIES AND SOURCE PROVENANCE

Authority / Record	Proposition Supported	Classification
U.S. Department of the Interior - Bureau of Indian Affairs, "What are the inherent powers of tribal self-government?"	Tribes possess retained inherent powers of self-government subject to recognized federal limitations.	Federal agency authority

X. RESERVATION AND LIMITATION

Nothing in this Notice waives any otherwise existing legal, equitable, constitutional, treaty, tribal, trust, property, inheritance, contractual, or procedural right. At the same time, no citation, title, trust instrument, UCC provision, newspaper publication, or personal declaration is represented as creating a legal consequence beyond what the controlling law and competent evidence actually provide.

XI. DECLARATION

We affirm that statements concerning our own identity, names, affiliations, non-affiliation, capacities, and personally known records are made from our knowledge and records. Statements concerning federal Indian law, tribal sovereignty, historical matters, land title, treaties, and other legal propositions are preserved according to the cited authorities and should be evaluated from those authorities.

Notice

NOTICE OF TITLE HOLDERS, CHOCTAW CHEROKEE CHICKASAW ET. AL,… INDIGENOUS MOOR IDENTITY, ANCESTRAL LAND-TITLE CLAIMS, PUBLICATION RECORD, & PRESERVATION OF DOCUMENTARY AUTHORITIES

I. PURPOSE AND CHARACTER OF NOTICE

This instrument gives formal notice of the Declarants' asserted Indigenous, Aboriginal and Moor identity, claimed ancestral and hereditary title interests, historic public notice, and related documentary record. It is intended to preserve the source record and the propositions actually stated in that record.

This Notice distinguishes a published assertion from an adjudicated fact. Publication establishes that a notice was printed and publicly disseminated; it does not, by itself, constitute a judicial determination of the truth, acreage, tribal citizenship, chain of title, or legal effect of every proposition contained in the published notice.

II. NOTICE OF INDIGENOUS MOOR TITLE-HOLDER CLAIM

The Declarants give notice of their position that Indigenous Moors bearing or using the historic appellations and titles Il, El, Dey, Bey, Ali, and related forms are among the rightful title holders identified within their historical, ancestral, family, treaty, trust, and documentary record.

The Declarants further preserve the historical land-title proposition presented in the Gatty live-presentation materials concerning Indigenous/Moor title holders and territory exceeding one million square miles. That proposition is incorporated as a claim attributed to the presentation and shall be evaluated against the underlying grants, treaties, patents, surveys, judgments, maps, land records, and other primary sources attached or subsequently supplied as exhibits.

No numerical land-area statement in this Notice is represented as an adjudicated judgment merely because it appears in a presentation, publication, affidavit, or notice. The underlying source controls.

FOR IMMEDIATE RELEASE: August 31, 2023

Consumer Alert: Real Estate Identity Theft and Fraud on the Rise

What property owners, homebuyers and industry professionals need to know to avoid becoming a victim

CARSON CITY, NV – The Nevada Division of Insurance and the Nevada Real Estate Division want to bring public awareness and education to an increasingly prevalent real estate identity theft scam. Known as "vacant lot fraud" or "seller impersonation fraud," bad actors impersonate the owners of a property or vacant lot and attempt to sell it for their own profit.
Unsuspecting owners, eager buyers and even licensed real estate and insurance professionals guiding the transactions can all unknowingly end up as victims in these elaborate identity theft schemes. The best way to protect yourself from this rising threat is to understand how the scam works, know the red flags to look out for, and the precautions you can take to prevent this scam from happening to you or your clients.

How the scam works

Scammers search public records to identify owners of real estate that is free of a mortgage or other liens, most often targeting vacant lots and investment, vacation or rental properties that are non-owner occupied. The scammer then poses as the owner and contacts a real estate agent to list the property for sale. Once an offer is made, the scammer quickly accepts it, then sends falsified documents to the title firm or closing attorney. The closing proceeds are then transferred to the scammer leaving the fraud typically undiscovered until transferring documents are recorded with the applicable county.

Watch out for red flags

According to the American Land Title Association (ALTA), homebuyers and licensed professionals alike should consider conducting additional due diligence or halt a transaction if they see these potentially suspicious seller behaviors:

- Seller is difficult to reach via phone or refuses to meet via video call; only communicates via

text or email

- Seller sets listing price lower than the current market value and wants a fast cash sale with little or no fee negotiation
- Seller refuses to attend signings; always claiming to be out of town
- Seller requests to use their own notary
- Seller demands proceeds be wired
- Seller has a different address than the owner's address or tax mailing address
- Seller refuses or is unable to complete multifactor authentication of identity verification

Precautions you can take

ALTA advises title and real estate professionals to take the following precautions during the transaction to help thwart scammer's attempts early on:

- Contact the seller directly at an independently discovered and validated phone number
- Send mail to the seller at the address listed on tax and property records
- Ask the seller's real estate agent if they have personal or verified knowledge of the seller's identity
- If using a remote notary, be sure the notary is fully vetted and approved by your state; otherwise, the title company should arrange for an in-person notary signing at an attorney's office, title agency, or bank.
- Verify the seller's identify by sending the seller a link to complete a third-party identity verification
- Run the seller's email and phone number through a verification program
- Ask conversational questions to ascertain seller's knowledge of property information not readily available in public records
- Compare the seller's signature to previously recorded public documents
- Use a wire verification service or confirm wire instructions match account details on seller's disbursement authorization form
- Require a copy of a voided check with a disbursement authorization form
- Require that a check be sent for seller proceeds rather than a wire

Additionally, property monitoring services are offered by most county recorder's offices to help alert owners to any activity or attempted transactions involving their property. Prospective buyers can also purchase the American Land Title Association Homeowner's Policy of Title Insurance for additional fraud protection. If you are ever in doubt, have questions, or

something does not feel right during a real estate transaction, always speak directly with your real estate agent/broker or your title insurance agent.

Report fraudulent activity immediately!

It is crucial to remain vigilant and report any suspicious or fraudulent activity immediately. Fraud reports can be filed at any of the following entities:

- Department of Business and Industry Nevada Consumer Affairs
- IC3.gov (FBI Internet Crime Complaint Center)
- Nevada Attorney General's Fraud Unit

Fannie Mae

Identity Theft Ring

Fannie Mae's Mortgage Fraud Investigations team alerts the industry to potential and active mortgage fraud scenarios. This alert addresses loans originated in suburban Atlanta, GA, but similar schemes have been identified in other parts of the country. We have observed misrepresented borrower profiles in numerous loans that indicate identity theft and have allowed perpetrators to abscond with large sums of money at closing.

Hallmarks of the scheme include:

- Targeted attacks of identity theft
- Loan transactions are cash-out mortgages on homes without an existing mortgage
- Borrower requests an appraisal waiver
- Highly-priced homes
- Loan amounts usually greater than $500k
- LTV less than 50%
- All homeowner insurance policies are **new**
- Voice Over Internet Protocol (VOIP) is used for communicating with lenders to avoid using traceable phone numbers
- Majority of homes are in Cobb County/Northern Atlanta vicinity
- Borrower specifies the title company to close the transaction
- Applications are submitted online
- Borrowers use a common email structure: FirstName_LastName(numbers)@Yahoo.com
- Fabricated Federal Tax Returns are common in identified files

What can lenders do?

Take special caution on any loans containing any of the aforementioned hallmarks.

If suspicion of fraud exists

- Follow established policies and procedures within your organization and the Fannie Mae *Selling Guide*.
- Complete and submit the Suspected Mortgage Fraud Report on the Mortgage Fraud Prevention web page.

More general steps lenders can take to detect and prevent fraud

- Know your third-party originators/brokers
- Be "fraud smart" by educating your staff
- Establish a zero-tolerance fraud policy
- Share information within your organization
- If the loan doesn't make sense, don't do it!
- Report any suspicious activity through established channels

Watch for further "Fraud Alerts" and potential updates to this fraud alert by monitoring the Mortgage Fraud Prevention web page.

NOTICE: MOTION TO VACATE FRAUDULENT DEFAULT JUDGMENT

IN THE [EIGHTH JUDICIAL DISTRICT COURT CLARK COUNTY NEVADA] Case No.:
A-21-843907-C 200 Lewis Ave, Las Vegas, NV 89101 Department XXXI Judge Kishner.

House of Judah Consular Court Tribunal 13בֵּית לִיהוּדָה נֶאֱמָנוּת קֶרֶן Private Indigenous Aboriginal Trust Priest Prince Ra Hotep El Trust, Petitioner/Judgment Creditor,

v.

Ally Bank, Aldridge Pite llp et al,... Defendant(s).

I. INTRODUCTION

Comes now, Envoy Prince Ra Hotep El, Executor/Beneficiary of בֵּית לִיהוּדָה נֶאֱמָנוּת קֶרֶן (Beit LiYehudah Ne'emanut Keren), and respectfully moves this Court to vacate the purported default judgment entered on [insert date], on the grounds that it is fraudulent, void, and obtained in violation of established law and procedure.

II. FACTUAL BACKGROUND

1. On September 25th, 2025, this Court entered a final judgment in favor of Movant, upon which a Writ of Execution was duly issued on April 15, 2022, ten [10] Months before your alleged default judgment. This comes after discovery and findings that the Defendants participated in multiple complaints for home auto and other private property[s] held within the living Estate Trust. Based upon newly discovered information after September 15, 2025 as the petitioner[s] were attacked by a mad driver targeting the 2015 KIA Optima that was tendered in full without any rebuttal thereto the company or corporations called Ally Bank Cc attached tender as well a tender and bond placed into the DMV Nevada December 28, 2020 for $1,000,000.00 for the cancelations of all and any contracts dealing with

registrations, licenses and such the like. There is evidence that this document was taken from the home on May 10, 2023 approximately and the documents were filed in a cloud with this Court and other federal agencies such as, OCC OIG DOJ CFPB and the FTC. As to which this Court was able to ascertain copies legible.

C Gonzalez whom claims to be employed by Ally Bank leaves his business card with the petitioners May 15, 2023 approximately and states that Ally Bank never hired Aldridge Pite llp to file a Court Case rather that pursuing the asset or the car itself. The Judge in Department XXXI [31] stated in a courts motion that the woman Princess Emilily Hotep El is not a party to the matter Also Josefina San Juan Deputy Clerk claimed that Consular Official Prince Ra Hotep El nor the Consular Court was a party to the matter while returning their fee of $223.00 with the targeted item KIA Optima EX Hybrid was held within the Living Estate Trust therein the Foundation somehow became an objective as property to retrieve until this day as the automobile sits in a Auto body repair shop with claims and allegation from the insurer that the property has a lien and a different owner!

It appears that a Default Judgment was given thereto Ally Bank by way of Aldridge Pite their lawyers illegally as RES JUDICATA and CLAIM PRECLUSION applies herein by law. The targeting September 15, 2025 appears to come from multiple unlawful angels as one there is a Default judgement filed against an Insurance Company with a foreign Judgment underway, as the attacks and ongoing attacks are to scare, intimidate and run off these legal and lawful movements only strengthening its purpose and stance.

2. The Writ of Execution is a lawful enforcement instrument of the Court and establishes Movant's right to collection and enforcement.

3. On or about [date, one year later], the opposing party improperly sought and obtained a default judgment in the same matter, despite the case having already been adjudicated and reduced to a final judgment.

4. No disclosure was made to the Court of the prior judgment and writ. This concealment constitutes fraud upon the court.

III. LEGAL ARGUMENT

A. Res Judicata / Claim Preclusion

Once a claim has been adjudicated to final judgment, the matter cannot be relitigated. (Federated Dept. Stores, Inc. v. Moitie, 452 U.S. 394 (1981)). The Writ of Execution proves finality of judgment. Any subsequent default judgment in the same matter is void.

B. Fraud Upon the Court

A judgment procured by fraud, misrepresentation, or concealment of material facts is void and subject to being vacated. (Hazel-Atlas Glass Co. v. Hartford-Empire Co., 322 U.S. 238 (1944)).

C. Void Judgments May Be Vacated at Any Time

A judgment entered without jurisdiction, or in conflict with an existing judgment, is void ab initio. (United Student Aid Funds, Inc. v. Espinosa, 559 U.S. 260 (2010)). Courts have inherent power to vacate void judgments at any time.

IV. RELIEF REQUESTED

Movant respectfully requests that this Court:

1. Vacate the fraudulent default judgment entered on [date].

2. Affirm the validity and supremacy of the original judgment and Writ of Execution issued on [date].

3. Grant such other and further relief as this Court deems just and proper.

V. CONCLUSION

The fraudulent default judgment cannot stand against the established authority of the original judgment and writ of execution. For the integrity of this Court and the rule of law, the default judgment must be vacated.

SEC COMPLAINT SUMMARY (Short Form)

Filed by: House of Judah Consular Court Tribunal 13
Trust: [redacted] I Case No. OTH-24-002493 I Claim No. 060108463
Email: consularcourttribunal13@proton.me I Website: www.dbnft.ai
Date: December 12, 2025

Subject: Ally Financial (Ticker: ALLY, CIK: 0000040729)

Category: Material Misstatement or Omission
Sub-category: Internal Controls / Books and Records

This complaint involves the filing of lawsuits and legal documents under the name of Ally Bank, while the actual security interest and Electronic Lien Title (ELT) belonged to Ally Financial, Inc. No merger, assignment, or disclosure was made to justify the use of Ally Bank in those filings. These misrepresentations were relied upon in court to unlawfully seize trust property held by a Private Indigenous Trust (Beit LiYehudah Ne'emanut Keren).

After seizure, critical security instruments—including lien bonds, gold/silver coins, and recorded trusts—were removed or destroyed. The law firm Aldridge Pite Haan LLP misrepresented multiple financial entities (Ally Bank, Ally Financial, Fannie Mae, Sunlight Financial) to the courts and CFPB. Champion Movers and Nutone Construction were used to facilitate removal without court authority.

Additionally, documents suggest that Liberty Mutual Insurance is being misled about lien ownership. The DMV ELT document references Ally Financial, but filings continue to falsely name Ally Bank. Retaliation and cyberattacks followed the original whistleblower's activities, including use of Stingray surveillance tools to delete cloud files.

COURT CLERK: Stephanie Rapel

JOURNAL ENTRIES

On May 25, 2022, a proposed Order/Document titled Order Regarding Exemption was forwarded to the Department from the Clerk's Office. The document sets forth that it was submitted by an individual identifying herself as Princess Emilily Hotep el. On May 26, 2022, an Order/Document titled Proposed Order Nev. Civ. IC-2-2(f) tender of Payment UCC3-603(b) NRS 104.3603, Imprpoper [sic] Service Nev. R Civ P. 4.2 Article VI ch. 1, 4 USCode 101, 4 USCode 102, 15 US Code 1692g, 11 US Code 1325-Confrimation [sic] Res Judicata Nev. R. Civ P. 60 Nunc Pro Tunc was forwarded to the Department from the Clerk's Office which was also stated to have been submitted by a person identifying herself as Princess Emilily Hotep el. However, the instant case is captioned Ally Bank, Plaintiff v. Monica Renee Hall, Defendant and does not include anyone with the name of the person who submitted the proposed documents.

The proposed Orders cannot be signed for the following reason(s): NRCP 7(b) provides that a request for a court order must be made by motion. Pursuant to NRCP 17, an action must be prosecuted in the name of the real party in interest. Pursuant to EDCR 7.23 every paper presented for filing, must bear the signature, name . . . of the party presenting or filing the same. Finally, pursuant to EDCR 7.21, any party obtaining any order, judgment or decree must furnish the form of the same to the clerk, judge, or judicial officer within 14 days after being notified of the ruling. Here, the person who submitted the proposed Orders is identified as Princess Emilily Hotep el. The proposed Orders do not arise from any motion set for hearing or any ruling made by the Court. Additionally, the person identified as Princess Emilily Hotep el is not an individual party to the case nor listed as an attorney on the instant case which is titled in the caption as Ally Bank, Plaintiff v. Monica Renee Hall, Defendant. Additionally, it was contended that the instant case was removed to federal court as a Notice of Removal filed. However, as addressed at the hearing on June 14, 2022, the documents attached to that filing do not match the case name of the instant case and has other

issues. Given that the instant facts, the Court finds it appropriate to issue the instant minute order.

Therefore, as detailed above, the Documents/Orders are unable to be signed, as they do not arise from any court ruling nor are they submitted by a party to the case and have no force or effect.

CLERK'S NOTE: This Minute Order has been electronically served to all registered parties for Odyssey File & Serve.

JEFFERY BROWN - CEO/VICE PRESIDENT ALLY NOTICE OF DEBT CANCELLATION 1099c, NOTICE OF TENDER OF PAYMENT NOTICE OF LIEN[S] Protection of the Vehicle From Theft Damages Fraud On Behalf of ex relations MONICA R. HALL, now The Allodial Title Holder ;Princess Emilily Hotep EL4461418™©. Account No. 611927340996, VIN No. KNAGN4AD2F5084744, 1096 1099c Debt Cancellation & Tender of Payment Not limited to Constitutional Privacy Rights, HR 4081, Nevada Code Title 52, N.R.S. 597.790, & Right to Privacy Act A Private Citizen COMMON LAW COURT 202011104892, COMMON LAW COURT OTH/20/192274/20/158008 Sovereign People Law Court Charta OTH/136518 United Nations Seat 215-1993/MN 512-3 – DUTY TO RESPOND IN LAW Account No. 8019320522 See Liens Attached For Full Amount.

The Tender of payment is valid, Ally Auto Aka Ally Bank declined or refused payment and UCC 3-603[b] gives right for discharge. PERIOD! Please note that defamation of Diplomat Princess Emilily Hotep El will not be tolerated see 18USC878.

By U.S. Law the 1099c debt cancellation was filed. So please provide the merit of law your client[s] are complaining about that we are lacking in? If a debt is owned (or treated as owned for federal income tax purposes) by more than one creditor, each creditor that is described under Who Must File, earlier, must issue a Form 1099-C if that creditor's part of the canceled debt is $600 or more. Please go to the U.S. Treasury Department website https://www.irs.gov/pub/irs-pdf/i1099ac.pdf.

The UCC1 was filed on behalf of the property on said property that covers the discharge now paid in full equipment, you alleged false information and filings when there are no false UCC1 filings or statements. As well Jeffery Brown is the CEO am I correct? With the Tender of Payment and the 1099c there is no payment just discharge by law 3-603[b], and each demand for further payment is an attempt to extort a Diplomat after the lawful tender of payment was offered and declined by your client[s] see 18USC 878.

The UCC1 filing is lawful due to your clients failing to adhere to the notices, tender of payment be it used by others or not is not law, for the Tender of payment is lawful and now discharge as you now see from the previous emails. More over the 1099c debt cancellation had been filed January 18th, 2021. Therefore it is discharged and not transferred to anyone else but thereto the letter of the law.

CIN: 2021-CP0305210271-A

It is a felony to conceal or remove 18USC2071 which would be obstruction of justice, you'll need to request a UCC3 by consul. Please also note that all correspondent need to be addressed to Diplomat ;Princess Emilily El or the Moorish Theocratic consul.

Removing a UCC-1 Filing

There are a few ways you could remove your UCC-1 filing: Pay off your loan: This is the surest way to have the UCC-1 filing removed. Depending on the state, the financing statement usually remains in your state's searchable index for one year after the loan is repaid. In that case, the statement would reflect that the loan is repaid. Request a UCC-3 Financial Statement Termination: You should request the lender to file a UCC-3 termination, since lenders typically don't file these unless requested. You should always get confirmation from the lender that the UCC-3 was filed. This amendment can remove the UCC lien if processed.
We have requested the UCC3 for the liens on the property rather we have yet to receive an answer.

Please be advised, Diplomat ;Princess Emilily Hotep El, ex relations Monica R Hall, has been a victim of identity theft for more than ten years now, and such has been closely watched and reported to the State Departments and 3rd parties such as CFPB, SEC, FTC, and others. "No one disclose this by law as well please be sure this is accurate. Nonetheless the Tender of payment is valid, Ally Bank declined or refused payment and UCC 3-603[b] gives right for discharge. PERIOD! see 18USC878.

By U.S. Law the 1099c debt cancellation was filed. So please provide the merit of law your client[s] are complaining about that we are lacking in? Please go to the U.S. Treasury Department website https://www.irs.gov/pub/irs-pdf/i1099ac.pdf.

The UCC1 was filed on behalf of the property on said property that covers the discharge now paid in full equipment, you alleged false information and filings when there are no false UCC1 filings or statements. As well mailing was only to the CEO rather it appears others have committed mail theft and mail fraud by opening and acquiring said mail.

With the Tender of Payment and the 1099c there is no payment just discharge by law 3-603[b], and each demand for further payment is an attempt to extort a Diplomat after the lawful tender of payment was offered and declined by your client[s] see 18USC 878. The UCC1 filing is lawful due to your clients failing to adhere to the notices, tender of payment be it used by others or not is not law, for the Tender of payment is lawful and now discharge as you now see from the previous emails. More over the 1099c debt cancellation had been filed by January 4th, 2021. Therefore it is discharged and not transferred to anyone else but thereto the letter of the law.

Please provide the original wet signature contract and the proof that your client loaned money, this is now a new added issue for its against the law for banks or corporations to loan money create money, so please tell me where did the money allegedly loaned come from? If not from her infant all caps corporation MONICA HALL BOND with social security number Federal Bank in Texas! See First National Bank of Montgomery v. 9, 1968 (Justice Court, Credit River Township, Scott County, Minnesota), also known as the Credit River Case, was a case tried before a justice of the peace in Minnesota in 1968. The decision in that case is sometimes cited by opponents of the United States banking system. Federal National banks cant loan money!

CONSULAR COURT ORDER & COMMON LAW COURT ORDER

CONSULAR COURT 13
HOUSE OF JUDAH

princess emilily hotep el Trustee/ beneficiary Monica Rene Padgett/Hall Business Trust & prince ra hotep el executor/beneficiary David Jr Hall Business Trust Petitioners, vs. Aldridge Pite Haan llp, State Municipality[s] all agents actors in their personal capacity and public et, al,… Nevada & California Respondents/Defendants	**Case No. OTH-26-003804** **I. Jurisdictional Declaration** **FOREIGN JUDGMENT NOTICE OF PRESERVATION, TRUST RECORD INQUIRY, AND REQUEST FOR IDENTIFICATION OF CUSTODIAL INTERESTS** **Cc: - OCC Case No. CS0403162 - DOf Case No.311050-DSK - DOf Report No. 318923-TFT**

I. Jurisdictional Declaration

This Declaration certifies and affirms that the Consular Court of the House of Judah Foundational Trust previously filed and recorded Apostille-related documents with the Nevada Secretary of State during August 2024. Those filings were submitted as official records concerning foreign governmental entities, trusts, and associated registrations.

The records further reflect that the Nevada Secretary of State, under the administration of former Secretary of State Barbara K. Cegavske, issued Certificates of Registration recognizing various entities as properly filed and recorded within the State of Nevada, including governmental entity exemptions designated under Exemption Code 001.

Subsequent to those filings, access to the original Secretary of State account was altered following a change in administration. Although certain published records remain visible, access to the original filing account has been restricted, and several previously recorded documents have allegedly been removed, deleted, revoked, or otherwise altered without prior notice or explanation.

The undersigned declares that no amendments, withdrawals, dissolutions, or voluntary revocations were ever filed by the entities identified herein, nor were any lawful notices received advising that such records would be altered or removed.

II. Prior Nevada Secretary of State Certification

The following certification was previously issued by the Office of the Nevada Secretary of State under the administration of Barbara K. Cegavske:

> "I, Barbara K. Cegavske, the duly qualified and elected Nevada Secretary of State, do hereby certify that David Jr Hall Estate Trust BT did on November 16, 2022, file in this office its registration to do business in this State and is now on file and of record in the Office of the Nevada Secretary of State, and further, that said entity is at the date of this certificate duly qualified to exercise therein all the powers recited in its Articles and to transact business in the State of Nevada in accordance with the laws of said State."

The Secretary of State further acknowledged that the filing qualified under Nevada's governmental entity exemption and therefore was not required to maintain a Nevada State Business License.

The filing reflected:

- Entity Type: Foreign Business Trust
- Exemption Code: 001 – Governmental Entity
- Nevada Business Identification Number: (See Certified Attachments)
- Entity Name: (See Certified Attachments)

Certified copies of these records are attached and incorporated herein by reference.

This includes UCC liens instruments Estate Trust information paid for and filed as foreign entities with foreign judgments and records. You do not have authority to revoke status of said entities and UCC liens nor have you provided any reasons as to the cause lawfully and one or more reasons are required and therefore the reinstatement of all files UCC and Entities must be recorded back with new up dated stamps by the current Secretary of State

---

III. Certified Foreign Government Entities

The following entities were duly registered and certified as governmental entity filings:

- David Jr Hall Estate Trust BT – Exemption Code 001
- Monica Rene Hall Estate Trust BT – Exemption Code 001
- Melchizedek Priesthood El LLC – Exemption Code 001
- House of Judah Foundational Trust
- Priest Prince Ra Hotep Trust
- Priestess Princess Emily Hotep Trust

Certified registration documents, certificates, and supporting records are attached.

IV. Statement Regarding Alteration and Removal of Public Records

The undersigned declares that the Nevada Secretary of State subsequently altered access to the filing system following the change in administration. Thereafter, previously recorded registrations, certificates, UCC filings, trust records, and related public records were allegedly removed, revoked, deleted, or otherwise interfered with.

No lawful notice of deficiency, administrative proceeding, revocation hearing, opportunity to cure, or final administrative determination was ever served upon the undersigned or the affected entities before these alleged actions occurred.

All required filing fees had previously been paid in full.

No amendments, dissolutions, withdrawals, or voluntary cancellations were submitted by the entities.

Accordingly, the undersigned asserts that any purported revocation or removal of these filings was undertaken without authorization from the filing entities and without the filing of any voluntary instrument requesting such action.

The undersigned further contends that these actions coincided with ongoing disputes involving eviction proceedings, foreclosure-related matters, recorded liens, UCC filings, and pending legal and international claims. The alleged removal of official records is asserted to have materially affected the integrity of those proceedings.

V. International Notice

This Declaration is prepared for inclusion within submissions to international human rights and treaty bodies as documentary evidence concerning the alleged alteration, deletion, and interference with official public records maintained by a governmental office.

The purpose of this Declaration is to preserve the historical record, document the sequence of events, and provide certified evidence supporting allegations of administrative misconduct, interference with public filings, and denial of procedural protections.

VI. Treaty and Legal Authorities Relied Upon

This Declaration references and relies upon the following authorities, where applicable:

- Hague Convention of 5 October 1961 Abolishing the Requirement of Legalisation for Foreign Public Documents
- Constitution of the United States, Article VI (Supremacy Clause)
- Uniform Commercial Code § 1-308 (Reservation of Rights)
- Treaty of Peace and Friendship between Morocco and the United States (1786 and 1836)
- Applicable principles of international law governing the recognition and authentication of public documents

---

VII. Certification

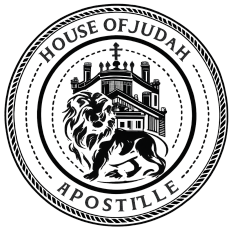

I certify under penalty of perjury, to the extent applicable under the governing jurisdiction of this Declaration, that the foregoing statements are true and correct to the best of my knowledge and are supported by the attached certified records and documentary evidence.

princess emilily hotep el Trustee/ beneficiary Monica Rene Padgett/Hall Business Trust & prince ra hotep el executor/beneficiary David Jr Hall Business Trust Claimants, vs. STATE OF NEVADA OFFICE OF THE ATTORNEY GENERAL, State Municipality[s] all agents actors in their personal capacity and public et, al,… Nevada Respondents/Defendants	**Claim No.** **CHAIN OF TITLE IRREGULARITIES, FORGED INSTRUMENTS, AND UNLAWFUL ENFORCEMENT(ICERD) ARTICLE 5(d)(iii) — RIGHT TO NATIONALITY/ CONSULAR COURT TRIBUNAL 13 HOUSE OF JUDAH FOUNDATION TRUST** **TC20610** **FOREIGN JUDGMENT CONSULAR COURT Cc: - OCC Case No. CS0403162 - DOJ Case No.311050-DSK - DOJ Report No. 318923-TFT**

CHAIN OF TITLE IRREGULARITIES, FORGED INSTRUMENTS, AND UNLAWFUL ENFORCEMENT

I. INTRODUCTION

This section establishes a documented pattern of fraudulent mortgage creation, forged financial instruments, improper recording practices, and unlawful enforcement actions against the Petitioners, supported by police reports, certified public records, and agency correspondence.

The record demonstrates that third-party entities created and relied upon defective and disputed instruments after lawful tender of payment, resulting in unlawful foreclosure actions and damages.

II. VERIFIED FORGERY AND FRAUDULENT LOAN INSTRUMENTS

A police report filed with the Las Vegas Metropolitan Police Department confirms that:

- Loan-related documents contained **forged signatures**
- Original electronic signatures were **removed and replaced**
- Petitioners identified discrepancies between original and altered documents
- A formal complaint of **forgery under NRS 205.090** was recorded

(See Exhibit A – Police Report LLV190400071598)

Additionally:

- The loan application was allegedly initiated June 8, 2018
- The loan was later transferred to PennyMac without proper validation
- Upon request for original documentation, altered records were produced

This establishes that the underlying financial instruments were **disputed, altered, and potentially void ab initio**.

III. TENDER OF PAYMENT AND DISCHARGE ISSUE

Petitioners submitted a lawful **tender of payment** to the alleged servicing entity.

- Tender was **refused**
- Funds were **not returned**
- No lawful reconciliation or accounting was provided

(See Exhibit B – Tender of Payment Documentation)

This creates a material dispute as to:

- Validity of any remaining obligation
- Authority of third parties to enforce a debt
- Whether the obligation had been discharged or improperly maintained

---

IV. POST-TENDER ASSIGNMENT AND BREAK IN CHAIN OF TITLE

Despite the existence of a disputed and potentially discharged obligation:

- A **Corporate Assignment of Deed of Trust** was created in 2021
- This occurred **years after the alleged loan origination (2018)** and **after tender (2019)**

The assignment relies on:

- Mortgage Electronic Registration Systems (MERS)
- Entities lacking demonstrated possession of the original note
- Signatures and authority not verified through primary documentation

This creates a **break in the chain of title** and raises questions of:

- Standing
- Authority to assign
- Validity of enforcement rights

(See Exhibit C – Assignment of Deed of Trust, 2021)

V. RECORDED INSTRUMENTS AND CLERK CERTIFICATION

The Clark County Recorder certified multiple documents as:

> "true and correct copies of the original on record"

(See Exhibit D – Recorder Certification)

However:

- Certification does **not validate authenticity or legality of underlying documents**
- Documents were accepted despite:
    - Known disputes
    - Prior fraud allegations
    - Lack of verified original instruments

This establishes that:

- Public records contain **contested and potentially fraudulent instruments**
- Reliance on those records resulted in further harm

VI. STATE NOTICE AND FAILURE TO ACT

The State of Nevada acknowledged receipt of claims in excess of $400,000,000.00 but stated:

> "We are unable to find any acts to which the State of Nevada is liable… claim is denied."

(See Exhibit E – Nevada Attorney General Correspondence)

Despite this denial:

- The State had **constructive notice** of:
  - Forgery allegations
  - Disputed financial instruments
  - Improper recording activity
- No corrective or investigative action was taken

This constitutes:

- Failure to investigate
- Failure to prevent ongoing harm
- Administrative inaction despite documented evidence

VII. RESULTING ENFORCEMENT ACTIONS

Following the use of disputed instruments:

- Foreclosure-related actions were initiated
- A writ of restitution was executed beyond its lawful scope
- Petitioners were removed under threat of harm
- Personal property and assets were affected

These actions were based upon:

- Disputed chain of title
- Unverified assignments
- Instruments previously challenged as fraudulent

VIII. LEGAL CONCLUSION

The totality of the record establishes:

1. Documented forgery of financial instruments
2. Refusal of lawful tender without resolution
3. Creation of assignments after material dispute
4. Recording of contested instruments into public record
5. State awareness with no corrective action
6. Enforcement actions based on defective documentation

These facts support claims including, but not limited to:

- Fraud and constructive fraud
- Wrongful foreclosure
- Unjust enrichment
- Violations of due process
- Administrative negligence
- Interference with property rights

IX. EXHIBIT INDEX (ATTACHED)

Information about bankruptcy filings
To the extent your original obligation was discharged or is subject to an automatic stay of bankruptcy under Title 11 of the United States Code, this notice is for compliance with non-bankruptcy law and/or informational purposes only and does not constitute an attempt to collect a debt or to impose personal liability for such obligation. Nothing in this letter (including our use of the words "your," "loan," "mortgage," or "account") means that you're required to repay a debt that's been discharged. Any payment you make on the account is voluntary, but we may still have rights under the security instrument, including the right to foreclose on the property.

If you are represented by an attorney, please refer this letter to your attorney and provide us with the

attorney's name, address, and telephone number.

The California Rosenthal Fair Debt Collection Practices Act and the federal Fair Debt Collection Practices Act require that, except under unusual circumstances, collectors may not contact you before 8 a.m. or after 9 p.m. They may not harass you by using threats of violence or arrest or by using obscene language. Collectors may not use false or misleading statements or call you at work if they know or have reason to know that you may not receive personal calls at work. For the most part, collectors may not tell another person, other than your attorney or spouse, about your debt. Collectors may contact another person to confirm your location or enforce a judgment. Important information for Servicemembers and their dependents
If you or any occupant of your home are or recently were on active Military duty or related active service, you may be eligible for benefits and protections under the federal Servicemembers Civil Relief Act (SCRA), state law, or Chase policy. This includes protection from foreclosure or eviction, and in some cases, interest rate benefits. Some protections also may be available if you are the dependent of an eligible Servicemember. Although Servicemember interest rate benefits under the Servicemembers Civil Relief Act don't allow you to defer payments, California law allows for a six-month deferral if certain conditions are met.

Affidavit of Envoy Prince Ra Hotep El

Re: Ally Bank, Chris Gonzalez, and Aldridge Pite Haan LLP Misrepresentation

I, Envoy Prince Ra Hotep El, Sovereign Indigenous National and Affiant, do solemnly affirm and state the following based on first-hand knowledge and recorded communication:

1. In the course of resolving a dispute concerning a Kia Optima Hybrid vehicle, I was contacted by a man named Chris Gonzalez, who identified himself as a representative of Ally Bank.
2. Chris Gonzalez provided a business card identifying him as a licensed representative in the State of Nevada, License No. 654, acting on behalf of Ally Bank.
3. During a recorded phone conversation, Chris Gonzalez explicitly stated that Ally Bank had never retained or hired the law firm Aldridge Pite Haan LLP or their associated attorneys to act on their behalf in this matter.
4. He also expressed surprise that Aldridge Pite Haan LLP had taken any legal action under Ally Bank's name, and stated that the bank was not seeking monetary default but was instead interested only in the return or management of the asset.
5. I informed Mr. Gonzalez during our communication that I would be willing to remove all liens except for the one related to this unresolved matter, until Ally Bank confirmed removal of unlawful liens placed on the vehicle.
6. Chris Gonzalez also emailed me, stating that he would personally speak with Ally Bank executives about the situation and clarify that no authorization had been granted to Aldridge Pite Haan LLP.
7. Despite this communication, no corrective action has been taken by Ally Bank, and Aldridge Pite Haan LLP has continued to operate under false authority—further complicating the matter with the Department of Motor Vehicles, court records, and financial services.

I declare under Divine Law, International Treaty, and penalty of perjury under the laws of the Consular Court and all applicable jurisdictions that the above is true and correct to the best of my knowledge.

Narrative

Incident Description

On May 10 around 1:15 pm my husband and were illegally forced from our home with no warrant or search warrant -the 4th amendment violation ,from 3 unknown man dressed in highway clothing driving what appeared to be a highway patrol bike and truck and a lock smith. They said we were being evicted. They claimed that we had to leave or would take us by force. None of the men would gave their name nor did anyone have a body cam. When asked for warrant they refused to give anything but made threats of unpleasant events if we did not cooperate. The other two refused and were very intimating holding there hands on there hips on there guns. When my husband ask for the Sheriff they laughed and stated he was not in town " He is in D.C" Due to fear of being killed we left the home.
During that time of removal the HOA President and VP was at the seen. Unknowning to them they did not know that the house has multiple cameras that have recorded and captured them plotting to do damage to our home. On or around May 17 the camera captured them taking down part of or gate. A few days later one of them was on the property again but saw people looking at him and walked away. On May 26 the camera captured them on the property again taking down the Moroccan flag.

Dear Al Moroccan Consulate on Behalf of Prince Ra Hotep El,

Thank you for contacting the Department of Justice on June 22, 2023. The Housing and Civil Enforcement Section is reviewing your report. In this letter, we explain how we will review your report and provide you with other options to pursue.

Your report number is 311050-DSK. If you want to ask us about your report, this number will help us locate your information.

What happens now?

We are reviewing your report. We look at reports like yours to help us select new cases or pursue existing ones. We will review your report to see if it fits into one of these two categories. If so, we may contact you for more information.

Unfortunately, we cannot investigate every complaint. Our office generally handles only cases arising from widespread problems affecting groups of people. We do not investigate complaints based on individual claims of discrimination. If we are unable to investigate your complaint, we will not contact you.

To avoid missing out on an opportunity to get help, we recommend that you file a complaint with the Department of Housing and Urban Development (HUD) or Consumer Financial Protection Bureau (CFPB) as laid out below.

If you are experiencing housing discrimination:

HUD investigates individual claims of housing discrimination. This may include discrimination based on race, color, national origin, religion, sex, familial status, or disability in housing. If you are experiencing housing discrimination, we recommend that you file a complaint with HUD.

You may also file a complaint with HUD if you believe your housing rights under the Violence Against Women Act (VAWA) have been violated. HUD has provided information about VAWA's housing protections at https://www.hud.gov/program_offices/fair_housing_equal_opp/VAWA.

You can file a complaint with HUD online at https://www.hud.gov/program_offices/fair_housing_equal_opp/online-complaint, or call 1-800-669-9777 or TTY: 1-800-877-8339.

You have one year from the date of the discrimination or violation to file with HUD or they will not review your complaint.

If you need help paying your rent or utility bills:

The CFPB may help you identify resources for which you may qualify, at www.consumerfinance.gov/coronavirus/mortgage-and-housing-assistance/renter-protections/find-help-with-rent-and-utilities/.

If you are experiencing discrimination in lending or credit:

You can file a complaint with HUD at https://www.hud.gov/program_offices/fair_housing_equal_opp/online-complaint and with the CFPB at www.consumerfinance.gov/complaint.

If you would like to hire an attorney:

You may want to consult a private attorney to see if you have any rights under other federal and state laws. If you do not have an attorney, your state bar association or local legal assistance agency may be able to help. Search for a local attorney at www.lsc.gov/find-legal-aid.

For more information about credit, disability rights, and housing rights, please visit our housing resources page at https://civilrights.justice.gov/housing-resources.

Sincerely,

U.S. Department of Justice

thanks we will let the family know right now they are trying to remain safe away from the idiots who set up this fraud, they just got a call from the water company in nevada las vegas or such for $640.00 as the same company[s] aldridge pite Jim Hastings and Nutone created the bill as of July 22, 2023 just after they removed the property and gave it to your storage company. The family moved due to the racist threats and stalking, defaming etc,... We don't need anyone from HOA, Nutone Construction or Jim Hastings Ltd to know where they are as they are being filmed for their documentary to show the world these criminals and how they have an enterprise...

I will forward it to the family and they'll contact you... but we know about the contracting movers we've gotten their info but thank you...

Hello, he is considering hiring United choice movers LLC DOT 3941385. After everything they have been through don't fall for the broker moving scam. They are a BROKER out of Florida with 0 trucks. The company he is considering hiring doesn't own a single truck to move you. 23 DOT complaints this year alone which is unheard of. They will take your deposit, sell it to the lowest bidder, and disappear when you need to know where your things are, why the bill doubled, why they showed up with 2 uhauls etc. Google Florida broker moving scams. Should tell you everything you need to know. They do a bait and switch with rates half of ours and then by the end of the move it costs more than my real estimate. See attached.

EMPLOYEE'S COPY

Employee: MONICA HALL? Not my name!
Social Security number: 378-80-0142
Employer: SOUTHWEST MEDICAL ASSOCIATES

Dear MONICA HALL? Not my name!

WHY WE ARE WRITING TO YOU?

Generally, the amount your employer withholds for federal income tax is based on your Form W-4, Employee's Withholding Allowance Certificate. However, the IRS may review whether you are entitled to claim exempt status or a certain withholding rate.

We determined that you aren't entitled to claim exempt status or a certain withholding rate. Therefore, you were selected for the Withholding Compliance Program.

INSTRUCTIONS WE GAVE YOUR EMPLOYERS

We sent your employer a "lock-in letter" instructing them to begin withholding income tax from your wages based on the following withholding status (filing status) and withholding rate:

Withholding status (filing status): SINGLE
Annual withholding reductions (Form W-4 Step 3): $0.00
Other income (Form W-4 Step 4(a)) $0.00
Deductions (Form W-4 Step 4 (b)) $0.00
Additional amount to withhold per paycheck (Form W-4 Step 4(c)): $0.00

We also instructed your employers not to honor your current Form W-4 or a new Form W-4 from you, UNLESS it results in MORE withholding than at the withholding arrangement shown above.

WHAT THIS CHANGE MEANS FOR YOU

This change in your withholding arrangement will increase the amount of tax withheld from your wages.

IF YOU DON'T AGREE

- You can request a review of our determination. You can call us at the number listed below within 30 days from the date of this letter. We will consider your explanation why you are entitled

IRC Section 3403 also states that the employer shall not be liable to any person for the amount of any such payment. Thus, your employee doesn't have a "cause of action" (basis for legal action) against you to recover the rate of income tax withheld and/or prevent you from withholding the rate directed by IRS.

NOTE

June 22, 2018 [Date] | HENDERSON, [City] | Nevada [State]

8237 FAWN BROOK COURT, LAS VEGAS, NV 89149
[Property Address]

This Document has been altered 3 Times!

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. $388,000.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is LeaderOne Financial Corporation, a Corporation.

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 5.125 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments
I will pay principal and interest by making a payment every month.

I will make my monthly payment on the 1st day of each month beginning on August 1, 2018. I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on July 1, 2048, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at 7500 College Blvd., Suite 1150
Overland Park, KS 66210

or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments
My monthly payment will be in the amount of U.S. $2,172.50.

4. BORROWER'S RIGHT TO PREPAY

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any

Exhibit: Nevada DOI Ransomware Incident

On August 24, 2025, the Nevada Division of Insurance and other state agencies were taken offline following a ransomware attack. This outage disrupted certain DOI systems, including consumer complaint intake and communications. The Office of Emergency Management confirmed that data was moved outside of the state's network and investigations are ongoing. This incident underscores the importance of independent record-keeping. The House of Judah Consular Court Tribunal retains AI-assisted, sovereign archival backups of all filings, unaffected by this cyberattack. The Default Judgment therefore rests on secure, immutable records beyond state systems.

Enforceability

This Default Judgment is fully assignable and enforceable against State Farm Fire and Casualty Company. It may be executed by garnishment, liens, levies, or negotiatesettlement. The judgment may also be sold or assigned to qualified buyers or enforcement firms.

Greetings and thank you, thank you, thank you, for reading and taking some interest in our claims and complaints. We have been forced from our home by multiple people at multiple times. We are willing to assist with any payments by way of instruments bonds or other.

There was false claims for foreclosures on both homes while Bank of America provided payoff documents for the Abode in California Republic. Be very careful that the opposition do not deceive you with the words "Sovereign citizen" This is an oxymoron and is not possible to be both either you one or the other and our sovereignty comes from our Nationality Appellation and Aboriginal heritage. We are our own government recognized and acknowledged within the United States Governmental Agencies Corporation.

State Farm Insurance and Liability Findings; The Fire and Claims Department of State Farm Insurance conducted an investigation following the damage, injury, and theft that occurred at my private domicile.

Their internal findings indicated that the harm was caused by actions or inactions of the local municipal government or its agents. Despite this conclusion, State Farm Insurance denied coverage for the losses, citing policy terms, even though I hold umbrella coverage that explicitly includes protection for personal property, liability, and defense in such cases.

The denial of rightful coverage further compounds the injury to my estate and is being preserved as evidence of breach of contractual duty, negligent claims handling, and possible collusion between the insurer and the municipal agents or HOA parties.

Mr. Hall,

I provided the information of where your personal property was stored on 7/21/2023 and again on 9/8/2023.

I will provide it again here. You need to reach out to Champion Movers who has stored all of your personal property.

Champion Movers

4420 Andrews St Suite C North Las Vegas NV 89081

702-876-2343

They will provide you and your wife (and your aliases) access. Fannie Mae has only paid for storage through October 16, 2023. If you do not remove all your personal property by October 16, 2023, all your personal property will become the property of Champion Movers. You seem incapable of reaching out to them yourselves, which is your own issue.

Fannie Mae was only obligated to store the personal property for 30 days under Nevada law. Instead Fannie Mae stored it for nearly 120 days instead. Fannie Mae is certainly not paying for any more storage or shipping costs.

The remainder of your email is the same bizarre fake court and fake judgment nonsense that I will not respond to as it is meritless.

We will not be responding to any more of your emails as the eviction and foreclosure have both been completed.

Govern yourself accordingly.

and the Court [Consular] are registered in multiple states including NV which we have filed in so he needs hugs, prayers and positive vibrations sent to him. May his own karma be his point of contact to his own reality that no one else lives in. He says he's collecting a debt at the end with a California debt collection license number while the jurisdiction I thought was in Nevada is funny so the judgement that was filed against him assuming to be all of his clients somehow is good for $2.4mill?

Sorry Richard Smauel Ehlers we don't speak any of the dialects or languages there in India and we don't read their laws for they are not applicable here in America aka Al Morocco Turtle island.

your claims to having your fake court and fake judgment are without merit and without the force of law. See a copy of the Order Denying your motions attached.

The only parties acting badly or illegally are you and Mrs. Hall. You illegally broke back into this property in violation of the eviction court order and then fled once we called the police. Your actions, and subsequent meritless claims speak for themselves.

Note that the Court also warned that you and Mrs. Hall that if you persisted with your baseless filings, that the Court would consider deeming you vexatious litigants in Nevada. I know Mrs. Hall has already been deemed vexatious litigants in California. If you persist on pushing your fake judgment and unmeritorious claims, we will move to deem you both vexatious litigants in Nevada as well.

Govern yourself accordingly.

Subject: Clarification on Licensing, Jurisdiction & ELT DMV Disclosure

Dear Mr. Owens,

Thank you for your recent reply. However, your message creates confusion regarding the scope and authority of your office.

Your statement suggests that:
"Attorneys do not need to be licensed" and "FID lacks jurisdiction over entities located outside Nevada."

This contradiction must be addressed directly:

1. If attorneys and agencies are exempt from FID licensing, that would inherently place them **under your jurisdiction** to

investigate and regulate as unlicensed actors engaging in financial activity within the state.
2. If they are **not exempt**, they must be properly licensed and appear in your records, which they do not.

In both cases, these parties have acted within the State of Nevada, accessed Nevada DMV records, and have engaged with a Nevada-domiciled Estate Trust. That places them within your jurisdiction.

Furthermore, the **Electronic Lien Title (ELT)** generated by PDP and Ally Bank was never authorized or agreed upon by the Trust. It was created **months after** our lawful lien (filed May 19, 2021), and it was **used for false claims of repossession and enforcement**, violating both trust law and UCC regulations.

We ask again:
- Who approved the PDP ELT?
- Under what law is DMV disclosure allowed to outside entities not under contract?
- How can attorneys claim exemption while having access to state agency systems?

We appreciate your investigation and expect a formal, written response clarifying these jurisdictional and licensing concerns.

Respectfully,

CRIMINAL COMPLAINT, DEMAND FOR INVESTIGATION, AND PUBLIC NOTICE OF FRAUDULENT DMV ACCESS & TITLE FABRICATION

Filed by: House of Judah Estate Trust Envoy Prince Ra Hotep El Envoy Princess Emilily Hotep El Consular Court Tribunal of the House of Judah

Nevada Department of Business & Industry – Financial Institutions Division (FID)

FBI – Internet Crime Division (IC3)

I. CRIMINAL NOTICE OF FRAUDULENT DMV ACCESS AND TITLE FABRICATION

On or around July 12, 2021, a fraudulent Electronic Lien Title (ELT) document was created or uploaded by PDP Group and/or Ally Bank without lawful authority or contractual basis. This electronic title:

- Was dated **after** our **UCC-1 lien filed May 19, 2021**.
- Was **never served, noticed, or disclosed** to the Trust.
- Was created **after formal cancellation of contract with Nevada DMV**.
- Was used in **attempts to claim a lien or justify repossession** under color of law.
- Is a **void ab initio** (void from the beginning) instrument with no jurisdictional merit.

II. VIOLATION OF DMV CONFIDENTIALITY & DATA ABUSE

The access and production of such a document raises immediate legal red flags:

- **NRS 205.4765** – Unlawful access to computer data.
- **18 U.S.C. §1341, §1342, §1349** – Mail fraud, fictitious address use, and conspiracy.
- **15 U.S.C. §6801 et seq.** – Violation of financial privacy protections.
- **UCC §9-609, §9-610** – Unlawful repossession and interference with a secured party.

The DMV and Nevada FID have failed to explain how:

- Attorneys and out-of-state collection agencies can freely obtain DMV ELT records,
- Yet claim **Nevada has no jurisdiction over the same parties** when complaints are made.

This is a **conflict of accountability** that violates the public trust.

III. NOTICE TO THE FID: CONTRADICTORY POSITION

Your office claimed:

> “Investigations are confidential. We do not have jurisdiction over any of their activities with individuals outside this state.”

Yet you: - Allow attorneys (who claim exemption from licensing) to access and act as third-party enforcers. - Allow out-of-state parties like Ally Bank and Liberty Mutual to receive DMV access and legal protection.

This is either: - A **willful circumvention of regulation**, or - **Negligence** in the administration of public licensing and protection.

We demand a **public statement** on: 1. How attorneys and banks gained access to DMV records without appearing on public registries. 2. What internal system authorizes ELT records for entities no longer in contract with the DMV. 3. Who approved the July 2021 ELT and on what legal basis.

IV. DEMANDS AND ENFORCEMENT

The House of Judah Estate Trust hereby demands:

1. **Immediate disclosure** of the DMV agent or agency who approved or created the July 12, 2021 ELT.
2. **Written explanation** from PDP Group under penalty of perjury.
3. **Cease and Desist** to Ally Bank and Liberty Mutual for all title-related enforcement.
4. **Criminal investigation** into DMV data misuse and forgery of title.
5. A formal response from the Nevada FID clarifying:
    - Why attorney exemption exists for private debt collection,
    - Why entities can act within Nevada DMV while simultaneously being exempt from oversight.

Failure to respond within 10 days will result in: - Public publication of this complaint and related evidence, - Filing of RICO, wire fraud, and civil rights claims in both consular and federal venues, - Formal notice to the International Court of Arbitration and appropriate consular bodies.

Signed under penalty of perjury and full reservation of rights.

Subject: Fraudulent ELT Record – 2015 Kia Optima Hybrid (VIN: KNAGNA4D2F5084744) Cc Case No. OTH-24-002493 Case No. A-21-843907-C

We are writing on behalf of the House of Judah Estate Trust concerning an unauthorized and fraudulent electronic lien/title record allegedly processed through PDP Group systems under the name of Ally Bank.

I. Violation of Title Law and False Filing

A fabricated electronic title record dated July 12, 2021, has surfaced, showing a lien recorded via your platform or third-party electronic lien system. This document was never disclosed to the Estate Trust, never agreed upon, and post-dates a UCC-1 Financing Statement filed by the Trust on May 19, 2021. Said lien is recorded under #20210519606-2.
Furthermore, the vehicle in question has never been registered in the State of Tennessee, and the contract with the Nevada DMV was lawfully voided. The estate perfected its interest and filed a foreign judgment as of April 15, 2022—well before this unauthorized title was manufactured.

II. Criminal Liability and Civil Penalties

Your company may be held civilly and criminally liable for facilitating:
- Fraudulent title creation (Forgery / False Instrument)
- Interference with secured interest (UCC violations)

- Simulating legal process (18 U.S.C. §§ 1341, 1349)
- Data fraud and consumer harm

If PDP Group or its affiliates are knowingly participating in a scheme to create or sustain fraudulent ELT records, each count may subject the responsible parties to civil RICO liabilities and federal penalties.

III. Formal Demands

1. Immediate removal of any ELT or digital title record associated with VIN: KNAGNA4D2F5084744.
2. Written confirmation of the removal, with the name of any third-party financial institution involved.
3. Full disclosure of all internal communications, database actions, or requests tied to this record.
4. Cease and desist any further support for third parties asserting false claims of lien or ownership.

You are hereby notified that all title rights are retained by the House of Judah Estate Trust and any further unauthorized action shall result in prosecution. We request a written response within 5 business days.

What happened

On two occasions i Diplomat ;Princess Emilily Hotep El faxed my Appellation and Title correction from ex relations Monica Hall to Ally Bank. They have refused my court orders for the payments and the correction of title, as well they have refused the tender of payment in full and have ignored all calls concerning the payments. They have also ignored the IRS documents filings for the 1099c debt cancellation and discharge. They have collected the funds and refused to update my account. I have contacted them multiple times via email fax and USPS mail with proof of service. They are attempting to create a new account with my ex relations MONICA HALL which i am not. They have made attempts to possess my property without law or merit. With each call i make they seem to be more and more difficult in dealing with the matter. So I've turned to the State Department which the FTC hired 3rd party works for the USA people. This is not a difficult matter, it takes awareness and honesty.

(a) Indemnification to a client or any other person who is determined in an action or proceeding to

(3) The fraud, dishonesty, negligence or other wrongful conduct of the registrant or an agent or employee of the registrant; or

(4) An act or omission of the registrant in violation of any other federal or state law for which the return of fees, an award of damages or the imposition of sanctions have been awarded by a court of competent jurisdiction in this State; or

(b) Payment to the Secretary of State for any civil penalty or award of attorney's fees or costs of suit owing and unpaid by the registrant to the Secretary of State pursuant to this chapter.

2. No part of the bond may be withdrawn while the registration of the registrant remains in effect, or while a proceeding to suspend or revoke the registration is pending.

3. If a surety bond is filed pursuant to subsection 1:

(a) The bond must be executed by the registrant as principal and by a surety company qualified and authorized to do business in this State.

(b) The bond must cover the period of the registration of the registrant, except when the surety is released in accordance with this section.

(c) The surety shall pay any final, nonappealable judgment of a court of this State that has jurisdiction, upon receipt of written notice that the judgment is final.

(d) The bond may be continuous, but regardless of the duration of the bond, the aggregate liability of the surety does not exceed the penal sum of the bond.

4. Except as otherwise provided in this subsection, if a cash bond is filed pursuant to subsection 1, the Secretary of State may retain the bond until the expiration of 3 years after the date the registrant has ceased to do business, or 3 years after the date of the expiration or revocation of the registration, to ensure that there are no outstanding claims against the bond. A court of competent jurisdiction may order the return of the bond, or any part of the bond, at an earlier date upon evidence satisfactory to the court that there are no outstanding claims against the bond or that the part of the bond retained by the Secretary of State is sufficient to satisfy any outstanding claims. Interest on a cash bond filed pursuant to subsection 1 must accrue to the account of the depositor.

5. The registration of a registrant is suspended by operation of law when the registrant is no longer covered by a bond or the penal sum of the bond is exhausted. If the Secretary of State receives notice pursuant to subsection 3 that the penal sum of a surety bond is exhausted or that the surety is being released, the Secretary of State shall immediately notify the registrant in writing that his or her registration is suspended by operation of law until another bond is filed in the same manner and amount as the former bond.

6. The Secretary of State may reinstate the registration of a registrant whose registration has been suspended pursuant to subsection 5 if, before the current term of the registration expires, the registrant files with the Secretary of State a new bond meeting the requirements of this section.

7. Except as specifically authorized or required by this chapter, a registrant shall not make or cause to be made any oral or written reference to the registrant's compliance with the requirements of this section. (Added to NRS by 2013, 3467; A 2019, 847)

Re: Timberlake Street and Landscape Maintenance Association

Dear Mr. & Mrs. Hotep El:

Please be advised that this office serves as legal counsel for the Timberlake Street and Landscape Maintenance Association ("Association"). The Association's Board of Directors has provided this office with a copy of your November 11, 2020 letter, addressed to Nevada Community Management, the Association's community management company.

The purpose of your letter is unclear but seems to suggest you are the owners of the property located at 8237 Fawn Brook Court, Las Vegas, Nevada 89149 (the "Property"). However, after reviewing the records of the Clark County Assessor's Office, the Association has determined that you are not the owners of the Property. According to the Clark County Assessor's Office, the Property is owned by Monica Rene Hall. The letter you provided to the Association did not include any documents transferring title to the Property from Ms. Hall to you. Therefore, Ms. Hall remains the owner of record and you are not entitled to any of the rights, powers, and privileges associated with ownership of the Property or membership in the Association.

To the extent that you believe you are the lawful owners of the Property, please provide this office with a copy of the deed conveying title that is fully executed and notarized by Ms. Hall. In the absence of such documentation, the Association will continue to recognize Ms. Hall as the owner of the Property.

Sincerely,

John E. Leach, Esq.

Exhibit A – Legal Grounds for Vacatur

Fraudulent Lien Claim – Legal Violations and Authority

I. PDP ELT Document is Not a Lawful Lien – Legal Grounds

Nevada Law:

- NRS 482.4295 – Electronic Lien Titles (ELT): Only authorized lenders and lienholders properly registered and recognized by the DMV may hold or release an electronic lien title. Internal documents not publicly accessible, created without verified consent, and not supported by the originating lender do not create lawful liens.

- NRS 205.395 – Offering False Instrument for Filing: Submitting an ELT or other lien-related instrument that is fraudulent, unverified, or misrepresents the party in interest constitutes a category C felony in Nevada.

- NRS 205.372 – Fraudulent Conveyance and Filing: Filing a fraudulent lien, knowingly or with reckless disregard for truth, especially against property held in trust, is a crime punishable under Nevada criminal law.

Federal Law:

- 15 U.S.C. § 1692e – FDCPA: It is unlawful to use false, deceptive, or misleading representation in connection with the collection of any debt, including misstating the party entitled to enforce a lien.

- 18 U.S.C. § 1001 – False Statements: Knowingly and willfully making false statements or representations within U.S. jurisdiction is a federal felony.

II. Misrepresentation of Plaintiff: Ally Bank vs. Ally Financial

The PDP DMV ELT lists “Ally Financial” as lienholder, while the court filing states “Ally Bank.” These are two separate entities.

Misrepresenting one for the other constitutes:

- Corporate Identity Fraud

- Failure to State a Proper Plaintiff (rendering the judgment void)

- Lack of Standing / Defective Service

See:

- U.S. Bank Nat’l Ass’n v. Ibanez, 458 Mass. 637 (2011)

Re: Federal Complaint Submission – House of Judah Consular Court Tribunal 13

To Whom It May Concern,

This letter accompanies the federal referral regarding ongoing deprivation of rights and fraudulent instruments affecting trust property and identity within Nevada on behalf of Chief Ali and the House of Judah Consular Court Tribunal 13. The submission includes a six-section complaint outlining violations of federal, constitutional, treaty, and civil protections, affecting multiple jurisdictions including Nevada, California, and Tennessee.

The complaint provides a breakdown of a three-stage pattern of abuse, administrative notice, and state acknowledgments (including a pending investigation by the Nevada Department of Business & Industry into unauthorized debt collection).

We request acknowledgment of receipt, assignment of case number, and written confirmation regarding the next steps toward formal investigation.

Respectfully,

בֵּית לִיהוּדָה נֶאֱמָנוּת קֶרֶן (Beit LiYehudah Ne'emanut Keren) – Private Indigenous Trust & Consular Court Tribunal

To the Nevada Commission on Judicial Discipline and Eighth Judicial District Court:

We submit this formal complaint and motion to vacate all default judgments in Case No. A-21-843907-C, on the basis of fraud upon the court, lack of jurisdiction, multiple unlawful defaults, and simulated legal process.

Legal Basis for Relief

1. NRCP 60(b)(4): Void judgments may be attacked at any time.

2. U.S. Const. Amend. XIV; Nevada Const. Art. 1 § 8: Violation of due process and property rights.

3. NRS 205.395: Filing of false instruments (felony).

4. NRS 1.260: Judgment invalid without judicial signature or authority.

5. NRCP 55(b): One default per claim; additional defaults are void.

6. NRS 199.340: Forgery of court process.

7. 18 U.S.C. § 242: Deprivation of rights under color of law.

8. RPC 3.3: Duty of candor violated by counsel using fake entities and aliases.

Material Allegations

- Judgment entered with rubber-stamp signature outside signature block.

- Four contradictory ‘default judgments’ recorded using same case number.

- Pitney-Bowes envelopes used without USPS scan or delivery proof.

- Real party in interest, the Trust, denied standing and service ignored.

- Multiple fictitious aliases fraudulently added to court caption.

- No ink signature or valid jurisdiction at any stage.

DEMAND RESOLUTION

1. Vacate all judgments as VOID ab initio.

2. Expunge all court and recorder filings using false aliases.

3. Refer attorneys and Judge Kishner for criminal investigation under NRS 205.395 & 18 U.S.C. § 242.

4. Order restitution and sanctions under NRCP 11.

5. Reinstate all rights and property to the Trust.

6. Mandate hearing calendaring oversight and service verification reforms.

Furthermore, no state government or municipal authority possesses jurisdictional power to revoke, interfere with, or invalidate a lawfully recognized and recorded Foreign Trust Government – No. 001. Said trust is protected under international law, treaty law, and recognized principles of private Indigenous governance. Any attempt to terminate or reject its lawful filings or actions constitutes a breach of trust, treaty obligations, and international human rights.

4. Cases Affected

- Nevada Case No. [Case No. A-21-843907-C], caption "Aldridge Pite llp aka Aldridge Pite Haan llp Ally Bank v. MONICA RENEE HALL unknown"

5. Executive Summary (one paragraph)

The above-named judges have, through a pattern of orders entered without jurisdiction, (i) permitted counsel to calendar their own hearings, (ii) accepted Pitney-Bowes meter-stamp envelopes as conclusive proof of service despite uncontroverted evidence the envelopes were never mailed, (iii) disregarded controlling trust law and the Trust's exclusive standing, (iv) sanctioned non-parties for "unauthorized practice of law" when they asserted the Trust's rights, and (v) entered default judgments against non-existent "straw-man" entities, thereby depriving real parties of due process and property without compensation.

Petitioners made a request for hearing by Blue Jean which the court has but it was ignored and not response from the Court nor Clerk nor the Judge was given concerning the hearing if

it was held at all on November 13, 2025 no judge was listed on the document sent by the Clerk of the Court.

6. Statement of Facts (chronological bullets)

a. The Monica Rene Hall Estate Trust BT, created [August 1, 2003], owns the real property / claims at issue.

b. On [not sure of the date due to multiple filings and add ons] counsel filed pleadings naming "[Straw-man name MONICA RENEE HALL]" a Army Reserves officer located in Pennsylvania PA as defendant—an entity that does not appear in any Secretary-of-State database, has no tax-ID number, and was never served.

c. Counsel electronically filed an "Ex Parte Application for Default Judgment" and obtained a hearing date that does not appear on the court's public calendar. Clerk stamps show the hearing was set by counsel, not the court. Or the case was deleted as many documents evidence was entered in was removed or deleted by the Judge.

d. Proof of service consists solely of a Pitney-Bowes metered envelope (tracking No. [not known] item was refused due to non acceptance of unknown document or service) with no USPS acceptance scan; declarant states the envelope was "left at princess emilily hotep el place of business or employers office and an unusual place of abode," but the address is a medical business and now a empty building or vacant lot.

e. When the Trust's executor, [Prince Ra Hotep El], appeared on the Blue Jean online hearing to quash the default, both judges stated: "The Trust is not a party" and "Only the named defendant may appear." She also placed it on her minutes and the Clerk of the Court Returned our entry fee.

f. Judges threatened the executor with sanctions for "practicing law without a license" under NRS 7.285 / Bus. & Prof. Code § 6125, although the executor was defending the Trust's property interest pro se, a right protected by In re Henson, 967 F.3d 1008 (9th Cir. 2020).

The Exuctuor also filed in the foreign Consular Court and won by default against Ally Bank/ Ally Financial the alleged plaintiff a Default Judgment and a Writ of Execution, the writ of execution was served on December 22, 2022 thereto the Registered agent of Ally Bank and has a six year expiration date.

g. Default judgment was entered, recorded, and used to evict occupants, although no lawful service or personal jurisdiction was ever obtained on the day of May 10, 2023 thereafter being forced from their home the Executor packed up after being threatened and defamed numerous times to prevent him from defending themselves from the onslaught of attacks set up by the Law Firm Coercive Attacks slander defamation intimidation moved to Florida returned plates and registration to the DMV Nevada. Several years later on September 15, 2025 after the coercive attacks increased, after being awarded a default judgment against an insurance company for the theft of property home and others.. in Las Vegas Nevada a driver hits and runs the 2015 KIA optima injuring his cohort and totaling the car.

The law firm Aldridge Pite contacts the insurance company and makes claim for a Default judgment award in Dept 31 judge Kishner court room several years back but remember the property held in a trust and the beneficiary and executor are not parties to the matter so nighter is the property that is in said name.

The Law firm and Judge or clerk[s] have multiple Default Judgments for different entities and adding the Ex-Parte or non party members two years later.

INSTITUTIONALIZED COERCIVE CONTROL & COERCIVE VIOLENCE AIDING & ABETTING TORT DEFAMATION PER QOUD AND TORTIOUS INTERFERENCE

h. The pattern repeats in at least [__] other cases involving the same firm, same judge, and same service method (see Exhibit C – spreadsheet of case numbers).

7. Applicable Law Violated

A void judgment is a legal nullity from Day 1.

NRCP 60(b)(4) (same as its federal twin) is not a six-month gate; it is simply the label you use to remind the court that the judgment is void.

RESPONSE TO "UNTIMELY" ARGUMENT

"Plaintiff's reliance on NRCP 60(c)(1) is misplaced. A judgment entered without personal jurisdiction here against a non-existent 'AKA' entity never pleaded, served, or adjudicated is void under NRCP 60(b)(4). Void judgments may be attacked at any time, by motion or independent action, because they are legal nullities. In re Estate of Thompson, 98 Nev. 113, 115 (1982); United States v. Buck, 281 F.3d 979, 982 (9th Cir. 2002) ('A void judgment may be attacked at any time in any proceeding.'). The six-month limitation of Rule 60(c) therefore does not apply, and the Court must vacate the judgment nunc pro tunc."

1. Original, official case caption entered by the Court Clerk on 09 Nov 2021:

"Ally Bank v. Monica Hall"

– Defendant name typed with two e's: "Monica Renee Hall" (exactly the natural-person spelling).

– NO "AKA EL PRINCESS RA," NO "PRINCESS EMILILY HOTEPEL."

2. The "Aliases" section was added later by clerk "error" – you can see the words "incorrect error" and the diplomat/EMILILY gibberish typed after the original line.

→ That after-the-fact insertion is not a court-approved amendment; it is a clerical alteration without a pleading, motion, or order.

3. Therefore every document that uses the fantasy aliases (default judgment, opposition, notices, recorded liens) departs from the only caption that ever had judicial approval.

The Commission reviews each complaint in accordance with its procedural rules to "determine whether the complaint alleges objectively verifiable evidence from which a reasonable inference could be drawn that a judge committed misconduct or is incapacitated." NRS 1.4657(1). The Commission either dismisses a complaint with or without a letter of caution "[i]f the Commission determines that a complaint does not contain such allegations" or authorizes an investigation if it "determines that a complaint does contain such allegations[.]" NRS 1.4657(2)-(3).

Following an investigation, if authorized, the Commission will review the investigative report and all relevant materials at a subsequent meeting and either dismiss the complaint with or without a letter of caution or require a judge to respond to the complaint. NRS 1.4667(1)-(2). If necessary, at a later scheduled meeting, the Commission will review a judge's response to the complaint and either dismiss the complaint with or without a letter of caution or file public (formal) charges against a judge pursuant to NRS 1.467.

The Commission can only file public charges against a judge if it determines that "there is a reasonable probability that the evidence available for introduction at a formal hearing could clearly and convincingly establish grounds for disciplinary action against a judge." NRS 1.4667(1). This is a very high evidentiary threshold that must be met.

Please note that all proceedings before the Commission (prior to the filing of public charges), as well as the Commission's deliberations at any stage of the judicial discipline process, are confidential and cannot be publicly disclosed by law. NRS 1.4683. Accordingly, Commission staff is prohibited from providing status updates or any other information related to your complaint except to convey when this matter has reached final disposition and has been closed, which you will receive from the Commission via correspondence at the appropriate time.

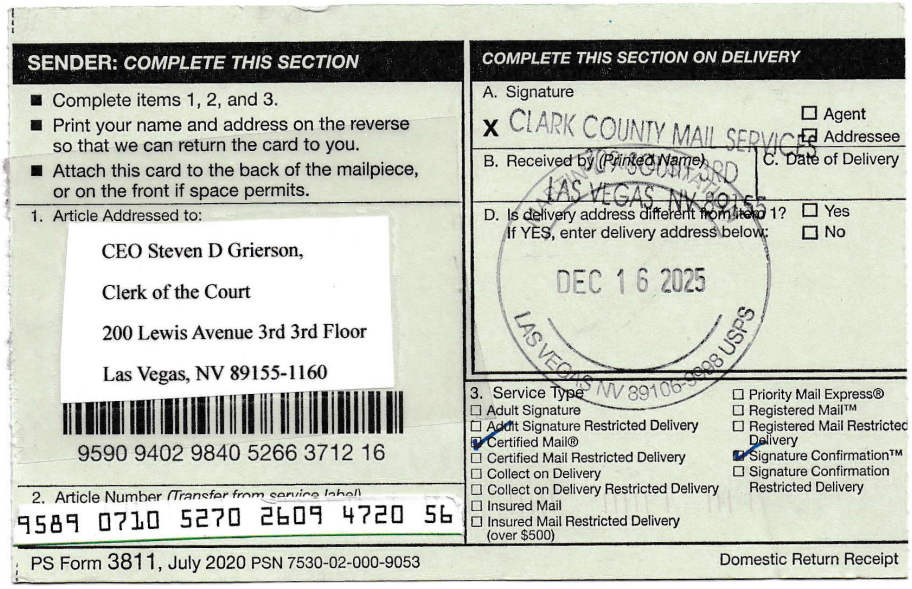

Pursuant to PRJDC 36.2, the Commission's Reconsideration Policy on dismissed complaints is as follows:

"If a complaint is dismissed by the Commission, the Complainant can request, one time only, a reconsideration of the Commission's decision. The Complainant's request for reconsideration must: (1) be in writing and received within 30 days from the date of the letter informing the Complainant of the dismissal; and (2) contain additional evidence (for example: witness statements, affidavits, and/or hearing transcripts, etc.) not previously reviewed by the Commission to support the allegations made in the original complaint.

The Complainant's request for reconsideration will be dismissed administratively by Commission staff if the request does not meet these requirements with the Commission subsequently ratifying such dismissals, as warranted, at its next meeting. If the Complainant's request for reconsideration is granted, the Commission will vote to either: (1) affirm its original decision to dismiss the complaint; or (2) reopen the complaint to conduct an investigation. The Complainant will be informed in writing of the Commission's decision on a request for reconsideration."

Sincerely,

NEVADA COMMISSION ON
JUDICIAL DISCIPLINE

EXHIBITS

ACTION TO FORECLOSE A MORTGAGE
1303 - Foreclosures; required notices.
Universal Citation: NY Real Prop Actions L § 1303 (2015)

1303. Foreclosures; required notices. 1. The foreclosing party in a mortgage foreclosure action, involving residential real property shall provide notice to:

(a) any mortgagor if the action relates to an owner-occupied one-to-four family dwelling; and

(b) any tenant of a dwelling unit in accordance with the provisions of this section.

2. The notice to any mortgagor required by paragraph (a) of subdivision one of this section shall be delivered with the summons and complaint. Such notice shall be in bold, fourteen-point type and shall be printed on colored paper that is other than the color of the summons and complaint, and the title of the notice shall be in bold, twenty-point type. The notice shall be on its own page.

3. The notice to any mortgagor required by paragraph (a) of subdivision one of this section shall appear as follows:

Help for Homeowners in Foreclosure

New York State Law requires that we send you this notice about the foreclosure process. Please read it carefully.

Summons and Complaint

You are in danger of losing your home. If you fail to respond to the summons and complaint in this foreclosure action, you may lose your home. Please read the summons and complaint carefully. You should immediately contact an attorney or your local legal aid office to obtain advice on how to protect yourself.

Sources of Information and Assistance

The State encourages you to become informed about your options in foreclosure. In addition to seeking assistance from an attorney or legal aid office, there are government agencies and non-profit organizations that you may contact for information about possible options, including trying to work with your lender during this process.

To locate an entity near you, you may call the toll-free helpline maintained by the New York State Department of Financial Services at (enter number) or visit the Department's website at (enter web address).

Foreclosure rescue scams

Be careful of people who approach you with offers to "save" your home. There are individuals who watch for notices of foreclosure actions in order to unfairly profit from a homeowner's distress. You should be extremely careful about any such promises and any suggestions that you pay them a fee or sign over your deed. State law requires anyone offering such services for profit to enter into a contract which fully describes the services they will perform and fees they will charge, and which prohibits them from taking any money from you until they have completed all such promised services.

4. The notice to any tenant required by paragraph (b) of subdivision one of this section shall be delivered within ten days of the service of the summons and complaint. Such notice shall be in bold, fourteen-point type, and the paragraph of the notice beginning with the words "ALL RENT-STABILIZED" and ending with the words "FULL HEARING IN COURT" shall

© 2014 Civil Law Self-Help Center

be printed entirely in capital letters and underlined. The foreclosing party shall provide its name, address and telephone number on the notice. The notice shall be printed on colored paper that is other than the color of the summons and complaint, and the title of the notice shall be in bold, twenty-point type. The notice shall be on its own page. For buildings with fewer than five dwelling units, the notice shall be delivered to the tenant, by certified mail, return receipt requested, and by first-class mail to the tenant's address at the property if the identity of the tenant is known to the plaintiff, and by first-class mail delivered to "occupant" if the identity of the tenant is not known to the plaintiff. For buildings with five or more dwelling units, a legible copy of the notice shall be posted on the outside of each entrance and exit of the building.

5. The notice required by paragraph (b) of subdivision one of this section shall appear as follows:

Notice to Tenants of Buildings in Foreclosure

New York State Law requires that we provide you this notice about the foreclosure process. Please read it carefully.

We, (name of foreclosing party), are the foreclosing party and are located at (foreclosing party's address). We can be reached at (foreclosing party's telephone number).

The dwelling where your apartment is located is the subject of a foreclosure proceeding. If you have a lease, are not the owner of the residence, and the lease requires payment of rent that at the time it was entered into was not substantially less than the fair market rent for the property, you may be entitled to remain in occupancy for the remainder of your lease term. If you do not have a lease, you will be entitled to remain in your home until ninety days after any person or entity who acquires title to the property provides you with a notice as required by section 1305 of the Real Property Actions and Proceedings Law. The notice shall provide information regarding the name and address of the new owner and your rights to remain in your home. These rights are in addition to any others you may have if you are a subsidized tenant under federal, state or local law or if you are a tenant subject to rent control, rent stabilization or a federal statutory scheme.

ALL RENT-STABILIZED TENANTS AND RENT-CONTROLLED TENANTS ARE PROTECTED UNDER THE RENT REGULATIONS WITH RESPECT TO EVICTION AND LEASE RENEWALS. THESE RIGHTS ARE UNAFFECTED BY A BUILDING ENTERING FORECLOSURE STATUS. THE TENANTS IN RENT-STABILIZED AND RENT-CONTROLLED BUILDINGS CONTINUE TO BE AFFORDED THE SAME LEVEL OF PROTECTION EVEN THOUGH THE BUILDING IS THE SUBJECT OF FORECLOSURE. EVICTIONS CAN ONLY OCCUR IN NEW YORK STATE PURSUANT TO A COURT ORDER AND AFTER A FULL HEARING IN COURT.

If you need further information, please call the New York State Department of Financial Services' toll-free helpline at (enter number) or visit the Department's website at (enter web address).

6. The department of financial services shall prescribe the telephone number and web address to be included in either notice.

7. The department of financial services shall post on its website or otherwise make readily available the name and contact information of government agencies or non-profit organizations that may be contacted by mortgagors for information about the foreclosure process, including maintaining a toll-free helpline to disseminate the information required by this section.

This proof of payment has been provided to this court rather they continue to harass me and ignore the laws of this land, I cannot participate therein fraudulent actions as they are now attempting to create a new action without providing me proof that I have a contract with them or any relations as to this alleged debt and now my legal team consular has proceeded to collect on the liens and writ of execution filed stamped and sealed due to the ongoing injuries caused by Aldridge Pite Haan and allegedly claiming to represent as foreign nationals that of Ally Bank without a Motion of Authority letter from Ally Banks BOD'S.

The summons and complaint were never personally served - to the defendant who judgment was entered against MONICA RENEE HALL who is not Princess Emilily Hotep El whom was never served a Summons and or Complaint. The vary documents was left with a outside third party at a former employer whom sent the documents back by mail delivery courier. One minute I am told the case is closed which means dismissed and or shut stayed etc,.. and not once have Aldridge Pite Haan make contact with princess emilily hotep el for a hearing or a contract between to foreign nationals to settle the matter rathe they push for a Default Judgement using my social security number with a name used as MONICA RENEE HALL? This is illegal and fraud created by the retaliation of Aldridge Pite Haan whom plays a role in many parts of my private life by stalking me for my home in California and now in Nevada.

Date of Hearing: November 26, 2022

Time of Hearing: In chambers

NOTICE OF ORDER : JUDGE IS REMOVED RECUSED AND HAVE A LIEN ON HER BOND DUE TO BIAS PREJUDICE ACTIONS 28 USC 144

THE CONSULAR COURT RECOGNIZES THESE FACTS AND MAKES THIS ORDER AS TO Cc 28 U.S. Code § 144 - Bias or prejudice of judge - Whenever a party to any proceeding in a district court makes and files a timely and sufficient affidavit that the judge before whom the matter is pending has a personal bias or prejudice either against him or in favor of any adverse party, such judge shall proceed no further therein, but another judge shall be assigned to hear such proceeding. In this matter the petitioner not listed as a Defendant herein with title appellation and nobility as princess emilily hotep el filed a response a counter claim writ of executions etc,.. due to the illegal and unlawful acts produced by the alleged Plaintiffs unproven record from the board to file such a claim as to her presence filed by a notice of special

appearance was denied stated by the Judicial Official on June 23, 2022 that she is not a party to the matter rather the unrecognized esquires lawyers or barristers by the board of Ally had filed a compliant alleging that they had served a MONICA RENEE HALL at her place of employment and left it with a family member which is false and a lie. This is why the petitioner herein known as Diplomat ;princess emilily hotep el has filed secured instruments by way of order of writs against all parties herein due to their reluctant acted out privileges to ignore the laws of this land.

February 2022 the Court clerks stated on record that the Consular Court, Prince Ra Hotep El and Princess Emilily El are not a party to this matter and such how are this court proceeding without jurisdiction for the petitioner whom made a counter claim in the Consular Court and made it court of record in the Eighth Judicial Court, so how is there any proceedings. The case was attempted to be removed to Federal Court rather they stated that they didn't have jurisdiction nighter so how does the lower court have jurisdiction when the Petitioner herein is not a pro se nor a pro per litigant. The petitioner is not a resident of Clark County nor a US citizen! They also claimed they left the proof of service with a USP store which is false and a lie, and they claimed to have left it with the women MONICA RENEE HALL who doesn't exist. The response by diplomat princess emilily hotep el came due to the attorney barristers and or esquires using her social security private non public number. The Lawfirm Barristers and or Esq.. filed this fraudulent lawsuit because they purchased the debt themselves claiming it wasn't paid or tendered when the debt was tendered then discharged Cc Experian and the CFPB removal of alleged fraudulent debt from her credit reports as the other two credit reporting agencies had done in the year of 2020 approximately December.

The affidavit shall state the facts and the reasons for the belief that bias or prejudice exists, and shall be filed not less than ten days before the beginning of the term at which the proceeding is to be heard, or good cause shall be shown for failure to file it within such time. A party may file only one such affidavit in any case. It shall be accompanied by a certificate of counsel of record stating that it is made in good faith. The district court held that "ordinary course of business" meant a regular course of procedure in managing a business. Based on this definition, it found "no evidence or allegation from which the Court could reasonably infer that the filing of a lawsuit . . . falls within the ordinary course of Street Star's business so as to make it the equivalent to the 'habitual or mechanical performance of an established procedure.'" Therefore the Consular Court rules that the Eighth Judicial Court has never proven jurisdiction and worked on behalf of the Lawyers, Barristers and Esq[s] of Aldridge Pite Haan llp to rule in favor of a Default when no woman named MONICA RENEE HALL exist nor had ever been served. This matter is stayed and is now in the jurisdiction of the Consular Court.

CLOSED STAYED AND DISMISSED IN THE STATE COURT FINALIZED IN THE CONSULAR COURT!

With Prejudice.

IT IS SO ORDERED!
